## In The Name Of Allaah, The Gracious, The Compassionate

### INTRODUCTION

This is the fifth work to be composed in the Prophetic traditions, after both Sahihs, Abu Dawud's sunan, At-Tirmidhi's Jami'; and besides Ibn Majah's sunan, all constitute the six main fundamentals of Hadith, the second source of law after the Holy Qur'an, therewith the religion is safeguarded and the faith is persistently maintained.

The composer is Abu Abd Ar-Rahman: Ahmad Ibn Shu'aib Ibn Ali Ibn Sinan Ibn Bahr Al-Khurasani An-Nasa'i. he was born in Nasa in the year of two hundred and fifteen of Hegira, and sought after knowledge across different countries and regions within the borders of the Islamic state at very early age.

From amongst his teachers from whom he heard narrations and traditions, a mention might be made of Ishaq Ibn Rahawaih, Hisham Ibn Ammar, Suwaid Ibn Nasr, Isa Ibn Hammad, Ahmad Ibn Abdah Ad-Dabbi, Abu At-Tahir Ibn As-Sharh, Ahmad Ibn Mani', Ishaq Ibn Shahin, Ishaq Ibn Miskin, Al-Hasan Ibn Sabah Al-Bazzar and others.

An-Nasa'I had so many pupils who transmitted his composition and made it well-known all over the Islamic state, and a mention might be made of Abu Bishr Ad-Dulabi, Abu Ja'far At-Tahawi, Abu Ali An-Naisaburi, Hamzah Ibn Muhammad Al-Kinani, Abu Ja'far Ahmad Ibn Muhammad Ibn Isma'il An-Nahhas the Grammarian, Abu Bakr Muhammad Ibn Ahmad Ibn Haddad Ash-Shafi'i, Al-Hasan Ibn Al-Khadir Al-Asiuti, Abu Bakr Ahmad Ibn Muhammad As-Sunni, Abu Al-Qasim Sulaiman Ibn Ahmad At-Tabarani, and many others besides.

He resided in Egypt, where he had property of gardens and he had four wives, whom he used to visit by turns. In the year of three hundred and two, i.e. a year before his death, he set out to Damascus, and a clash broke up between him and the followers of Mu'awiyah, when they asked him to give preference to Mu'awiyah over Ali "Allah be pleased with him", and he rejected. They asked him to enumerate the good merits of Mu'awiyah, and he told that he found none. The result was that they poked him in his testicles violently, and drove him out of the mosque. According to Ad-Daraqatni, he asked to be helped set out to Mecca, where he died and was buried in the area between Safa and Marwah, in the month of Sha'ban, in the year of three hundred and three of Hegira.

His work "Sunan" ranks the fifth among the compositions of Prophetic traditions, and it consists of over five thousand and seven hundred narrations, which are divided into three categories: the first corresponds to those upon which there is agreement among the narrators in general, and of both Al-Bukhari and Muslim in particular; and the second constitutes these traditions narrated in accordance with the same terms stipulated by both sheikhs, even though they themselves have not narrated them in their Sahihs; and the third implies some narrations, whose chains of transmission are defective; and fortunately, this is the smallest part, and the narrations it contains are the fewest in number.

Our work in the translation of this composition whose English version appears for the first time is to abide by the Arabic text of the tradition, with simple additions just for explanation and they are distinguished by being put in between to parens, and omission of all the transmitters barring the last one i.e. the companion who heard and narrated directly from the Prophet, or that who follows him in narration in case the name of such companion is not mentioned in the chain of transmission. The following example is typical of that: "It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather." His grandfather referred to herein is Abdullah Ibn Amr, the famous companion.

It is Allah Almighty Whom I ask to make this work of good use for the foreign Muslims and Non-Muslims, who look forward to come in contact with the Prophetic traditions, and grant me the honour of being one of the servants of His religion: for He is the Best of Bestowers, the Best of Helpers.

## (1) THE BOOK OF PURIFICATION

**[1] The Interpretation Of Allah's Statement: " O You Who Believe! When You Prepare For Prayer, Wash Your Faces, And Your Hands (And Arms) To The Elbows..." (Al-Ma'idah 6)**

1- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If anyone of you gets up at night, let not him dip his hand into the utensil before he washes it thrice: indeed, he does not know where his hand has been during (his sleep at) night."

### **[2] Using Siwak For Such As Gets Up At Night**

2- It is narrated on the authority of Hudhaifah that he said: Whenever the Messenger of Allah "Allah's blessing and peace be upon him" got up at night, he would brush his teeth with the Siwak (teeth-cleansing stick).

### **[3] How Should One Brush His Teeth With The Siwak?**

3- It is narrated on the authority of Abu Musa that he said: I entered upon the Messenger of Allah "Allah's blessing and peace be upon him" and he was brushing his teeth with the Siwak (teeth-cleansing stick), and the end of the stick was on his tongue, and he was uttering: "Ah!Ah!"

### **[4] Should A Ruler Brush His Teeth With The Siwak In The Presence Of His Subjects?**

4- It is narrated on the authority of Abu Musa that he said: I went to the Prophet "Allah's blessing and peace be upon him" in the company of two men from the Ash'arites. One of them was on my right hand and the other on my left. Both of them demanded a position (of authority) while the Prophet "Allah's blessing and peace be upon him" was brushing his teeth with a teeth-stick. He said (to me): "O Abu Musa (or O Abdullah Ibn Qais)! What do you say (about their request)?" I said: "By Allah, Who sent you on your mission with the truth, they did not disclose to me what they had in their minds, and I did not know that they would ask for a position." It seemed as if I am looking at the teeth-stick of the Prophet "Allah's blessing and peace be upon him" having shrunk between his lips. He (The Prophet) said: "We shall not (or shall never) appoint to the public offices those who have been eager to have them. But you may go, O Abu Musa (or Abdullah Ibn Qais) (to receive your appointment)." He sent him to Yemen as governor. Then he sent Mu'adh Ibn Jabal after him (to help him).

### [83] How Should A Woman Pass Her Wet Hands Over Her Head?

100- It is narrated on the authority of Abu Abdullah Salim Sabalan that he said: A'ishah used to admire my trustworthy, and she used to hire me. She showed me how the Messenger of Allah "Allah's blessing and peace be upon him" used to perform ablution. She rinsed her mouth and snuffed water into her nostrils and blew it out thrice, washed her face thrice. Then, she washed her right forearm (up to the elbow) thrice, and her left forearm (up to the elbow) thrice. She placed her hand in the front part of her head, and passed it over her head once to its back. Then, she wiped her ears and cheeks. Salim said: I used to come to her while I was still a slave, having a written deed of emancipation (in return for a certain sum of money), and she never hid herself from me: she used to sit in front of me, and have talks with me. One day, I came to her and said: "Invoke blessing upon me O Mother of Believers!" she asked: "What is the matter with you?" I said: "Allah Almighty has emancipated me." She said: "Allah's blessing be upon you!" then, she let the veil fall (and she was hidden) from me, and after that day, I've never seen her.

Once, we were on journey when he went (far from the people) to answer the call of nature, and after he had relieved himself he came and performed ablution, in which he passed his wet hands over his forelock, both sides of his turban, and also his footwears. (The second thing is) the imam's prayer behind one of his subjects. I was present with the Messenger of Allah "Allah's blessing and peace be upon him" on journey when the time of the prayer was due, and the Messenger of Allah "Allah's blessing and peace be upon him" delayed to come to them, thereupon they established the prayer, and made Abd Ar-Rahman Ibn Awf lead them in the prayer. Then, when the Messenger of Allah "Allah's blessing and peace be upon him" came back, he prayed behind Ibn Awf the remaining portion of the prayer. ### [96] Passing The Wet Hand Over The Footwears

**118-** It is narrated on the authority of Jarir Ibn Abdullah that he performed ablution in which he passed his wet hand over his footwears. It was said to him: "Could we pass our hands over our footwears (on performing ablution)?" he said: "No doubt, I saw the Messenger of Allah "Allah's blessing and peace be upon him" having passed his wet hand over his footwears (while performing ablution)." However, the companions of Abdullah admired this statement of Jarir for Jarir's conversion into Islam was a short time before the death of the Messenger of Allah "Allah's blessing and peace be upon him".

**119-** It is narrated on the authority of Ja'far Ibn Amr Ibn Umayyah Ad-Damari from his father that he saw the Messenger of Allah "Allah's blessing and peace be upon him" having performed ablution, in which he passed his wet hand over his footwears.

**120-** It is narrated on the authority of Usamah Ibn Zaid that he said: Both the Messenger of Allah "Allah's blessing and peace be upon him" and Bilal entered the Markets, and the Prophet went to answer the call of nature, and then he came out. I asked Bilal: "What did the Messenger of Allah "Allah's blessing and peace be upon him" do?" he said: "The Messenger of Allah "Allah's blessing and peace be upon him" went to answer the call of nature, and then he performed ablution, in which he washed his face and forearms, passed his wet hands over his head, and over both the footwears, and then he offered prayer."

**121-** It is narrated on the authority of Abdullah Ibn Umar from Sa'd Ibn Abu Waqqas from the Messenger of Allah "Allah's blessing and peace be upon him" that he passed his wet hand over his footwears (while performing ablution).

**122-** It is narrated on the authority of Sa'd Ibn Abu Waqqas from the Messenger of Allah "Allah's blessing and peace be upon him" that there is no harm in passing the wet hand over the footwears (in ablution).

**123-** It is narrated on the authority of Al-Mughirah Ibn Shu'bah that he said: Once, The Messenger of Allah "Allah's blessing and peace be upon him" went out to answer the call of nature. When he returned, I received him with the container of water, from which I poured for him. He washed his face, then his hands. He tried to wash his arms, but the cloak was very tight. ### **[97] Passing The Wet Hand Over The Footwears On Journey**

**125-** It is narrated on the authority of Al-Mughirah Ibn Shu’bah that he said: Once I was on journey with The Prophet “Allah’s blessing and peace be upon him” when he said to me: "O Mughirah! Remain behind (the people) and O people! Proceed on!" so, I remained behind with him, and I had a container of water and the people proceeded on. Allah's Apostle “Allah’s blessing and peace be upon him” went to answer the call of nature. Then, he came back and I went on pouring water on him, and he was wearing a Syrian cloak of tight sleeves. He tried to take out his hands from its sleeves but it was very tight. So he took out his hands from under it and washed his face, and both his forearms, and passed his wet hands over his head and footwears.

**127-** It is narrated on the authority of Zirr that he said: I asked Safwan Ibn Assal about passing wet hands over the footwears (on performing ablution), thereupon he said: The Messenger of Allah “Allah’s blessing and peace be upon him” commanded us not to take off our footwears (whenever we liked to offer ablution provided that they were worn after offering ablution) because of excretion, or of urination, or of sleep for three days unless it would be because of the state of ceremonial impurity (resulting from sexual intercourse or nocturnal wet dream).

Term to such as is on journey, and a day-and-a-night term to the resident during which one could keep passing his wet hands over the footwears (on performing ablution).

**129-** It is narrated on the authority of Shuraih Ibn Hani': I asked A'ishah about (the limit of time which one should not go beyond in) wiping the footwears (in ablution), thereupon she said: "Go to Ali and ask him for he has better knowledge of that." I came to Ali and asked him about (the limit of time which one should not go beyond in) wiping (the footwears in ablution), and he said: "The Messenger of Allah "Allah's blessing and peace be upon him" gave us permission according to which the one who is in residence could keep wiping (his footwears in ablution) for (no more than) a day and a night (i.e. twenty-four hours), and he who is on journey could do for three days."

#### **[100] Performing Ablution Not Because Of Breaking Ablution**

**130-** It is narrated on the authority of An-Nazzal Ibn Sabrah who said: I saw Ali having offered the Zhuhr prayer, then he sat to receive the people (and settle their cases) in the mosque, then, when the Asr prayer was due, water was brought to him, therewith he washed his face and arms and rubbed his head and feet. Then, he took and drank from the remaining of the water of his ablution while standing. He Then said: "No doubt, some people dislike that, even though I saw the Messenger of Allah "Allah's blessing and peace be upon him" having done so; and this is the way of ablution of the one who has not broken his ablution."

#### **[101] Performing Ablution For Every (Obligatory) Prayer**

**131-** It is narrated on the authority of Anas that he said: A small tumbler of water was brought to the Messenger of Allah "Allah's blessing and peace be upon him" and he performed ablution. He (the sub-narrator) asked Anas: "Did the Messenger of Allah "Allah's blessing and peace be upon him" use to perform ablution for every (obligatory) prayer?" he answered in the affirmative. He further asked: "What about you?" he said: "We used to offer the prayers (with one ablution) as long as we did not break ablution; and it happened that we offered many prayers with a single ablution."

**132-** It is narrated on the authority of Ibn Abbas that once the Messenger of Allah "Allah's blessing and peace be upon him" came out of the open space (after he had answered the call of nature), and food was brought near him, thereupon they asked him: "Should we not bring (water for you to perform) ablution?" on that he said: "I've been commanded to perform ablution just when I stand to offer prayer."

A short stick was fixed for him to which he led the prayer, and at that time, donkeys, dogs and women passed by in front of him (from behind the short stick).

138- It is narrated on the authority of Jabir that he said: I fell ill, and the Messenger of Allah "Allah's blessing and peace be upon him" and Abu Bakr came to visit me and enquire about my health, and they found me unconscious, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" performed ablution, and sprinkled the Remaining of the water of his ablution over my body (which led me to restore my consciousness).

**140-** It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather: Once, a desert dweller came to the Messenger of Allah "Allah's blessing and peace be upon him" and asked him about the ablution, thereupon the Prophet "Allah's blessing and peace be upon him" showed him (that it was be to wash each part of the body the ablution should reach) thrice (barring wiping the head and washing the feet), and then he said: "This is the (maximum limit beyond which none should go in) ablution; and whoever does more than that, has mistreated (the etiquette of Islamic law), wronged (himself), and transgressed the due bounds (of using water)."

### **[106] The Command To Offer Ablution Perfectly**

the fight this year; and we were informed that whoever offered prayer in the four mosques (i.e. the Ka'bah, the Prophet's mosque, the Furthest Mosque, and the mosque of Quba), his sins will be forgiven for him." Abu Ayyub said: "O son of my brother! Should I guide you to what is easier than that? I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "He, who performs ablution (perfectly) as he was commanded (to do), and offers prayer (perfectly) as it was enjoined upon him, all of his previous sins will be forgiven for him. Isn't it so O Uqbah?" he answered in the affirmative.

**145-** It is narrated on the authority of Uthman that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "He, who performs ablution perfectly as Allah Almighty ordered him, then, the five (obligatory) prayers act as expiations for (whatever sins and mistakes committed in the intervals) between them."

**147-** It is narrated on the authority of Abu Umamah Al-Bahili that he said: I heard Amr Ibn Abasah having said: I said: "O Messenger of Allah! tell me about (performing) ablution." He said: "As for performing ablution, no doubt, if you perform ablution in which you wash both your hands until you clean them, your sins will get out from underneath your nails and fingertips. If you rinse your mouth, snuff water into your nostrils and then blow it, wash your face, wash your forearms up to the elbows, pass your wet hands over your head, and wash your feet up to the ankles, you will then get rid of all of your sins. When you place your face (on the ground in prostration during the prayer) to Allah Almighty, you will become free from all of your sins (and get as pure ) as you were on the day you were born." Abu Umamah said to him: "O Amr Ibn Abasa! Consider what you are saying. (Do you say) that all of that would be given to a man at one station (i.e. performing ablution and prayer)?" Upon this Amr said: "O Abu Umamah! I have grown old and I am at the threshold of death. I'm not in need to attribute a lie to The Messenger of Allah "Allah's blessing and peace be upon him". No doubt, I heard it with my ear, and kept it in my mind from The Messenger of Allah "Allah's blessing and peace be upon him"."

### **[109] What Is Said After Finishing From Performing Ablution**

148- It is narrated on the authority of Umar Ibn Al-Khattab that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who performs ablution perfectly, and then says: "I bear testimony to the fact that there is no god (to be worshipped) but Allah, and that Muhammad is His servant and Messenger", the eight gates of the Garden will be opened to him, and he will enter the Garden from whichever he likes."

### **[110] The Adornment Of Ablution**

149- It is narrated on the authority of Abu Hazim that he said: I was behind Abu Hurairah while he was performing ablution. He used to stretch his hand until the water would reach his armpit. I said to him: "O Abu Hurairah! What is this ablution?" upon this, Abu Hurairah said: "Are you here o son of (the tribe of) Farrukh? Had I learnt that you were here, I would not have performed such an ablution. No doubt, I heard my friend (The Messenger of Allah) "Allah's blessing and peace be upon him" saying: "An adornment (i.e. the light on The Day of Judgement) would reach from a believer's body the places where the ablution reaches."

150- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" came to the graveyard and said: "Peace be upon you! The abode of the believing people and we, Allah willing, are about to join you. Would that I could see my brothers!" They (the companions) asked: "Are we not your brothers, O Messenger of Allah?" He said: "You are my Companions, and my brothers are those who have not yet come into the world." They asked: "O Messenger of Allah! How would you recognize those persons of your nation who have not yet come?" He said: "Suppose that a man had horses with white foreheads and legs among horses which are all black, would he not be able to recognize his own horses?" They said: "He would recognize them O Messenger of Allah." He said: "They (our brothers) would come with bright faces, arms and legs because of the marks of ablution. I would be ahead of them at the Fountain."

### **[111] The Reward Of Such As Performs Ablution Perfectly And Offers A Two-Rak'ah Prayer**

151- It is narrated on the authority of Uqbah Ibn Amir Al-Juhani that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who performs ablution perfectly, and then offers a two-rak'ah prayer, to which he is wholeheartedly and sincerely devoted, the Garden will be assured to him."

### [112] What Breaks And What Breaks Not Ablution

**152-** It is narrated on the authority of Ali that he said: I used to have pre-seminal fluid repeatedly, and since my wife was the daughter of the Messenger of Allah "Allah's blessing and peace be upon him", I felt shy of asking him about that. I told a man sitting by his side to ask him, and he asked him, and he said: "It makes ablution binding (upon such as gets it)."

**153-** It is narrated on the authority of Ali that he said: I said to Al-Miqdad: "What about a man who approaches his wife and (fondles her) and gets pre-seminal fluid, even though he has no sexual relation with her? Would that you ask the Messenger of Allah "Allah's blessing and peace be upon him" about the judgement of that. Indeed, I feel shy of asking him such a question since his daughter (Fatimah) is my wife." He asked the Messenger of Allah "Allah's blessing and peace be upon him" about that, and he said: "Let such then wash his penis and testicles, and then offer ablution like that he offers for the prayer."

**154-** It is narrated on the authority of Ali that he said: I used to get pre-seminal fluid so much, and I told Ammar Ibn Yasir to ask the Messenger of Allah "Allah's blessing and peace be upon him" about that, since his daughter was my wife (and I felt shy of asking him such a question). He (asked him, and the Prophet) said: "To offer ablution is sufficient for him."

**155-** It is narrated on the authority of Rafi' Ibn Khadij that Ali told Ammar Ibn Yasir to ask the Messenger of Allah "Allah's blessing and peace be upon him" about (the judgement of) the pre-seminal fluid, and he (asked him, thereupon the Prophet) said: "Let him wash his penis and testicles, and perform ablution."

**156-** It is narrated on the authority of Al-Miqdad Ibn Al-Aswad that Ali required him to ask the Messenger of Allah "Allah's blessing and peace be upon him" about (the judgement of) a man who would approach his wife and (fondle her but have no sexual relation with her and thus) have pre-seminal fluid: "What should he do? Indeed, his (the Prophet's) daughter (Fatimah) is my wife, and I feel shy of asking him such a question." I asked the Messenger of Allah "Allah's blessing and peace be upon him" about that, and he said: "When anyone of you finds that (secretion discharge before semen), let him then sprinkle water over his private parts, i.e. wash his penis and then offer ablution like that he offers for the prayer."

**157-** It is narrated on the authority of Ali that he said: I felt shy of asking the Messenger of Allah "Allah's blessing and peace be upon him" about (the judgement of) the pre-seminal fluid, because of Fatimah (his daughter, and

**158-** It is narrated on the authority of Zirr Ibn Hubaish: I came to Safwan Ibn Assal Al-Muradi who asked me: "What led you to come?" I said: "I came in pursuit of knowledge (so that I would afterwards make it widespread among the people)." On that he said: No doubt, I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "There is no one who sets out of his house in search for knowledge but that the angels place (or lower) their wings out of their good pleasure with what he does." He further asked him: "About which do you want to ask?" he said: "I want to ask you about the footwears." On that he said: "Whenever we were with The Messenger of Allah "Allah's blessing and peace be upon him" on journey, he would command us not to take off our footwears for three days (whenever we liked to offer ablution provided that they were worn after offering ablution) unless it would be because of the state of ceremonial impurity (resulting from sexual intercourse or nocturnal wet dream), but not because of excretion, or of urination, or of sleep."

### **[114] Performing Ablution Because Of Excretion**

**159-** It is narrated on the authority of Safwan Ibn Assal that he said: "Whenever we were with The Messenger of Allah "Allah's blessing and peace be upon him" on journey, he would command us not to take off our footwears for three days (whenever we liked to offer ablution provided that they were worn after offering ablution) unless it would be because of the state of ceremonial impurity (resulting from sexual intercourse or nocturnal wet dream), but not because of excretion, or of urination, or of sleep."

### **[115] Performing Ablution Because Of Making Wind**

**160-** It is narrated on the authority of Abdullah Ibn Zaid that he said: A complaint was made to the Prophet "Allah's blessing and peace be upon him" that a man might find something suspicious in the prayer, thereupon he said: "Let not him turn away unless he detects wind or hears sound."

### **[116] Performing Ablution Because Of Sleep**

**161-** It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If anyone of you gets up at night, let not him dip his hand into the utensil before he pours (water) over it (and washes it) thrice: indeed, he does not know where his hand has been during (his sleep at) night."

162- It is narrated on the authority of A'ishah that she said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "When a man is given to slumber during the prayer, let him turn away, lest he might invoke evil against himself unknowingly."

### [118] Performing Ablution Because Of Touching The Penis

163- It is narrated on the authority of Urwah Ibn Az-Zubair that he said: I entered upon Marwan Ibn Al-Hakam, and we discussed the things for which ablution should be performed, and Marwan said: "Ablution should be performed because of touching the penis." Urwah said: "I have no knowledge of that." Marwan said: Bussah Bint Safwan told me that she heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "When anyone of you touches his penis, let him offer ablution."

164- It is narrated on the authority of Urwah Ibn Az-Zubair that he said: During the time of Marwan's governorship of Medina, he made a mention of the fact that touching the penis makes ablution binding upon such as touches it with his hand. I disapproved of that, and said: "No ablution is binding upon such as touches his penis." On that Marwan said: Bussah Bint Safwan told me that she heard the Messenger of Allah "Allah's blessing and peace be upon him" having mentioned the reasons for which ablution should be performed, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "Ablution should be performed because of touching the penis." I kept arguing Marwan over that until he invited one of his guards, and sent him to Bussah to ask her about that which she related to Marwan, and she sent to him with the like of what Marwan related to me from her.

### [119] Canceling The Command To Offer Ablution Because Of That

165- It is narrated on the authority of Qais Ibn Talq Ibn Ali from his father that he said: We set out in a delegate until we came to the Messenger of Allah "Allah's blessing and peace be upon him", and we gave him the pledge of allegiance (for Islam), and we offered prayer with him. Then, when he finished from the prayer, a man, seemingly a Bedouin came and asked him: "O Prophet of Allah! What do you say about such as touches his penis (after he performs ablution and before he offers) prayer?" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Is it but a piece of flesh (or a part) of your body?"

I seek refuge with Your pleasure from Your anger; I seek refuge with Your forgiveness from Your punishment; and I seek refuge with (the mercy of) You from (the anger of) You. I cannot reckon Your praise, for You are as You applauded Yourself."

201 - أَخْبَرَنَا عِمْرَانُ بْنُ يَزِيدَ قَالَ: حَدَّثَنَا إِسْمَاعِيلُ بْنُ عَبْدِ اللَّهِ الْعَدَوِيُّ قَالَ: حَدَّثَنَا الْأَوْزَاعِيُّ قَالَ: حَدَّثَنَا يَحْيَى بْنُ سَعِيدٍ قَالَ: حَدَّثَنِي هِشَامُ بْنُ عُرْوَةَ عَنْ عُرْوَةَ عَنْ فَاطِمَةَ بِنْتِ قَيْسٍ مِنْ بَنِي أَسَدٍ قُرَيْشٍ: أَنَّهَا أَتَتْ النَّبِيَّ ﷺ فَذَكَرَتْ أَنَّهَا تُسْتَحَاضُ فَزَعَمَتْ

lasts) and when it finishes take bath and wash off the blood from you, and offer your prayers (in the period between one menses and another)."

202- It is narrated on the authority of A'ishah that the Prophet "Allah's blessing and peace be upon him" said: "When the menses comes, leave the prayer, and when it finishes, take bath (to get clean and offer the prayer)."

203- It is narrated on the authority of Urwah and Amrah Bint Abd Ar-Rahman that A'ishah said: Umm Habibah Bint Jahsh (the sister-in-law of The Messenger of Allah because she was the sister of his wife Zainab Bint Jahsh) got persistent bleeding from her uterus for seven years. She made a complaint of that to The Messenger of Allah "Allah's blessing and peace be upon him" concerning that matter. Upon this, The Messenger of Allah "Allah's blessing and peace be upon him" said: "This (bleeding) is not menses, but it is from a blood vessel. So, take a bath (to purify yourself from the blood of menses) and then perform the prayer."

204- It is narrated on the authority of Urwah and Amrah Bint Abd Ar-Rahman that A'ishah said: Umm Habibah Bint Jahsh, the sister of Zainab Bint Jahsh and the wife of Abd Ar-Rahman Ibn Awf, got persistent bleeding from her uterus for seven years. She asked for the religious verdict of The Messenger of Allah "Allah's blessing and peace be upon him" concerning that matter. Upon this, The Messenger of Allah "Allah's blessing and peace be upon him" said: "This (bleeding) is not menses, but it is from a blood vessel. So, when the menses (according to the number of days the normal menses lasts) finishes, take a bath (to purify yourself from the menses) and then perform the prayer, and when it begins, leave the prayer during its period." A'ishah resumed: She used to take a bath at the time of every prayer and then offer prayer. She sometimes took a bath in a washing tub at the chamber of her sister Zainab Bint Jahsh, in the house of the Messenger of Allah "Allah's blessing and peace be upon him", and (the blood was so abundant that) the redness of the blood would prevail the water. Furthermore, she would come out and offer prayer with the Messenger of Allah "Allah's blessing and peace be upon him", and this (persistent bleeding) did not prevent her from offering prayer.

205- It is narrated on the authority of Urwah and Amrah Bint Abd Ar-Rahman that A'ishah said: Umm Habibah Bint Jahsh, the sister-in-law of The Messenger of Allah "Allah's blessing and peace be upon him" (because she was the sister of his wife Zainab Bint Jahsh), and she was the wife of Abd Ar-Rahman Ibn Awf got persistent bleeding from her uterus for seven years. She asked for the religious verdict of The Messenger of Allah "Allah's blessing and peace be upon him" concerning that matter. Upon this,

The Messenger of Allah “Allah’s blessing and peace be upon him” said: “This (bleeding) is not menses, but it is from a blood vessel. So, take a bath (to purify yourself from the blood of menses) and then offer prayer.”

**206-** It is narrated on the authority of A’ishah that she said: Umm Habibah sought the religious verdict of the Messenger of Allah saying: "O Messenger of Allah! I have a persistent bleeding from the uterus (which prevents me from becoming clean)." On that the Messenger of Allah “Allah’s blessing and peace be upon him” said: “This (bleeding) is not menses, but it is from a blood vessel. So, take a bath (to purify yourself from the blood of menses) and then offer prayer.” She used to take a bath at the time of every prayer.

**207-** It is narrated on the authority of A’ishah that Umm Habibah (Bint Jahsh) asked the Messenger of Allah “Allah’s blessing and peace be upon him” about the persistent bleeding (coming from the uterus). A’ishah said: I saw her washing-tub, and it was full of blood. On that the Messenger of Allah “Allah’s blessing and peace be upon him” said: “Wait (far from the prayer) as long as your menses used to detain you and then take bath (and offer the prayer).”

**208-** It is narrated on the authority of Umm Salamah that she said: A woman had persistent bleeding from the uterus and did not become clean during the lifetime of the Messenger of Allah “Allah’s blessing and peace be upon him”; and Umm Salamah sought the religious verdict of Allah's Apostle "Allah's blessing and peace be upon him", who said: "Let her consider the number of days and nights during which she used to get menses every month before she had what she had, and leave the prayer as long as is equal to that period, and then when this period elapses, let her take a bath, straighten a garment stuffed with a piece of cotton on her privates and offer the prayer.”

### [135] The Monthly Courses

**209-** It is narrated on the authority of A’ishah that she said: Umm Habibah Bint Jahsh, the sister of Zainab Bint Jahsh and the wife of Abd Ar-Rahman Ibn Awf, got persistent bleeding from her uterus and she did not become clean. A mention of her affair was made to The Messenger of Allah “Allah’s blessing and peace be upon him” and he said: “This (bleeding) is not menses, but it is from a blood vessel in the uterus. So, let her consider the number of days her normal monthly course used to last during which she should leave the prayer, after which, let her (offer prayer on the condition that she should) take bath at the time of every prayer.”

### (135) - بَابُ ذِكْرِ الْأُقْرَاءِ

209 - أَخْبَرَنَا الرَّبِيعُ بْنُ سُلَيْمَانَ بْنِ دَاوُدَ بْنِ إِبْرَاهِيمَ قَالَ: حَدَّثَنَا إِسْحَاقُ بْنُ بَكْرِ قَالَ: حَدَّثَنِي أَبِي عَنْ يَزِيدَ بْنِ عَبْدِ اللَّهِ عَنْ أَبِي بَكْرِ بْنِ مُحَمَّدٍ عَنْ عُمَرَ عَنْ عَائِشَةَ رَضِيَ اللَّهُ عَنْهَا: أَنَّ أُمَّ حَبِيبَةَ بِنْتُ جَحْشٍ الَّتِي كَانَتْ تَحْتَ عَبْدِ الرَّحْمَنِ بْنِ عَوْفٍ وَأَنَّهَا اسْتَحِضَتْ لَا تَطْهُرُ فَذَكَرَ شَأْنَهَا لِرَسُولِ اللَّهِ ﷺ فَقَالَ: «إِنَّهَا لَيْسَتْ بِالْحَيْضَةِ وَلَكِنَّهَا رَكْضَةٌ مِنَ الرَّجَمِ فَلْتَنْظُرْ قَدَرُ قَرْنِهَا الَّتِي كَانَتْ تَحِيسُ لَهَا فَلْتَتْرُكِ الصَّلَاةَ ثُمَّ تَنْظُرُ مَا بَعْدَ ذَلِكَ فَلْتَغْتَسِلْ عِنْدَ كُلِّ صَلَاةٍ».

**210-** It is narrated on the authority of A'ishah that she said: Umm Habibah, daughter of Jahsh got persistent bleeding from her uterus for seven years. She asked for the religious verdict of the Messenger of Allah "Allah's blessing and peace be upon him" concerning that matter. Upon this, the Messenger of Allah "Allah's blessing and peace be upon him" said: "This (bleeding) is not menses, but it is from a blood vessel." He ordered her to leave the prayer as long as her normal monthly course used to last, after which she should take bath and offer prayer. However, she used to take bath at the time of every prayer.

**211-** It is narrated on the authority of Urwah Ibn Az-Zubair that Fatimah Bint Abu Hubaish told him that she came to The Prophet "Allah's blessing and peace be upon him" and complained to him how she suffered a persistent bleeding from the uterus (according to which she would not become clean). Allah's Apostle "Allah's blessing and peace be upon him" replied: "It is just from a blood vessel (and not the menses). So when your real menses begins give up your prayers (and calculate the days a normal menses lasts) and when it finishes wash off the blood (by taking a bath) and offer your prayers in the period between one menses and another."

**212-** It is narrated on the authority of A'ishah: Fatimah Bint Abu Hubaish came to The Prophet "Allah's blessing and peace be upon him" and said: "O Allah's Apostle! I get persistent bleeding from the uterus and do not become clean. Shall I give up my prayers?" Allah's Apostle "Allah's blessing and peace be upon him" replied: "No, because it is from a blood vessel and not the menses. So when your real menses begins give up your prayers and when it finishes wash off blood from you (take a bath) and offer your prayers."

### **[136] The Way Such As Has Persistent Bleeding From The Uterus Takes Bath**

**213-** It is narrated on the authority of A'ishah that a woman who had persistent bleeding from the uterus during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him" was told that this (bleeding) was because of a blood vessel (and not because of menses). She was commanded to delay (offering) the Zhuhr prayer and hasten to offer the Asr prayer (when it was due, as early as possible), and take one bath for both; and also to delay the Maghrib (prayer), and hasten to offer the Isha prayer (when it was due, as early as possible), and take one bath for both, and further to take bath for the morning prayer.

210 - أَخْبَرَنَا مُحَمَّدُ بْنُ الْمُثَنَّى قَالَ: حَدَّثَنَا سُفْيَانُ عَنِ الزُّهْرِيِّ عَنْ عَمْرَةَ عَنْ عَائِشَةَ رَضِيَ اللَّهُ عَنْهَا: أَنَّ أُمَّ حَبِيبَةَ بِنْتَ جَحْشٍ كَانَتْ تُسْتَحَاضُ سَبْعَ سِنِينَ فَسَأَلَتِ النَّبِيَّ ﷺ فَقَالَ: «لَيْسَتْ بِالْحَيْضَةِ إِنَّمَا هُوَ عِرْقٌ» فَأَمَرَهَا أَنْ تَتْرَكَ الصَّلَاةَ قَدَرِ أَقْرَائِهَا وَحَيْضَتِهَا وَتَغْتَسِلَ وَتُصَلِّيَ. فَكَانَتْ تَغْتَسِلُ عِنْدَ كُلِّ صَلَاةٍ.

211 - أَخْبَرَنَا عِيسَى بْنُ حَمَّادٍ قَالَ: حَدَّثَنَا اللَّيْثُ عَنْ يَزِيدَ بْنِ أَبِي حَبِيبٍ عَنْ بُكَيْرِ بْنِ عَبْدِ اللَّهِ عَنِ الْمُنْذِرِ بْنِ الْمُغِيرَةِ عَنْ عُرْوَةَ: أَنَّ فَاطِمَةَ بِنْتَ أَبِي حُبَيْشٍ حَدَّثَتْ أَنَّهَا أَتَتْ رَسُولَ اللَّهِ ﷺ فَشَكَتْ إِلَيْهِ الدَّمَ فَقَالَ لَهَا رَسُولُ اللَّهِ ﷺ: «إِنَّمَا ذَلِكَ عِرْقٌ فَاَنْظُرِي إِذَا أَتَاكَ قَرُوكِ فَلَا تُصَلِّي فَإِذَا مَرَّ قَرُوكِ فَتَطَهَّرِي ثُمَّ صَلِّي مَا بَيْنَ الْقَرَاءِ إِلَى الْقَرَاءِ». هَذَا الدَّلِيلُ عَلَى أَنَّ الْأَقْرَاءَ حَيْضٌ.

قَالَ أَبُو عَبْدِ الرَّحْمَنِ: وَقَدْ رَوَى هَذَا الْحَدِيثَ هِشَامُ بْنُ عُرْوَةَ عَنْ عُرْوَةَ وَلَمْ يَذْكُرْ فِيهِ مَا ذَكَرَ الْمُنْذِرُ.

212 - أَخْبَرَنَا إِسْحَاقُ بْنُ إِبْرَاهِيمَ قَالَ: أَخْبَرَنَا عَبْدُهُ وَوَكَيْعٌ وَأَبُو مُعَاوِيَةَ قَالُوا: حَدَّثَنَا هِشَامُ بْنُ عُرْوَةَ عَنْ أَبِيهِ عَنْ عَائِشَةَ قَالَتْ: جَاءَتْ فَاطِمَةُ بِنْتُ أَبِي حُبَيْشٍ إِلَى رَسُولِ اللَّهِ ﷺ فَقَالَتْ: إِنِّي أَمْرَأَةٌ أُسْتَحَاضُ فَلَا أَطْهَرُ أَفَادْعُ الصَّلَاةِ؟ قَالَ: «لَا إِنَّمَا ذَلِكَ عِرْقٌ وَلَيْسَ بِالْحَيْضَةِ فَإِذَا أَقْبَلَتِ الْحَيْضَةُ فَدَعِي الصَّلَاةَ وَإِذَا أَذْبَرَتْ فَاغْسِلِي عَنْكَ الدَّمَ وَصَلِّي».

### **[137] Taking Bath To Get Clean From The (Blood Of) Parturition**

214- It is narrated on the authority of Jabir that when Asma' Bint Umais (Abu Bakr's wife) was confined because of parturition while being at Dhul-Hulaifah, the Messenger of Allah "Allah's blessing and peace be upon him" told Abu Bakr to order her to take a bath and assume Ihram.

### **[138] The Distinction Between The Blood Of Menses And That Of The Persistent Bleeding From The Uterus**

215- It is narrated on the authority of Urwah Ibn Az-Zubair that Fatimah Bint Abu Hubaish had persistent bleeding from the uterus, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said to her: "When it is the blood of menses, it is black and it is distinguishable, and thus you should stop from prayer, and when it is the other, then you could perform ablution and offer prayer, for it is then caused by a blood vessel (and not by menses)."

216- It is narrated on the authority of A'ishah that Fatimah Bint Abu Hubaish used to get persistent bleeding from the uterus, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said to her: "If it is the blood of menses, it is famous for its blackness, and if it is the case, you should leave the prayer; and when (it finishes and gives room for) the other kind,, you should (take bath and) perform ablution and then offer the prayer, for in that case, it is just persistent bleeding from the uterus."

217- It is narrated on the authority of A'ishah: Fatimah Bint Abu Hubaish came to The Prophet "Allah's blessing and peace be upon him" and said: "O Allah's Apostle! I get persistent bleeding from the uterus and do not become clean. Shall I give up my prayers?" Allah's Apostle "Allah's blessing and peace be upon him" replied: "No, because it is from a blood vessel and not the menses. So when your real menses begins give up your prayers and when it finishes wash off the traces of the blood (by taking a bath) and offer your prayers"; and that is because it is from a blood vessel and not the menses. He (the narrator) was asked about taking bath, thereupon he said: "No one could have doubt as to that (i.e. that she should take bath)."

218- It is narrated on the authority of A'ishah: Fatimah Bint Abu Hubaish said to The Prophet "Allah's blessing and peace be upon him": "O Allah's Apostle! I do not become clean (because of the persistent bleeding from the uterus): Shall I give up my prayers?" Allah's Apostle "Allah's blessing and peace be upon him" replied: "No, because it is from a blood vessel and not the menses. So when your real menses begins give up your prayers and when

309- It is narrated on the authority of Abu Hurairah that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "If anyone of you is in prayer and he wants to spit he should spit neither in front of him nor on his right but he could spit either on his left or under his left foot, otherwise, let him spit (and the Messenger of Allah "Allah's blessing and peace be upon him" spat as such in his garment which he rubbed)."

### [194] What About Tayammum?

310- It is narrated on the authority of A'ishah that she said: We set out with Allah's Apostle "Allah's blessing and peace be upon him" on one of his journeys till we reached Al-Baida' or Dhatul-Jaish, where a necklace of mine was broken (and lost). Allah's Apostle "Allah's blessing and peace be upon him" stayed there in search for it, and so did the people along with him. The people had no water with them, and furthermore, there was no water at that place, so the people went to Abu Bakr and said: "Don't you see what A'ishah has done? She has made Allah's Apostle "Allah's blessing and peace be upon him" and the people stay where there is no water and they have no water with them." Abu Bakr came while Allah's Apostle "Allah's blessing and peace be upon him" was sleeping with his head on my thigh. He said to me: "You have detained Allah's Apostle "Allah's blessing and peace be upon him" and the people where there is no water and they have no water with them." A'ishah further added: So he admonished me, said what Allah wished him to say, and hit me on my flank with his hand. Nothing prevented me from moving (as a result of pain) but the position of Allah's Apostle "Allah's blessing and peace be upon him" on my thigh. Allah's Apostle "Allah's blessing and peace be upon him" got up when dawn broke and there was no water. So Allah revealed the Divine Verse of Tayammum. Accordingly, they all performed Tayammum. Usaid Ibn Hudair said: "This is not the first blessing of yours O the family of Abu Bakr!" A'ishah further said: Then the camel on which I was riding was caused to move from its place and the necklace was found beneath it.

### [195] Practicing Tayammum On Residence

**311-** It is narrated on the authority of Ibn Abbas that he said: I and Abdullah Ibn Yasar, the freed slave of Maimunah, the wife of the Messenger of Allah "Allah's blessing and peace be upon him", came to visit Abu Juhaim Ibn Al-Harith Ibn As-Summah Al-Ansari who said: Once, the Messenger of Allah "Allah's blessing and peace be upon him" came from the direction of Bir-Jamal, and a man met him and saluted him with peace, but the Messenger of Allah "Allah's blessing and peace be upon him" did not want (to return the greeting to him) until he came upon a wall, and wiped both his hands and face, and then he returned the greeting to him."

**312-** It is narrated on the authority of Abd Ar-Rahman Ibn Abza: I was sitting with Umar when a man came to him and said: "I've become in a state of ceremonial impurity, and I've found no water (to take bath)." Umar said to him: "Do not offer prayer (until you find water therewith to take bath and get clean)." Upon this, Ammar Ibn Yasir said to Umar Ibn Al-Khattab: "Do you remember, O Commander of The Believers, that you and I were together on a military expedition and we became in a state of ceremonial impurity (after sexual intercourse) and we had no water; and (you didn't pray but) I rolled myself in the ground and prayed? Then when we came to the Messenger of Allah "Allah's blessing and peace be upon him", and I informed him of that he "Allah's blessing and peace be upon him" said: "It would have been sufficient for you to do such and such!" he struck the earth with his hands and blew it (the dust) off them, then wiped his face and hands up to the elbows." Umar said to Ammar: "We would make you responsible for what you say."

**313-** It is narrated on the authority of Ammar Ibn Yasir that he said: I became in a state of ceremonial impurity while I was looking after the camels, and I found no water (to take bath), thereupon I rolled my body in the earth in the same way as an animal does, and when I came to the Messenger of Allah "Allah's blessing and peace be upon him" and told him of that he said: "Indeed, had you practiced Tayammum, it would have been sufficient for you."

### [196] Practicing Tayammum On Journey

**314-** It is narrated on the authority of Ammar Ibn Yasir that he said: Once, Allah's Apostle "Allah's blessing and peace be upon him" halted and spent the night with the army at a certain place, and he had A'ishah with him. A'ishah lost a necklace belonging to her, made from beads of Zifar, thereupon the people were detained (from departure) in search for this

## (196) - بَابُ التَّيْمُمِ فِي السَّفَرِ

314 - أَخْبَرَنِي مُحَمَّدُ بْنُ يَحْيَى بْنُ عَبْدِ اللَّهِ قَالَ: حَدَّثَنَا يَعْقُوبُ بْنُ إِبْرَاهِيمَ قَالَ: حَدَّثَنَا أَبِي عَنْ صَالِحٍ عَنْ ابْنِ شِهَابٍ قَالَ: حَدَّثَنِي عُبَيْدُ اللَّهِ بْنُ عَبْدِ اللَّهِ بْنِ عُتْبَةَ عَنْ ابْنِ عَبَّاسٍ عَنْ عَمَّارٍ قَالَ: عَرَسَ رَسُولُ اللَّهِ ﷺ بِأُولَاتِ الْجَيْشِ وَمَعَهُ عَائِشَةُ زَوْجَتُهُ فَأَنْقَطَعَ عَقْدُهَا مِنْ جَزَعِ ظَفَارِ فَحِيسِ النَّاسِ ابْتِغَاءَ عِقْدِهَا ذَلِكَ حَتَّى أَضَاءَ الْفَجْرُ وَلَيْسَ مَعَ النَّاسِ مَاءٌ فَتَغَيَّظَ عَلَيْهَا أَبُو بَكْرٍ فَقَالَ: حَبَسْتَ النَّاسَ وَلَيْسَ

Necklace of her until the dawn broke, and they had no water with them, which provoked the anger of Abu Bakr strongly with her, and said: "She has detained the people, and there is no water with them." On that occasion, Allah revealed the concession of purification with the clean earth. So, the Muslims stood up with the Messenger of Allah "Allah's blessing and peace be upon him" and struck the earth with their hands, and raised their hands grasping nothing of the dust, therewith they wiped their faces and the backs of their hands up to the shoulders, and from the palms of their hands up to the armpits.

### [197] Another Way Of Practicing Tayammum

315- It is narrated on the authority of Ammar Ibn Yasir that he said: We practiced Tayammum with the Messenger of Allah "Allah's blessing and peace be upon him" with the help of the earth: we wiped our faces and hands up to the shoulders.

### [198] A Different Way Of Practicing Tayammum

316- It is narrated on the authority of Abd Ar-Rahman Ibn Abza: I was sitting with Umar when a man came to him and said: "We sometimes spend a month or two in a place (where there is no water to take bath from ceremonial impurity: what should we do?)" Umar said to him: "As for me, I would not offer prayer unless I find water (to take bath from ceremonial impurity and perform ablution for the prayer)." Upon this, Ammar Ibn Yasir said to Umar Ibn Al-Khattab: "Do you remember, O Commander of The Believers, that you and I were together on such and such place, looking after camels, and we became in a state of ceremonial impurity (after sexual intercourse) and we had no water; and (you didn't pray but) I rolled myself in the ground and prayed? Then when we came to the Messenger of Allah "Allah's blessing and peace be upon him", (and I informed him ) he smiled and said: "It would have been sufficient for you to do such and such!" he struck the earth with his hands and blew it (the dust) off them, then wiped his face and hands up to half the arms." Umar said to Ammar: "Fear Allah O Ammar (and keep silent for perhaps you forgot because I was with you and did hear nothing of it)." Ammar replied: "If you like, by Allah, I would not tell anyone of it." Umar said: "No! We would make you responsible for what you say."

### [199] An Additional Way Of Practicing Tayammum

317- It is narrated on the authority of Abd Ar-Rahman Ibn Abza: I was sitting with Umar when a man came to him and sought his religious verdict pertaining to Tayammum, and he gave no reply to him thereupon

### **[200] One More Way Of Practicing Tayammum**

**318-** It is narrated on the authority of Abd Ar-Rahman Ibn Abza: I was sitting with Umar when a man came to him and said: "I've become in a state of ceremonial impurity, and I've found no water (to take bath)." Umar said to him: "Do not offer prayer (until you find water therewith to take bath and get clean)." Upon this, Ammar Ibn Yasir said to Umar Ibn Al-Khattab: "Do you remember, O Commander of The Believers, that you and I were together on a military expedition and we became in a state of ceremonial impurity (after sexual intercourse) and we had no water; and (you didn't pray but) I rolled myself in the ground and prayed? Umar said to Ammar: "We would make you responsible for what you say." Shu'bah says: Salamah used to relate: Both hands, face and both arms, until Mansur said to him one day: Consider what you say! None other than you makes a mention of the arms. On that Salamah fell in doubt and said: I do not know whether he did or did not mention the arms.

### **[201] One In The State Of Ceremonial Impurity Offers Tayammum**

**319-** It is narrated on the authority of Shaiq (Ibn Salamah): I was sitting with Abdullah (Ibn Mas'ud) and Abu Musa Al-Ash'ari when Abu Musa said to Abdullah : "Haven't you heard the statement of Ammar? He said: I was sent out by Allah's Apostle "Allah's blessing and peace be upon him" for some job and I became in the state of ritual impurity. I could not find water so I rolled myself over the dust (clean earth) like an animal does. When I returned and told the Messenger of Allah "Allah's blessing and peace be upon him" of that he said: "Like this would have been sufficient. " The Messenger of Allah "Allah's blessing and peace be upon him" (while saying so) lightly struck the earth with his hands once, and wiped both his hands, and then he shook them off dust and passed his left hand over the back of his

When we reached Sarif (a place ten miles from Mecca), I got my menses. Allah's Apostle "Allah's blessing and peace be upon him" came to me while I was weeping. He said: "What does cause you to weep O A'ishah? Have you got menses?" I answered in the affirmative, thereupon he said: "This is a thing, which Allah has ordained for the daughters of Adam. So do what all the pilgrims do with the exception of the Circumambulation round the House until you get clean."

Allah's Apostle "Allah's blessing and peace be upon him" replied: "It is just from a blood vessel (and not the menses). So when your real menses begins give up your prayers (and calculate the days a normal menses lasts) and when it finishes wash off the blood (by taking a bath) and offer your prayers in the period between one menses and another."

**367-** It is narrated on the authority of Anas Ibn Malik that he said: It was the habit among the Jews that when a woman menstruated, they did neither have food, nor did they live with her in the same house. So the Companions of The Prophet "Allah's blessing and peace be upon him" asked The Prophet "Allah's blessing and peace be upon him", and Allah, the Exalted revealed: "They ask you concerning women's courses. Say: they are a hurt and pollution, so keep away from women in their courses, and do not approach them until they are clean. But when they have purified themselves, you may approach them in any manner, time, or place ordained for you by Allah. For Allah loves those who turn to him constantly and he loves those who keep themselves pure and clean." (The Heifer "Al-Baqarah" <sup>222</sup>) The Messenger of Allah "Allah's blessing and peace be upon him" said: "Live with them in the houses, and do everything except sexual intercourse." Learnt that, The Jews said: "This man (the Messenger of Allah) wants to leave nothing we do but that he would oppose us in it." Usaid Ibn Hudair and Abbad Ibn Bishr came and said: "O Messenger of Allah! (Since the Jews say such-and-such thing) Shouldn't we have sexual relation with them during their menses (in opposition to what the Jews do)?" The (colour of the) face of The Messenger of Allah "Allah's blessing and peace be upon him" changed so much that we thought he became angry with them. But when they went out, they received a gift of milk sent to The Messenger of Allah "Allah's blessing and peace be

He mentioned to me that one of them, and I forgot who he was, asked him about that, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "This is the pre-seminal discharge: if anyone of you finds it, let him wash it away from his (penis), and perform ablution like that he performs for the prayer, or perform ablution like that of the prayer."

## (5) THE BOOK OF PRAYER

### [1] The Enjoinment Of Prayer

446- It is narrated on the authority of Anas Ibn Malik from Malik Ibn Sa'sa'ah: The Prophet "Allah's blessing and peace be upon him" said: "While I was at the House in a state midway between sleep and wakefulness, (an angel recognized me) as the man lying between two men. He took me with him. A golden tray full of wisdom and belief was brought to me. My body was cut open from the chest to the lower part of the Abdomen. Then, my heart was taken out and was washed with Zamzam water. Being restored to its natural location, it was filled with wisdom and belief. A beast (known as Buraq derived from lightning in speed), smaller than a mule and bigger than a donkey, was brought to me and I was carried on it. I set out with Gabriel. When we reached the nearest heaven (Gabriel asked for the gate to be opened and) it was said: "Who is it?" He said: "Gabriel." The gatekeeper asked: "Who is with you?" Gabriel said: "Muhammad." The gatekeeper asked: "Has he been sent?" Gabriel said: "Yes." Then it was said: "He is welcomed. What a wonderful visit his is!" Then I met Adam "Peace be upon him" and greeted him and he returned the greeting to me and said: "You are welcomed, O pious son and pious Prophet." Then we reached the second heaven (and Gabriel asked for the gate to be opened and) it was said: "Who is it?" Gabriel answered: "Gabriel." It was said: "Who is with you?" Gabriel replied: "Muhammad." It was said: "Has he been sent?" Gabriel answered in the affirmative. Then it was said: "He is welcomed. What a brilliant visit his is!" The gate was opened. When I went over the second heaven, there I saw Yahya (John) and Jesus and I greeted them and both of them returned back greetings to me and said: "You are welcomed, O pious brother and pious Prophet." Then we came up to the third heaven and (asked for its gate to be opened and) it was said: "Who is it?" Gabriel replied: "Gabriel." It was said: "Who is with you?" Gabriel replied: "Muhammad." It was said: "Has he been sent?" Gabriel replied in the affirmative. Then it was said: "He is welcomed, what a splendid visit his is!" The gate was opened, and when I went over the third heaven there I saw Joseph and I greeted him and he returned the greeting to me and said: "You are welcomed, O pious brother and pious Prophet." Then we came up to the fourth heaven and (asked for its gate to be opened and) it was said: "Who is it?" Gabriel replied: "Gabriel." It was said: "Who is with you?" Gabriel replied: "Muhammad." It was said: "Has he been sent?" Gabriel replied in the affirmative. Then it was said: "He is welcomed, what a brilliant visit his is!" The gate was opened, and when I went over the fourth heaven, there I saw Idris and I greeted him and he

returned the greeting to me and said: "You are welcomed, O pious brother and pious Prophet." Then we came up to the fifth heaven and (Gabriel asked for its gate to be opened and) it was said: "Who is it?" Gabriel replied: "Gabriel." It was said: "Who is with you?" Gabriel replied: "Muhammad." It was said: "Has he been sent?" Gabriel replied in the affirmative. Then it was said: "He is welcomed, what a splendid visit his is!" So when I went over the fifth heaven, there I saw Aaron and I greeted him and he returned the greeting to me and said: "You are welcomed, O pious brother and pious Prophet." Then we ascended to the sixth heaven and (Gabriel asked for its gate to be opened and) it was said: "Who is it?" Gabriel replied: "Gabriel." It was said: "Who is with you?" Gabriel replied: "Muhammad." It was asked: "Has he been sent?" Gabriel replied in the affirmative. It was said: "He is welcomed. What an admirable visit his is!" When I went (over the sixth heaven), there I saw Moses and I greeted him and he returned the greeting to me and said: "You are welcomed, O pious brother and pious Prophet." When I left him (Moses) he wept. He was asked: "What makes you weep?" Moses said: "O Lord! the young man whom You've sent (as Prophet) after me will have his followers enter Paradise in greater numbers than my followers." Then we ascended to the seventh heaven and (Gabriel asked for its gate to be opened and) it was said: "Who is it?" Gabriel replied: "Gabriel." It was said: "Who is with you?" Gabriel replied: "Muhammad." It was said: "Has he been sent?" Gabriel replied in the affirmative. Then it was said: "He is welcomed. What an outstanding visit his is!" So when I went (over the seventh heaven), there I saw Abraham and I greeted him and he returned the greeting to me and said: "You are welcomed, O pious son and pious Prophet." Then the Sacred populous House was shown to me. I asked Gabriel (about it) and he said: "This is the Sacred Populous House, in which seventy thousand angels offer prayer every day, and when they come out of it, they never return to it." Then I was made to ascend to the furthest Lote Tree (beyond which none could pass). Behold! Its fruits were like the jars of Hajar (A place near Medina) and its leaves were as big as the ears of elephants. Behold! There stem from its base four rivers, two hidden and two visible. I asked: "What are these two kinds of rivers, O Gabriel?" He replied: "As for the hidden rivers, they are two rivers in Paradise and the visible rivers are the Euphrates and the Nile." Then the prayers were enjoined on me: They were fifty prayers a day. When I returned, I passed by Moses who asked (me): "What have you been ordered to do?" I replied: "I have been ordered to offer fifty prayers a day." Moses said: "Indeed, I have better knowledge of the people than you have, and I did my best with the children of Israel (but in vain), and Your followers cannot bear fifty prayers a day,

فَقَالَ: مَرْحَبًا بِكَ مِنْ أَخٍ وَنَبِيِّ، ثُمَّ أَتَيْنَا السَّمَاءَ الْخَامِسَةَ فَمِثْلُ ذَلِكَ فَأَتَيْتُ عَلَى هَارُونَ عَلَيْهِ السَّلَامُ فَسَلَّمْتُ عَلَيْهِ قَالَ: مَرْحَبًا بِكَ مِنْ أَخٍ وَنَبِيِّ، ثُمَّ أَتَيْنَا السَّمَاءَ السَّادِسَةَ فَمِثْلُ ذَلِكَ ثُمَّ أَتَيْتُ عَلَى مُوسَى عَلَيْهِ السَّلَامُ فَسَلَّمْتُ عَلَيْهِ فَقَالَ: مَرْحَبًا بِكَ مِنْ أَخٍ وَنَبِيِّ فَلَمَّا جَاوَزْتُهُ بَكَى قِيلَ: مَا يُبْكِيكَ؟ قَالَ: يَا رَبِّ هَذَا الْغُلَامُ الَّذِي بَعَثْتُهُ بَعْدِي يَدْخُلُ مِنْ أُمَّتِهِ الْجَنَّةَ أَكْثَرُ وَأَفْضَلُ مِمَّا يَدْخُلُ مِنْ أُمَّتِي، ثُمَّ أَتَيْنَا السَّمَاءَ السَّابِعَةَ فَمِثْلُ ذَلِكَ فَأَتَيْتُ عَلَى إِبْرَاهِيمَ عَلَيْهِ السَّلَامُ فَسَلَّمْتُ عَلَيْهِ فَقَالَ: مَرْحَبًا بِكَ مِنْ ابْنٍ وَنَبِيِّ ثُمَّ رَفَعَ لِي الْبَيْتُ الْمَعْمُورُ فَسَأَلْتُ جِبْرِيلَ؟ فَقَالَ: هَذَا الْبَيْتُ الْمَعْمُورُ يُصَلِّي فِيهِ كُلَّ يَوْمٍ سَبْعُونَ أَلْفَ مَلِكٍ فَإِذَا خَرَجُوا مِنْهُ لَمْ يَعُودُوا فِيهِ آخِرَ مَا عَلَيْهِمْ ثُمَّ رَفَعْتُ لِي سِدْرَةُ الْمُنْتَهَى فَإِذَا نَبَقُهَا مِثْلُ قِلَالٍ هَجَرٍ وَإِذَا وَرَقُهَا مِثْلُ آذَانِ الْفِيلَةِ وَإِذَا فِي أَصْلِهَا أَرْبَعَةُ أَنْهَارٍ نَهْرَانِ بَاطِنَانِ وَنَهْرَانِ ظَاهِرَانِ فَسَأَلْتُ جِبْرِيلَ؟ فَقَالَ: أَمَّا الْبَاطِنَانِ فَفِي الْجَنَّةِ وَأَمَّا الظَّاهِرَانِ فَالْفُرَاتُ وَالنَّيْلُ، ثُمَّ فُرِضَتْ عَلَيَّ خَمْسُونَ صَلَاةً فَأَتَيْتُ عَلَى مُوسَى فَقَالَ: مَا صَنَعْتَ؟ قُلْتُ: فُرِضَتْ عَلَيَّ خَمْسُونَ صَلَاةً قَالَ: إِنِّي أَعْلَمُ بِالنَّاسِ مِنْكَ إِنِّي عَالِجْتُ بَنِي

Go back to your Lord and ask for reduction to lessen the burden of your followers." So I went back, and Allah reduced them to forty prayers. Then again I came to Moses, and he asked me: "What have you done?" I said: "He (Allah) reduced them to forty." But he repeated the same as he had said before. Then again I went back to Allah and He reduced them to thirty prayers. When I came back to Moses and told him of that and he said the same, I went back to Allah and He reduced them to twenty, then to ten, and then to five prayers (a day). When I came back to Moses (and told him), he said to me the same as his first statement, thereupon I said: "I feel shy of asking my Lord for more (reduction)." Then it was called: "I have passed My Order and have lessened the burden of My Worshipers; and I reward every good deed as much as ten times the like of it."

447- It is narrated on the authority of Anas Ibn Malik that he said: The Prophet "Allah's blessing and peace be upon him" said: "Then Allah enjoined fifty prayers on my followers. When I returned with this order of Allah, I passed by Moses who asked me: "what has Allah enjoined on your followers?" I replied: "He has enjoined fifty prayers on them." Moses said: Go back to your Lord (and appeal for reduction) for your followers will not be able to bear it." Therefore, I went back to Allah and requested for reduction. He cut it to half. When I passed by Moses again and informed him about it, he said: "Go back to your Lord, as your followers will not be able to bear it." So, I returned to Allah and requested for further reduction. (A further reduction was made) and He said: "These are five prayers and they are all (equal to) fifty (in reward) for My Word does not change. I returned to Moses and he said to me: "go back to your Lord once again." I replied: "Now I feel shy of asking my Lord (for further reduction)."

448- It is narrated on the authority of Anas Ibn Malik that he said: The Prophet "Allah's blessing and peace be upon him" said: "A beast, bigger than a donkey and smaller than a mule, whose steps were as long as the furthest point its sight could reach, was brought to me and I rode it in the company of Gabriel. I proceeded on until he asked me to dismount and offer prayer, and I did accordingly. He asked me: "Do you know where you've offered prayer? You've offered prayer in Taibah (Medina) to which your migration would be." he asked me to dismount and offer prayer once again, and I did accordingly. He asked me: "Do you know where you've offered prayer? You've offered prayer in the Mount of Sinai, where Allah Almighty talked direct to Moses "Peace be upon him"." he asked me to dismount and offer prayer, and I did accordingly. He asked me: "Do you know where you've offered prayer? You've offered prayer in Bethlehem where Jesus "Peace be upon him" was born." Then, I entered (the Farthest mosque in) Jerusalem,

448 - أَخْبَرَنَا عَمْرُو بْنُ هِشَامٍ قَالَ: حَدَّثَنَا مُحَمَّدٌ عَنْ سَعِيدِ بْنِ عَبْدِ الْعَزِيزِ قَالَ: حَدَّثَنَا يَزِيدُ بْنُ أَبِي مَالِكٍ قَالَ: حَدَّثَنَا أَنَسُ بْنُ مَالِكٍ أَنَّ رَسُولَ اللَّهِ ﷺ قَالَ: «أُتِيتُ بِدَابَّةٍ فَوْقَ الْحِمَارِ وَدُونَ الْبُغْلِ خَطُوهَا عِنْدَ مُنْتَهَى طَرَفِهَا فَرَكِبْتُ وَمَعِيَ جَبْرِيلُ عَلَيْهِ السَّلَامُ فَسِرْتُ فَقَالَ: أَنْزِلْ فَصَلِّ فَفَعَلْتُ فَقَالَ: أَتَدْرِي أَيْنَ صَلَّيْتَ؟! صَلَّيْتَ بِطَيْبَةٍ وَإِلَيْهَا الْمُهَاجِرُ ثُمَّ قَالَ: أَنْزِلْ فَصَلِّ فَصَلَّيْتُ فَقَالَ: أَتَدْرِي أَيْنَ صَلَّيْتَ؟! صَلَّيْتَ بِطُورِ سِنَاءٍ حَيْثُ كَلَّمَ اللَّهُ عَزَّ وَجَلَّ مُوسَى عَلَيْهِ السَّلَامُ ثُمَّ قَالَ: أَنْزِلْ فَصَلِّ فَزَلَّيْتُ فَقَالَ أَتَدْرِي أَيْنَ صَلَّيْتَ؟! صَلَّيْتَ بِبَيْتِ لَحْمٍ حَيْثُ وُلِدَ عِيسَى عَلَيْهِ السَّلَامُ، ثُمَّ دَخَلْتُ بَيْتَ الْمُقَدِّسِ فَجُمِعَ لِي الْأَنْبِيَاءُ عَلَيْهِمُ

and all the Prophets (who were sent before me) were gathered for me, and Gabriel brought me forward until I led them in prayer. Then, I was made to ascend to the nearest heaven, and behold! there was Adam "Peace be upon him". I was then made to ascend to the second heaven and behold! there were both cousins, Jesus and John "Peace be upon them". I was made to ascend to the third heaven, and behold! there was Joseph "Peace be upon him". I was made to ascend to the fourth heaven, and behold! there was Aaron "Peace be upon him". I was made to ascend to the fifth heaven, and behold! there was Idris "Peace be upon him". I was made to ascend to the sixth heaven, and behold! there was Moses "Peace be upon him". I was made to ascend to the seventh heaven, and behold! there was Abraham "Peace be upon him". Then, I was made to ascend above the seventh heaven until we came upon the Farthest Lot-Tree (beyond which none could pass)." A cloud covered me and I fell in prostration. It was said to me: "On the very day I've created both the heavens and the earth, I've enjoined upon you and your nation fifty prayers (to be offered a day): so, let you and your nation undertake them!" I returned to Abraham, and he did not ask me about anything. I came upon Moses who asked me: "How many prayers has your Lord enjoined upon you and your nation?" I said: "Fifty prayers (to be offered a day)." He said: "Indeed, neither you nor your nation could have power to carry them out: so, go back to your Lord and ask Him for reduction." I went back to my Lord Who reduced ten for me. I came upon Moses who told me to go back (to my Lord for more reduction), and I went back to Him and He reduced more ten for me. Finally, they were reduced to five prayers (to be offered a day), thereupon he (Moses) said to me: "Go back to your Lord and ask Him for more reduction: however, He enjoined only two prayers (to be offered a day) upon the children of Israel; and even though they failed to undertake them." I went back to my Lord and asked Him for more reduction, thereupon He said: "On the very day I've created both the heavens and the earth, I've enjoined upon you and your nation fifty prayers (to be offered a day): let them then be five (to be offered a day even though they stand) for fifty (in reward). So, let you and your nation undertake them!" I came to know that this was a Decree by Allah Almighty which must be accomplished. I returned to Moses (and told him) and he said to me: "Go back to your Lord!" but, I came to know that this was a Decree by Allah Almighty which must be accomplished; and thus I did not return.

449- It is narrated on the authority of Abdullah that when The Messenger of Allah "Allah's blessing and peace be upon him" was taken to the Night journey, he was made to ascend to the Farthest Lote, which is situated on the sixth heaven, where there terminates everything that comes up from the earth

He (the narrator) added: The Messenger of Allah "Allah's blessing and peace be upon him" was given three (things): five prayers (everyday), the last verses of The Surah of the Heifer "Al-Baqarah", and a forgiveness (by erasing) the destructive sins for those of his (Muslim) nation, who associate nothing (in worship) with Allah.

### **[2] Where Was The Prayer Enjoined?**

450- It is narrated on the authority of Anas that the prayer was enjoined (while the Prophet was) in Mecca: two angels came to the Messenger of Allah and took him to Zamzam, where they split open his belly and brought out his abdominal contents in a tray of gold, and washed that with the water of Zamzam, and then they stuffed his inside with wisdom and knowledge.

### **[3] How Was The Prayer Enjoined?**

451- It is narrated on the authority of A'ishah that she said: When the prayer was enjoined at first, it was of two rak'ahs (to be performed for each prayer, whether on residence or on journey); and then the prayer on journey remained as such, while the prayer on residence was increased (to such of rak'ahs as differ in number according to the different prayers).

452- It is narrated on the authority of Al-Awza'i that he asked Az-Zuhri about the prayer of the Messenger of Allah "Allah's blessing and peace be upon him" in Mecca before his migration to Medina, thereupon he said to him: Urwah Ibn Az-Zubair narrated that A'ishah said: When Allah enjoined the prayer first on his Messenger, it was of two Rak'ahs for each (prayer). Then, He completed it up to four rak'ahs on residence (i.e. Zhuhr, Asr and Isha'), and the prayer on journey remained as it was enjoined at first.

453- It is narrated on the authority of Urwah that A'ishah told that when the prayer was enjoined at first, it consisted of two rak'ahs for each (prayer). The prayer on journey remained the same, while the prayer in residence was completed.

454- It is narrated on the authority of Ibn Abbas that he said: The prayer was enjoined on the tongue of the Messenger of Allah "Allah's blessing and peace be upon him" (to be offered) in form of four rak'ahs on residence, two rak'ahs on journey, and one rak'ah at (the time of) fear.

455- It is narrated on the authority of Umayyah Ibn Abdullah Ibn Khalid Ibn Asid that he asked Ibn Umar: "How should the prayer be shortened (on

#### **[4] How Many Prayers Have Been Enjoined Every Day And Night?**

**456-** It is narrated on the authority of Talhah Ibn Ubaidullah that he said: a man, with unkempt hair, from the people of Najd, came to The Messenger of Allah "Allah's blessing and peace be upon him". The humming of his voice was heard, though what he had been saying was unclear. Then, he came close to The Messenger of Allah "Allah's blessing and peace be upon him". It was then (clear) that he was asking about Islam. The Messenger of Allah "Allah's blessing and peace be upon him" said: "Five prayers during the day and the night." He said: "Am I in need to offer more besides these (prayers)?" He (The Prophet) said: "No, except if you wanted to pray voluntarily. (You should also observe) the fasts of (the month of) Ramadan." The man asked: "Am I forced to observe more in addition to it?" He (The Prophet) said: "No, except if you wanted to do voluntarily." The Messenger of Allah "Allah's blessing and peace be upon him" told him about the obligatory charity. The man asked: "Have I to pay more than that?" He (The Prophet) said: "No, except if you wanted to pay voluntarily." The man turned back while he was saying: "I will neither add more to this, nor will I decrease anything from it." The Prophet "Allah's blessing and peace be upon him" commented: "He will be prosperous, if he is true (to what he said)."

**457-** It is narrated on the authority of Anas that he said: A man asked the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! How many prayers has Allah enjoined upon His servants (to be offered every day and night)?" the Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah Almighty has enjoined five prayers upon His servants (to be performed every day and night)." The man asked: "O Messenger of Allah! Is there any more before or after them?" the Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah Almighty has enjoined five prayers upon His servants (to be performed every day and night)." The man then took oath not to add more to, nor to reduce anything from that. On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If this (man) proves true (to what he says) he will enter the Garden."

### [5] Giving The Pledge Of Allegiance To Offer The Five Prayers

458- It is narrated on the authority of Awf Ibn Malik Al-Ashja'i that he said: We were sitting with the Messenger of Allah "Allah's blessing and peace be upon him", and he said to us: "Should you not give the pledge of allegiance to the Messenger of Allah "Allah's blessing and peace be upon him"?" he said it thrice after which we stretched our hands and gave him the pledge of allegiance. Then we said: "O Messenger of Allah! We had given you the pledge of allegiance (earlier): then, for which (more) should we give you the pledge of allegiance (once again)?" on that he said: "To worship Allah (Alone) and not ascribe anything to Him (in service), to establish the five (obligatory) prayers (in congregation), (and he said a word in secrecy after which he said) and to beg nothing from the people."

### [6] Guarding Strictly The Five (Obligatory) Prayers

459- It is narrated on the authority of Ibn Muhairiz that a man from Kinanah called Al-Mukhdaji heard a man from the inhabitants of Sham called Abu Muhammad having said: "The Witr prayer is obligatory." Al-Mukhdaji said: Very soon, I went to Ubadah Ibn As-Samit and met him while he was going to the mosque, and told him of what Abu Muhammad had said, thereupon Ubadah Ibn As-Samit said: Abu Muhammad has told a lie. I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "There are five (obligatory) prayers (every day, i.e. 24 hours) enjoined by Allah Almighty upon His servants: he, who offers them at their due time, with perfect rak'ahs and willing submission, with no indulgence in anyone of them out of regarding them slightly, has a pledge from Allah to admit him to the Garden; and he who does not do has no pledge from Allah: If he so likes, He will punish him, and if He so likes, He will admit him to the Garden."

### [7] The Excellence Of The Five Prayers

460- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Tell me: if anyone of you has a flowing stream in the courtyard of his house, in which he takes bath five times a day: does anything of his dirt remain on his body?" They said: "Nothing of dirt remains on his body." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "As such is the example of the five (obligatory) prayers, therewith Allah Almighty removes the sins (in the same way as water removes the dirt)."

If anything is missing in the obligation, (Allah Almighty) will say (to His angels): "Look whether My servant has any voluntary (prayers), with which you might complete what is missing in his obligation." Then, all of his deeds will be dealt with like this."

When I reached it, I informed her and she dictated to me (the following): "Guard strictly the prayers and (particularly) the middle prayer and the Afternoon (Asr) prayer, and stand up devoutly obedient to Allah".

493 - أَخْبَرَنَا كَثِيرُ بْنُ عُبيدٍ قَالَ: حَدَّثَنَا مُحَمَّدُ بْنُ حَرْبٍ عَنِ الزُّبَيْدِيِّ عَنِ الزُّهْرِيِّ قَالَ: أَخْبَرَنِي أَنَسُ: «أَنَّ رَسُولَ اللَّهِ ﷺ خَرَجَ حِينَ زَاغَتِ الشَّمْسُ فَصَلَّى بِهِمْ صَلَاةَ الظُّهْرِ».

### **[3] Hastening To Offer Zhuhr Prayer On Journey**

495- It is narrated on the authority of Anas that he said: Whenever the Messenger of Allah “Allah’s blessing and peace be upon him” halted at a certain station (before the due time of Zhuhr prayer while being on journey), he would not leave it until he offered Zhuhr prayer. He was asked: Even though it was at midday? He said: Even though it was at midday.

### **[4] Hastening To Offer Zhuhr Prayer When It Is Cold**

496- It is narrated on the authority of Anas that he said: Whenever it was very hot, the Messenger of Allah “Allah’s blessing and peace be upon him” would delay the (Zhuhr) prayer until it would be cooler; and whenever it was cold, the Messenger of Allah “Allah’s blessing and peace be upon him” would hasten to offer (Zhuhr) prayer.

### **[5] Delaying Zhuhr Prayer When It Is Very Hot Until It Is Cool**

497- It is narrated on the authority of Abu Hurairah that he said: the Messenger of Allah “Allah’s blessing and peace be upon him” said: "When it is very hot, delay offering (Zhuhr) prayer until it becomes cooler, for indeed, the scorching heat is from the exhalation of (the fire of) Hell."

498- It is narrated on the authority of Abu Musa, tracing it up to the Messenger of Allah, that he said: "Offer Zhuhr prayer when it is much cooler, for such scorching heat as you feel (just when the sun declines) is from the exhalation of (the fire of) Hell."

### **[6] The Last Portion Of The Due Time Of Offering Zhuhr Prayer**

499- It is narrated on the authority of Abu Hurairah : The Messenger of Allah “Allah’s blessing and peace be upon him” said: “This is Gabriel “Peace be upon him” and he has come to instruct you in your religion. He led the Morning prayer when the dawn broke (and such as intends to observe fast would stop from having food and drink); then he led Zhuhr prayer just when the sun passed the meridian (and came to be as small as a strap); then he led the Asr prayer just when he saw his shade like him; and he led the Maghrib prayer when the sun disappeared and it was time for the fasting to break his fast; and he led the Isha prayer when the twilight disappeared. When it was the coming day, he came to him and led the Morning prayer

499 - أَخْبَرَنَا الْحُسَيْنُ بْنُ حُرَيْثٍ قَالَ: أَنْبَأَنَا الْفَضْلُ بْنُ مُوسَى عَنْ مُحَمَّدِ بْنِ عَمْرٍو عَنْ أَبِي سَلَمَةَ عَنْ أَبِي هُرَيْرَةَ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «هَذَا جَبْرِيلُ عَلَيْهِ السَّلَامُ جَاءَكُمْ يَعْلَمُكُمْ دِينَكُمْ» فَصَلَّى الصُّبْحَ حِينَ طَلَعَ الْفَجْرُ وَصَلَّى الظُّهْرَ حِينَ زَاغَتِ الشَّمْسُ ثُمَّ صَلَّى الْعَصْرَ حِينَ رَأَى الظِّلَّ مِثْلَهُ ثُمَّ صَلَّى الْمَغْرِبَ حِينَ غَرَبَتِ الشَّمْسُ وَحَلَّ فِطْرُ الصَّائِمِ ثُمَّ صَلَّى الْعِشَاءَ حِينَ ذَهَبَ شَفَقُ اللَّيْلِ ثُمَّ جَاءَهُ الْعَدَدُ فَصَلَّى بِهِ الصُّبْحَ حِينَ أَسْفَرَ قَلِيلًا ثُمَّ صَلَّى بِهِ الظُّهْرَ حِينَ كَانَ الظِّلُّ مِثْلَهُ ثُمَّ صَلَّى الْعَصْرَ حِينَ كَانَ الظِّلُّ مِثْلَهُ ثُمَّ

when the morning was clear; then he led the Zhuhr prayer when his shade was like him; and he led the Asr prayer when his shade was twice like him; then he led the Maghrib prayer just at the same time (of the earlier day) i.e. when the sun disappeared and it was time for the fasting to break his fast; and he led the Isha prayer when one-third the night passed. Then, he said: "The time (of offering prayer for you and your nation) lies within the limits of both extremes of time of your prayer yesterday and today."'''

**500-** It is narrated on the authority of Abdullah Ibn Mas'ud that he said: The shade (at the time of) the (Zhuhr) prayer offered by the Messenger of Allah "Allah's blessing and peace be upon him" was as much as three to five feet in the summer, and as much as five to seven in the winter.

### **[7] The First Portion Of The Due Time Of Offering Asr Prayer**

**501-** It is narrated on the authority of Jabir that he said: A man asked the Messenger of Allah "Allah's blessing and peace be upon him" about the stated fixed times of offering (obligatory) prayers, thereupon he said to him: "Offer prayer with us (so that you would learn the due times of offering prayers)." He offered Zhuhr prayer when the sun declined (and passed the meridian), Asr prayer when the shade of everything was like it, Maghrib prayer when the sun disappeared, Isha prayer when the twilight disappeared. (On the coming day) he offered Zhuhr prayer when the shade of everything was like it, Asr prayer when the shade of man was twice like him, Maghrib prayer a short time before the disappearance of the twilight. Abdullah Ibn Al-Harith said concerning Isha prayer: I think (he delayed it) to the third of the night.

### **[8] Hastening To Offer Asr Prayer**

**502-** It is narrated on the authority of A'ishah that the Messenger of Allah "Allah's blessing and peace be upon him" offered Asr prayer while the (shade of the) sun was still in her chamber, and its shade had not risen (up as high on the walls) of her chamber. It is further narrated on the authority of A'ishah that the Messenger of Allah "Allah's blessing and peace be upon him" offered Asr prayer while the (shade of the) sun was still in her chamber, and its shade had not risen (up as high on the walls) of her room.

**503-** It is narrated on the authority of Anas that the Messenger of Allah "Allah's blessing and peace be upon him" used to offer Asr prayer (as early as it could be that) one might go to Quba' and arrive there to find them still in prayer, and the sun was still high (and bright).

**504-** It is narrated on the authority of Anas that the Messenger of Allah "Allah's blessing and peace be upon him" used to offer Asr prayer while the

503 - أَخْبَرَنَا سُؤَيْدُ بْنُ نَصْرٍ قَالَ: أَنْبَأَنَا عَبْدُ اللَّهِ عَنْ مَالِكٍ قَالَ: حَدَّثَنِي

sun was still high and bright, and one might go to the Heights (of Medina after offering prayer and arrive there) while the sun was still high and bright.

**505-** It is narrated on the authority of Anas Ibn Malik that he said: the Messenger of Allah "Allah's blessing and peace be upon him" used to lead us in Asr prayer while the sun was still bright and high.

**506-** It is narrated on the authority of Abu Umamah Ibn Sahl that he said: We offered Zhuhr prayer with Umar Ibn Abd Al-Aziz and then came to visit Anas Ibn Malik, and found him offering Asr prayer. (When he finished) I asked him: "O uncle! What is that prayer you have offered?" he said: "It is Asr prayer; and this is (the time at which) the Messenger of Allah "Allah's blessing and peace be upon him" used to offer Asr prayer and we used to offer with him.

**507-** It is narrated on the authority of Abu Salamah that he said: We offered (Zhuhr) prayer during the time Umar Ibn Abd Al-Aziz (was the governor of Medina) and then we went to Anas Ibn Malik and found him praying. When he (finished and) turned away he asked us: "Have you offered prayer?" we said: "We've offered Zhuhr prayer." On that he said: "I've offered Asr prayer." They said to him: "You've hastened to offer it (before its due time)." He said: "I just offer prayer (at the very time and) in the same way I saw my companions praying (during the lifetime of the Prophet)."

#### **[9] The Severe Warning Of Delaying Asr Prayer**

**508-** It is narrated on the authority of Al-Ala' Ibn Abd Ar-Rahman that he went to visit Anas Ibn Malik at his house in Basra, after he had finished from Zhuhr prayer, and his (Anas's) house was by the side of the mosque. He said: When we entered upon him he asked us: "Have you offered Asr prayer?" we said: "No, for we've just finished from Zhuhr prayer." He asked us to offer Asr prayer, and we stood and offered Asr prayer. When we (finished from the prayer and) turned away, he said: No doubt, I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "This (prayer one offers late) is the prayer of a hypocrite! He would sit (and do not offer the prayer in its due time) until when the sun would be yellow and become between both horns of the devil, he would stand and offer (four rak'ahs as short and light as if they are) four clicks, in which he would not celebrate Allah Almighty but little."

**509-** It is narrated on the authority of Ibn Umar that he heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "He, who misses Asr prayer seems as if he is cut off (deprived of) his family and property."

### [10] The Last Portion Of The Due Time Of Offering Asr Prayer

510- It is narrated on the authority of Jabir Ibn Abdullah that Gabriel came to the Messenger of Allah "Allah's blessing and peace be upon him" to show to him the stated fixed times of offering (obligatory) prayers: Gabriel led the prayer and the Messenger of Allah "Allah's blessing and peace be upon him" stood behind him, and the people stood behind the Messenger of Allah "Allah's blessing and peace be upon him", and offered Zhuhr prayer when the sun had declined. He came to him when his shade was like him and did the same. Gabriel led the prayer and the Messenger of Allah "Allah's blessing and peace be upon him" stood behind him, and the people stood behind the Messenger of Allah "Allah's blessing and peace be upon him" and offered Asr prayer. Then he came to him when the sun set, and Gabriel led the prayer and the Messenger of Allah "Allah's blessing and peace be upon him" stood behind him and the people stood behind the Messenger of Allah "Allah's blessing and peace be upon him" and offered Maghrib prayer. He came to him when the twilight disappeared and Gabriel led the prayer and the Messenger of Allah "Allah's blessing and peace be upon him" stood behind him, and the people stood behind the Messenger of Allah "Allah's blessing and peace be upon him" and offered Isha prayer. Then, he came to him when the dawn broke and Gabriel led the prayer and the Messenger of Allah "Allah's blessing and peace be upon him" stood behind him and the people stood behind the Messenger of Allah "Allah's blessing and peace be upon him" and offered Morning prayer. He came to him on the coming day when one's shade was like him and did the same as he had done the day before, and offered Zhuhr prayer. He came to him when one's shade was twice like him and did the same as he had done the day before and offered Asr prayer. Then he came to him when the sun set and did the same as he had done the day before and offered Maghrib prayer. Then, we slept, then woke up, then slept once again, then woke up before he came to him and did the same as he had done the day before and offered Isha prayer. Then he came to him when the dawn was so bright and (by the time he finished from the prayer) the morning rose that the stars seemed visible and intermingled (in the sky) and did the same as he had done the day before and offered Morning prayer. Then he said: "The time (of your obligatory prayers) lies between both extremes."

ordered (Bilal to announce the call for the Evening prayer) and the establishment for the evening (Maghrib) prayer was pronounced after the farthest end of the sun disk had set. He ordered him (to announce the Adhan for Isha prayer) and the establishment for the night (Isha) prayer was pronounced When the twilight had disappeared. On the next day, he ordered him to delay Fajr (prayer) until it was clear daylight, and to delay the Noon (Zhuhr) prayer till the extreme heat had passed and he prolonged (the period of delay) till it became cooler. He performed the Afternoon (Asr) prayer when the sun was high, sometime later than the time he had performed it (on the prior day). He offered the Evening (Maghrib) prayer a short time before the twilight had faded away. He ordered him (Bilal) to pronounce Iqamah for the Night (Isha) prayer when the (first) third of the night had passed, and then he prayed it. Then, He (The Prophet) said: "Where is the man who asked about the time of prayer? The time for your prayer is within the limits of what you saw" (i.e. between the extremes of the beginning of the time of each prayer as shown on the first day, and the conclusion of the time as shown on the other day).

### **[13] Hastening To Offer Maghrib Prayer**

517- It is narrated on the authority of Hassan Ibn Bilal from a man belonging to the tribe of Aslam from amongst the companions of the Messenger of Allah "Allah's blessing and peace be upon him", that they used to offer Maghrib prayer with the Messenger of Allah "Allah's blessing and peace be upon him" (so much early that) when they returned to their families at the farthest end of Medina, and shot arrows, they would be able to see the very locations their arrows would reach.

### **[14] Delaying Maghrib Prayer**

518- It is narrated on the authority of Abu Basrah Al-Ghifari that he said: Once, the Messenger of Allah "Allah's blessing and peace be upon him" led us in Asr prayer at (a place called) Mukhammas, and then he said: "No doubt, this prayer was offered to such as before you but they wasted it, even though he, who guards it strictly will have a double reward. To be sure, there is no prayer (to be offered) after it until the star appears (referring to the disappearance of the sun)."

### **[15] The Last Portion Of The Due Time Of Offering Maghrib Prayer**

519- It is narrated on the authority of Abdullah Ibn Amr that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The time of offering Zhuhr prayer is effective as long as (the time of offering) Asr prayer does not enter; and the time of offering Asr prayer is effective as

520- It is narrated on the authority of Abu Musa that once, a man asked the Messenger of Allah “Allah’s blessing and peace be upon him” about the time of the prayer, but he gave no reply to him until he ordered Bilal (to announce the Adhan for Fajr) and the establishment for the morning (Fajr) prayer was pronounced, when the dawn had broken, (and he offered the Fajr prayer when it was very dark). Then, he ordered Bilal to (announce the call for Zhuhr prayer) and the establishment for the Noon (Zhuhur) prayer was pronounced when the sun passed the meridian, and somebody said: “It was midday”; and he had better knowledge. Then, he ordered Bilal (to announce the call for Asr prayer) and the establishment for the afternoon (Asr) prayer was pronounced when the sun was high, white and clear. He ordered (Bilal to announce the call for the Evening prayer) and the establishment for the evening (Maghrib) prayer was pronounced, just when the sun set. He ordered Bilal (to announce the Adhan for Isha prayer) and the establishment for the night (Isha) prayer was pronounced When the twilight just disappeared. On the next day, he delayed offering Fajr prayer until (it was clear daylight to the extent that) when he turned away we said (to one another): “Has the sun risen?” then, the Noon (Zhuhur) prayer was established a short while before the time he offered the Asr prayer on the previous day. He delayed offering the Afternoon (Asr) prayer to the extent that when he turned away we said(to one another): "Has the sun turned red?" He delayed offering the Evening (Maghrib) prayer until it was the time of the fall of twilight. He delayed offering the Night (Isha) prayer until the (first) third of the night passed. Then, He (The Prophet) said: “The time for your prayer lies within the limits of both extremes of time.” (i.e. between the extremes of the beginning of the time of each prayer as shown on the first day, and the conclusion of the time as shown on the other day).

521- It is narrated on the authority of Al-Husain Ibn Bashir Ibn Sallam from his father that he said: I and Muhammad Ibn Ali came to visit Jabir Ibn Abdullah and asked him to tell us of the prayer of the Messenger of Allah “Allah’s blessing and peace be upon him”, and this was during the time of Al-Hajjaj Ibn Yusuf. He said: the Messenger of Allah “Allah’s blessing and peace be upon him” came out and led Zhuhr prayer when the sun declined,

On the next day, he led Zhuhr prayer when the shade was as long as the height of a man; then he led Asr prayer when the shade was twice like a man as long as a rider might walk at a speed pace towards Dhul-Hulaifah; then he led Maghrib prayer when the sun disappeared; then he led Isha prayer when it was third of the night or midnight (Zaid is in doubt); and then he led Morning prayer when it was clear daylight.

### **[16] It Is Undesirable To Sleep After Offering Maghrib Prayer**

**522-** It is narrated on the authority of Sayyar Ibn Salamah that he said: I (and My father) visited Abu Barzah Al-Aslami and my father asked him about the way the Messenger of Allah "Allah's blessing and peace be upon him" used to offer (obligatory) written prayers (concerning their times). Abu Barzah replied: "The Prophet "Allah's blessing and peace be upon him" used to offer Zhuhr prayer which you give the name of the First (for it was the first prayer Gabriel led for the Prophet) just when the sun passed the meridian. He used to offer Asr prayer at a time (when after the prayer) a man could go to his dwelling place at the farthest place in Medina (and arrive) while the sun was still bright and hot. (I forgot what he said concerning Maghrib prayer). He liked to delay offering Isha prayer which you call the Prayer of Darkness; even though he disliked sleeping before it and talking after it. He used to (offer the Morning prayer and after he would finish and) turn from Morning prayer one would be able to recognize the person sitting by his side; and he (The Prophet) used to recite between 60 to 100 verses in the Fajr prayer."

### **[17] The First Portion Of The Due Time Of Offering Isha Prayer**

**523-** It is narrated on the authority of Jabir that he said: Gabriel "Peace be upon him" came to the Messenger of Allah "Allah's blessing and peace be upon him" when the sun had declined and said to him: "O Muhammad! Stand and offer Zhuhr prayer!" (And he stood and offered Zhuhr prayer) when the sun had passed the meridian. He waited until one's shade was like him and he came to him for Asr prayer and said to him: "Stand O Muhammad and offer Asr prayer!" (He stood and offered Asr prayer). He waited until the sun set when he came to him and said to him: "Stand and offer Maghrib prayer!" he stood and offered it just when the sun disappeared. He waited until when the twilight disappeared he came to him and said:

Then, he said to him: "The time (of your obligatory prayers) lies between both extremes (within which the prayer was offered on these two days)."

### [18] Hastening To Offer Isha Prayer

524- It is narrated on the authority of Muhammad Ibn Amr Ibn Hasan that he said: Al-Hajjaj came (as the governor of Medina) and we asked Jabir (about the time at which the Prophet used to offer the obligatory prayers) and he said: the Messenger of Allah "Allah's blessing and peace be upon him" used to offer Zhuhr prayer at midday (when it was very hot), Asr when the sun was still clear, bright and white, Maghrib when the sun disappeared. As for Isha prayer, whenever he saw them having gathered, he would hasten to offer it, and whenever he saw them having delayed to gather, he would delay offering it.

525- It is narrated on the authority of An-Nu'man Ibn Bashir that he said: I know best from amongst all the people the time of offering this prayer, i.e. the Isha prayer: the Prophet "Allah's blessing and peace be upon him" used to offer it at the fall of the moon at the third (night of the month).

528- It is narrated on the authority of Ibn Juraij that he said: I asked Ata': "At which time is it desirable in your sight that I should offer Isha prayer, whether as an imam (in congregation) or alone?" he said: I heard Ibn Abbas having said: One night, the Messenger of Allah "Allah's blessing and peace be upon him" delayed offering Isha prayer until it was very dark to the extent that the people slept, then woke up, then slept and then they woke up again and Umar stood and said: "(Come to) prayer! Ibn Abbas resumed: Then, the Messenger of Allah "Allah's blessing and peace be upon him" came out, as if I'm seeing him now, with his head dripping water, placing his hand on the side of his head. He (Ibn Abbas) beckoned to him (in illustration of the way the Prophet was placing his hand on his head). I (Ibn Juraij) asked Ata' to show me how the Messenger of Allah "Allah's blessing and peace be upon him" was placing his hand on the side of his head and he nodded to me in the same way as Ibn Abbas beckoned to him: he parted his fingers and placed his hand on his head, with his fingertips reaching the front part of the head, and then he joined them, passing with them on the head until both his thumbs touched the end of the ears facing the cheeks and then on the temple towards the direction of the forehead, without delaying nor hastening. Then the Messenger of Allah "Allah's blessing and peace be upon him" said: "Had it not been for fear I might put my nation to trouble, I would have ordered them not to offer it (Isha prayer) but at such (time)."

529- It is narrated on the authority of Ibn Abbas that he said: One night the Messenger of Allah "Allah's blessing and peace be upon him" delayed offering Isha prayer until (one-third) of the night elapsed thereupon Umar stood and said aloud: "(Come to) prayer O Messenger of Allah! ### **[21] The Last Portion Of The Due Time Of Offering Isha Prayer**

**532-** It is narrated on the authority of A'ishah that she said: One night, the Messenger of Allah "Allah's blessing and peace be upon him" delayed offering Isha prayer until it was dark to the extent that Umar called him saying: "(O Messenger of Allah!) both women and children fell asleep!" on that the Messenger of Allah "Allah's blessing and peace be upon him" came out and said: "Indeed, none other than you (on the surface of the earth) is waiting in expectation for this (Isha) prayer." At that time, none barring the Muslims of Medina was offering prayer. He further said: "Offer it (Isha prayer) within the range of time starting from twilight's disappearance up to the third of the night."

**533-** It is narrated on the authority of A'ishah, the Mother of the Believers, that she said: One night, the Messenger of Allah "Allah's blessing and peace be upon him" delayed offering Isha prayer until it was dark and the majority of (the first third of the) night passed to the extent that those who were in the mosque fell asleep. Then he came out and led the prayer, and said: "This is the time (most fitting and desirable in my sight to offer this prayer) had it been for fear that I might put my nation to difficulty."

**534-** It is narrated on the authority of Ibn Umar that he said: One night we sat in expectation for the Messenger of Allah "Allah's blessing and peace be upon him" to lead Isha prayer, and he came out to us when almost the third of the night had passed or some time after that and said when he came out: "No doubt, you are waiting a prayer which none belonging to any religion barring you is waiting; and had it not been for fear it might be heavy upon my nation, I would have led the prayer at that hour (every time)." Then, he ordered the Mu'adhdhin (to pronounce the prayer establishment) and he pronounced the prayer establishment and he led the prayer.

567- It is narrated on the authority of A'ishah that she said: Umar was mistaking in his thought (that there should be no prayer to be performed after both Fajr and Asr prayers). 568- It is narrated on the authority of Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "When the front part of the sun starts to rise, delay offering prayer until it rises clearly; and when the farthest end of the sun starts to set delay offering prayer until it sets completely."

569- It is narrated on the authority of Amr Ibn Abasah that he said: I came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "Which time during the night is the most fitting for offering prayer?" The Messenger of Allah "Allah's blessing and peace be upon him" said: "It is the middle of the last portion of the night, in which the Lord Almighty becomes the nearest to His servants. So, if you could be of those who celebrate (the Praises of) Allah Almighty at that time, you would be (i.e. you would pray as much as you like) for the prayer is attended and witnessed (by the angels), until the sun rises for it rises from between two horns of the devil, and at this time the infidels pray. So, you should leave the prayer until it rises as high as a spear, and its ray fades away, (and then you might pray as much as you like) for the prayer by then is witnessed and attended (by the angels), until the sun seems as vertical as a spear at midday for this is an hour in which the gates of the Hell are opened and it (Hell) goes in flames. So, leave the prayer until the sun declines. Then, (you could pray as much as you like) for the prayer by then is witnessed and attended (by the angels) until the sun sets: indeed it (the sun) sets from between both horns of the Devil, at which the infidels pray."

### [36] The Concession To Offer Prayer After Asr Prayer

**571-** It is narrated on the authority of A'ishah that she said: Never did the Messenger of Allah “Allah’s blessing and peace be upon him” leave offering two rak'ahs while being in my house after offering Asr prayer.

**572-** It is narrated on the authority of A'ishah that she said: Never did the Messenger of Allah “Allah’s blessing and peace be upon him” come to visit me after Asr prayer but that he offered those (two rak'ahs).

**574-** It is narrated on the authority of A'ishah that she said: the Messenger of Allah “Allah’s blessing and peace be upon him” never left offering two (voluntary) prayers while being in my house, whether in secrecy or in public: two rak'ahs before Fajr prayer and two rak'ahs after Asr prayer.

**575-** It is narrated on the authority of Abu Salamah that he asked A'ishah about the two-rak'ah prayer which the Messenger of Allah “Allah’s blessing and peace be upon him” used to offer after Asr prayer, thereupon she said: At first, he used to offer it before Asr prayer, but once he was occupied from offering it, or he forgot to offer it, thereupon he offered it after Asr prayer; and whenever the Messenger of Allah “Allah’s blessing and peace be upon him” offered prayer, he would do it regularly.

**576-** It is narrated on the authority of Umm Salamah that the Messenger of Allah “Allah’s blessing and peace be upon him” offered two rak'ahs after Asr prayer in her house only once, and when she made a mention of that to him he said: "Those are two rak'ahs which I used to offer after Zhuhr prayer, from which I was occupied until I offered Asr prayer.

### [37] The Concession To Offer Prayer Before Sunset

578- It is narrated on the authority of Imran Ibn Hudair that he said: I asked later about the two-rak'ah prayer before sunset and it was said that Abdullah Ibn Az-Zubair used to offer it. Mu'awiyah sent to him asking: "What are those two rak'ahs (which you offer) on the setting of the sun?" he referred the narration to Umm Salamah, and Umm Salamah said: the Messenger of Allah "Allah's blessing and peace be upon him" used to offer a two-rak'ah prayer before Asr prayer, and once, he was occupied from offering it, thereupon he offered it on the disappearance of the sun, even though I have never seen him having offered it before or after that.

### [38] The Concession To Offer Prayer Before Maghrib Prayer

579- It is narrated on the authority of Abu Al-Khair that Abu Tamim Al-Jaishani stood to offer a two-rak'ah prayer before Maghrib prayer, thereupon I said to Uqbah Ibn Amir: "Look to this man: which prayer is he offering?" he turned to him and saw him (praying), thereupon he said: "This is a prayer which we used to offer during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him"."

### [39] Offering Prayer After The Dawn Rises

580- It is narrated on the authority of Ibn Umar from Hafsa that she said: Whenever the dawn rose, the Messenger of Allah "Allah's blessing and peace be upon him" used to offer two light rak'ahs (before offering the Morning obligatory prayer).

### [40] The Permissibility To Pray Until Morning Prayer Is Offered

581- It is narrated on the authority of Amr Ibn Abasah that he said: I came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "Which of people have embraced Islam with you?" he said: "Free men and slaves (have embraced Islam)." I further asked him: "Is there a time (during the day and night) much dearer to Allah than another (pertaining to prayer)?" The Messenger of Allah "Allah's blessing and peace be upon him" said: "Yes: it is the middle of the night, in which (it is desirable that) you would pray as much as you like until the morning appears; and then stop until the sun rises (and keep stopping) as long as it is like a shield (whose heat is light); and when it grows, you might pray as much as you like until the pillar (seems to) stand on its shade (i.e. until the shade shrinks as possible as it could be); and then stop until the sun declines: indeed, the (fire of) Hell always goes in flames at the middle of the day. Then, you could pray as much as you like until you offer the Asr prayer; and then stop until the sun

#### **[41] The Permissibility To Offer Prayer At Every Time In Mecca**

**582-** It is narrated on the authority of Jubair Ibn Mut'im that the Messenger of Allah “Allah’s blessing and peace be upon him” said: “O Banu Abd Manaf! Do not prevent anyone to circumambulate this House or offer prayer (within the sanctuary) whenever he likes during night and day.”

#### **[42] When Could A Traveller Combine Both Zhuhr And Asr?**

**583-** It is narrated on the authority of Anas Ibn Malik that he said: Whenever the Messenger of Allah “Allah’s blessing and peace be upon him” set out on journey before the sun declined, he would delay offering Zhuhr prayer to the time of Asr prayer, and he would dismount and combine them; and whenever the sun had declined before he set out he would pray Zhuhr before departure.

**584-** It is narrated on the authority of Mu'adh Ibn Jabal that they set out with the Messenger of Allah “Allah’s blessing and peace be upon him” in the holy battle of Tabuk, during which the Messenger of Allah “Allah’s blessing and peace be upon him” used to combine both Zhuhr and Asr, and both Maghrib and Isha prayers. One day, the Messenger of Allah “Allah’s blessing and peace be upon him” delayed to offer prayer, and when he came out he offered both Zhuhr and Asr together, and then he came in and when he came out he offered both Maghrib and Isha together.

#### **[43] The Details Pertaining To That**

**585-** It is narrated on the authority of Kathir Ibn Qarawanda that he said: I asked Salim Ibn Abdullah about the prayer of his father on journey: Did he use to combine any of prayers on journey? He told that Safiyyah Bint Abu Ubaid and she was his wife, wrote to him a message and he was in one of his farms in which she said: "I'm on the last of my days in this world, and the first of those of the hereafter (i.e. I'm at the threshold of death)." He rode and proceeded on at a speed pace until when the time of Zhuhr prayer was due the Mu'adhdhin said to him: "Come to prayer O Abu Abd Ar-Rahman!" he did not mind until when it was the time between both (Zhuhr and Asr) prayers he dismounted and said (to the Mu'adhdhin): "Establish the prayer (for Zhuhr) and when I utter the end salutation establish the prayer (for Asr)." He offered prayer and rode (and proceeded on) until when the sun disappeared the Mu'adhdhin said to him: "Come to prayer!" he asked him to do the same as he had done in Zhuhr and Asr prayers. He proceeded on until

#### [44] When Could A Resident Combine Prayers?

**586-** It is narrated on the authority of Ibn Abbas that he said: I offered with the Messenger of Allah "Allah's blessing and peace be upon him" in Medina eight rak'ahs (for Zhuhr and Asr) together and seven rak'ahs (for Maghrib and Isha) together. He delayed offering Zhuhr prayer and hastened to offer Asr prayer, as well as he delayed offering Maghrib prayer and hastened to offer Isha prayer.

**587-** It is narrated on the authority of Ibn Abbas that he offered both the First (Zhuhr) and Asr in Basra together, with nothing between them, as well as he offered both Maghrib and Isha together with nothing between them; and he did so because of a serious matter with which he was occupied. Ibn Abbas pretended that he offered in Medina with the Messenger of Allah "Allah's blessing and peace be upon him" eight rak'ahs for both the First (Zhuhr) and Asr prayers with nothing between them.

#### [45] When Could A Traveller Combine Both Maghrib And Isha?

**588-** It is narrated on the authority of Isma'il Ibn Abd Ar-Rahman, an old man from the Quraish that he said: I accompanied Ibn Umar to the Protected Zone (near Medina), and when the sun set, I felt it difficult to notify him of the due time of (Maghrib) prayer. He proceeded on until the whiteness of the horizon faded away, and the darkness of night started to fall, thereupon he dismounted and offered three rak'ahs, followed by two. Then he said: As such I saw the Messenger of Allah "Allah's blessing and peace be upon him" having done.

**589-** It is narrated on the authority of Salim from his father that he said: I observed that whenever the Messenger of Allah "Allah's blessing and peace be upon him" was hasty in proceeding during his journey, he would delay offering Maghrib prayer until (the time of Isha so that) he would combine both Maghrib and Isha prayers.

589 - أَخْبَرَنِي عَمْرُو بْنُ عُثْمَانَ قَالَ: حَدَّثَنَا بَقِيَّةٌ عَنْ ابْنِ أَبِي حَمْزَةَ ح. وَأَنْبَأَنَا أَحْمَدُ بْنُ مُحَمَّدٍ بْنِ الْمُغِيرَةِ قَالَ: حَدَّثَنَا عُثْمَانُ وَاللَّفْظُ لَهُ عَنْ شُعَيْبٍ عَنْ الزُّهْرِيِّ قَالَ: أَخْبَرَنِي سَالِمٌ عَنْ أَبِيهِ قَالَ: «رَأَيْتُ رَسُولَ اللَّهِ ﷺ إِذَا عَجَلَهُ السَّيْرُ فِي السَّفَرِ يُؤَخِّرُ صَلَاةَ الْمَغْرِبِ حَتَّى يَجْمَعَ بَيْنَهَا وَبَيْنَ الْعِشَاءِ».

590- It is narrated on the authority of Jabir that he said: Once, the sun disappeared while the Messenger of Allah "Allah's blessing and peace be upon him" was in Mecca, thereupon he combined both (Maghrib and Isha) prayers in Sarif.

591- It is narrated on the authority of Anas that he said: I saw that whenever the Messenger of Allah "Allah's blessing and peace be upon him" was hasty in proceeding during his journey, he would delay offering Zhuhr to the time of Asr prayer and combine them, as well as he would delay offering Maghrib prayer until he would combine both Maghrib and Isha prayers when the twilight disappeared.

592- It is narrated on the authority of Nafi' that he said: I set out with Ibn Umar on journey for a territory of land to which he wanted to go when somebody came to him and said: "Safiyyah Bint Abu Ubaid (Ibn Umar's wife) is at the threshold of death: see whether you could catch up with her (before death)." He hastened to return, and there was somebody from the Quraish proceeding with him. The sun disappeared and he did not offer (Maghrib) prayer, even though I knew very well that he was eager to guard strictly the prayers (with no indulgence). When he delayed (to offer the prayer) I said to him: "Come to prayer, might Allah's Mercy be upon you!" he turned to me (but did not mind) until it was a short while before the disappearance of the twilight he dismounted and offered Maghrib prayer, and pronounced the prayer establishment for Isha, just by the time the twilight had disappeared. He led the prayer and then faced us and said: "Whenever the Messenger of Allah "Allah's blessing and peace be upon him" was hasty to proceed on (while being on journey), he would do the same."

593- It is narrated on the authority of Nafi' that he said: We came with Ibn Umar from Mecca, and when it was that night (on which Safiyyah Bint Abu Ubaid died) he proceeded on with us until it was evening and we thought he had forgotten (Maghrib) prayer, thereupon we said to him: "Come to prayer!" he kept silent and went on proceeding until the twilight was about to disappear, thereupon he dismounted and offered (Maghrib) prayer and when the twilight disappeared he offered Isha prayer. He faced us and said: As such we used to do (when we were) with the Messenger of Allah "Allah's blessing and peace be upon him" whenever he was earnest to proceed fast.

594- It is narrated on the authority of Kathir Ibn Qarawanda that he said: I asked Salim Ibn Abdullah about the prayer on journey: "Did Abdullah (Ibn Umar) use to combine any of prayers on journey?" he said: "No, unless it is

in Muzdalifah." I came to him once again (and raised to him the same question), thereupon He said: "Safiyyah Bint Abu Ubaid and she was his wife, wrote to him a message in which she said: 'I'm on the last of my days in this world, and the first of those of the hereafter (i.e. I'm at the threshold of death).' He rode and I was with him, and proceeded on at a speed pace until when the time of Zhuhr prayer was due the Mu'adhdhin said to him: 'Come to prayer O Abu Abd Ar-Rahman!' he (did not mind and) went on proceeding until when it was the time between both (Zhuhr and Asr) prayers he dismounted and said (to the Mu'adhdhin): 'Establish the prayer (for Zhuhr) and when I utter the end salutation (and finish) from Zhuhr prayer establish the prayer (for Asr) while you are in your place.' He offered two rak'ahs for Zhuhr prayer and when he uttered the end salutation he (the Mu'adhdhin) established the prayer (for Asr) while being in his place, and he offered two rak'ahs for Asr prayer. Then, he rode and proceeded on at a fast pace until when the sun disappeared the Mu'adhdhin said to him: 'Come to prayer O Abu Abd Ar-Rahman!' he asked him to do the same as he had done in Zhuhr and Asr prayers. He proceeded on until the stars seemed intermingled (in the sky) he dismounted and said to the Mu'adhdhin: 'Establish the prayer (for Maghrib) and when I utter the end salutation establish the prayer (for Isha).' He offered three rak'ahs for Maghrib prayer and he (the Mu'adhdhin) established the prayer (for Isha) while being in his place, and he offered two rak'ahs for Isha prayer after which he uttered the end salutation once in front of him. He said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "When anyone of you is in the face of anything which he fears he might miss, let him offer prayer as such." (I.e. to combine both Zhuhr and Asr together, and both Maghrib and Isha together in case he is on journey).

#### [46] The State In Which Two Prayers Might Be Combined Together

**595-** It is narrated on the authority of Ibn Umar that whenever the Messenger of Allah "Allah's blessing and peace be upon him" was earnest to proceed on fast, he would combine both Maghrib and Isha prayers together.

#### **[47] Combining Two Prayers On Residence**

**598-** It is narrated on the authority of Ibn Abbas that he said: the Messenger of Allah “Allah’s blessing and peace be upon him” offered both Zhuhr and Asr prayers together, and both Maghrib and Isha prayers together and he was not at the time of fear, nor was he on journey.

**599-** It is narrated on the authority of Ibn Abbas that he said: the Messenger of Allah “Allah’s blessing and peace be upon him” used to offer prayers in Medina, and it happened that he combined two prayers together: he combined both Zhuhr and Asr prayers, and both Maghrib and Isha prayers together, and he was not at a time of fear, nor was there rain (to force him to do so). He was asked about the reason for that, thereupon he said: "In order not to put his nation to critical situation." (I.e. to affirm to them the fact that combining two prayers on residence is possible, so that if anyone of them is occupied by a serious matter, and is forced by necessity to combine two prayers, he would do with no blame nor harm upon him).

**600-** It is narrated on the authority of Ibn Abbas that he said: I offered behind the Messenger of Allah “Allah’s blessing and peace be upon him” (in Medina) eight rak'ahs (for both Zhuhr and Asr prayers) together, and seven rak'ahs (for both Maghrib and Isha prayers) together.

#### **[48] Combining Both Zhuhr And Asr Prayers At Arafah**

**601-** It is narrated on the authority of Jabir Ibn Abdullah that he said: the Messenger of Allah “Allah’s blessing and peace be upon him” proceeded on until he reached Arafah and found that his tent had been pitched up for him at Namirah, and he descended. When the sun declined, he ordered that his (she-camel known as) Qaswa' should be saddled for him, (and he rode and proceeded on) until he reached the bottom of the valley, he addressed the people (with his sermon) and then Bilal pronounced Adhan, and he pronounced Iqamah and he (the Prophet) led Zhuhr prayer, and Bilal pronounced Iqamah once again, and he (the Prophet) led Asr prayer, and he offered no prayers between them.

#### **[49] Combining Both Maghrib And Isha Prayers At Muzdalifah**

603- It is narrated on the authority of Sa'id Ibn Jubair that he said: I was with Ibn Umar where he poured down from Arafat, and when he reached Muzdalifah, he combined both Maghrib and Isha prayers together. When he finished he said: As such the Messenger of Allah "Allah's blessing and peace be upon him" did in the same place.

604- It is narrated on the authority of Salim from his father Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" offered both Maghrib and Isha prayers together at Muzdalifah.

605- It is narrated on the authority of Abdullah that he said: I've never seen the Messenger of Allah "Allah's blessing and peace be upon him" having combined two prayers together but at Muzdalifah, and by then he offered the Morning prayer before the time (in which he used to do).

#### [50] The Way Of Combining Two Prayers Together

606- It is narrated on the authority of Ibn Abbas from Usamah Ibn Zaid, and the Messenger of Allah "Allah's blessing and peace be upon him" made him ride behind him from Arafah, that when they came to the mountain pass the Messenger of Allah "Allah's blessing and peace be upon him" dismounted and urinated. (Usamah did not use a word other than "urinated"). Usamah said: Then, I poured water for him from a pot to offer ablution. He performed ablution, but not perfectly. I said to him: "(Would you not offer) the prayer, O Messenger of Allah?" he said: "The (place of) prayer is ahead of you." Then, (he rode and proceeded on) until when he came to Muzdalifah, he led Maghrib prayer. The people had no sooner unpacked their luggage than he led Isha prayer.

#### [51] The Excellence Of Offering Prayer Just At Its Due Time

607- It is narrated on the authority of Abdullah that he said: I asked the Messenger of Allah "Allah's blessing and peace be upon him": "Which deed is the dearest to Allah Almighty?" he said: "It is to offer prayer just at its due time, to be dutiful and kind to one's parents, to be engaged in Jihad in the Cause of Allah Almighty."

608- It is narrated on the authority of Abdullah Ibn Mas'ud that he said: I asked the Messenger of Allah "Allah's blessing and peace be upon him": "Which deed is the dearest to Allah Almighty?" he said: "It is to establish prayer just at its stated prescribed time."

### [5] The Way Of Uttering Adhan

628- It is narrated on the authority of Abu Mahdhurah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" taught me the Adhan (Call for prayer). It goes as follows: "Allah is greater! Allah is greater! Allah is greater! Allah is greater! I testify that there is no god but Allah! I testify that there is no god but Allah! I testify that Muhammad Is the Messenger of Allah! I testify that Muhammad is the Messenger of Allah!" then he should repeat: "I testify that there is no god but Allah! I testify that there is no god but Allah! I testify that Muhammad Is the Messenger of Allah! I testify that Muhammad is the Messenger of Allah! Come to prayer! Come to prayer! Come to prosperity! Come to prosperity! Allah is greater! Allah is greater! there is no god but Allah."

629- It is narrated on the authority of Abdullah Ibn Muhairiz who was an orphan under the guardianship of Abu Mahdhurah that he asked him when he prepared him to set out to Sham: "O Uncle! I'm going to travel to Sham, and I fear the people there might ask me about your way of Adhan." He said: "Yes. I set out with a group of my companions on the way of Hunain through which the Messenger of Allah "Allah's blessing and peace be upon him" was returning from Hunain. the Messenger of Allah "Allah's blessing and peace be upon him" met us on the way, and his Mu'adhdhin announced the call for the prayer while he was with the Messenger of Allah "Allah's blessing and peace be upon him". We heard the voice of this Mu'adhdhin, of which we disapproved, and we went on sending our voices loud, in imitation of his voice mockingly. When the Messenger of Allah "Allah's blessing and peace be upon him" heard our voices, he sent someone to bring us, and when we stood before him he said to us: "Who among you whose loud voice I heard?" the people hinted to me, and they were true. He let them off and kept me standing. He asked me to get up and announce the call for the prayer. I got up, and the Messenger of Allah "Allah's blessing and peace be upon him" dictated to me the (wording of) Adhan as follows: "Allah is greater! Allah is greater! Allah is greater! Allah is greater! I testify that there is no god but Allah! I testify that there is no god but Allah! I testify that Muhammad Is the Messenger of Allah! I testify that Muhammad is the Messenger of Allah!" then, the Messenger of Allah "Allah's blessing and peace be upon him" ordered me to repeat that raising my voice: "I testify that

When I finished, he invited me and gave me a parcel containing something of silver. I said: "O Messenger of Allah! Give an order that I should announce the calls for prayer in Mecca." He said: "I order that you should do so." Then, I came to Itab Ibn Usaid, who was appointed by the Messenger of Allah "Allah's blessing and peace be upon him" in charge of the affairs of the people in Mecca, and I undertook the task of announcing the calls for prayers there.

### [6] Pronouncing Adhan On Journey

630- It is narrated on the authority of Abu Mahdhurah that he said: When the Messenger of Allah "Allah's blessing and peace be upon him" (and his companions) left Hunain, I set out as the tenth of ten persons from amongst the inhabitants of Mecca in pursuit of them. we heard them calling for prayer, and we got up and uttered the wording of Adhan in imitation of their voices, by way of mocking at them, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "I heard among those a man of sweet voice uttering the wording of Adhan." He sent somebody to invite us, and he made us utter the wording of Adhan, and I was the last of them. when I uttered the wording of Adhan he said to me: "Come here!" he made me sit in front of him. He passed his hand on my forelock and invoked blessing upon me thrice. He said to me: "Go and pronounce the Adhan (call for prayer) at the Sacred House." I asked: "How should I do O Messenger of Allah?" he taught (the wording of Adhan) to me in the same way as you do now: "Allah is greater! Allah is greater! Allah is greater! Allah is greater! I testify that there is no god but Allah! I testify that there is no god but Allah! I testify that Muhammad Is the Messenger of Allah! I testify that Muhammad is the Messenger of Allah! I testify that there is no god but Allah! I testify that there is no god but Allah! I testify that Muhammad Is the Messenger of Allah! I testify that Muhammad is the Messenger of Allah! Come to prayer! Come to prayer! Come to prosperity! Come to prosperity! Prayer is much better than sleep! (in the Adhan for Morning prayer)." On the other hand, he taught me the wording of Iqamah (call for prayer establishment) which should be repeated twice as follows: "Allah is greater! Allah is greater! Allah is greater! Allah is greater! I testify that there is no god but Allah! I testify that there is no god but Allah! I testify that Muhammad Is the Messenger of Allah! I testify that Muhammad is the Messenger of Allah! Come to prayer!

### **[7] The Adhan Of Two Persons On Journey**

**631-** It is narrated on the authority of Malik Ibn Al-Huwairith that he said: I went to the Messenger of Allah "Allah's blessing and peace be upon him" in the company of a paternal cousin of mine (or a companion of mine according to another narration), thereupon he said to us: "When you are on journey, let one of you pronounce Adhan (call for prayer) and Iqamah (prayer establishment) and let the older of you lead the prayer."

### **[8] One's Call For Prayer Is Sufficient For Another On Residence**

**632-** It is narrated on the authority of Malik Ibn Al-Huwairith that he said: We came to The Prophet "Allah's blessing and peace be upon him" and we were young men, almost equal in age. We stayed with him for twenty nights. The Prophet "Allah's blessing and peace be upon him" was kind and merciful to us. When he realized our longing for our families, he asked us about those whom we left behind, and we told him. On that he said to us: "Go back and stay with your families to teach them the religion, and order them that 'when the time of the prayer is due, let one of you pronounce the call (Adhan) for prayer, and let the oldest one amongst you lead the prayer'."

**633-** It is narrated on the authority of Ayyub from Abu Qilabah from Amr Ibn Salamah that Abu Qilabah said to me: He (Amr Ibn Salamah) is still alive: should you not meet him?" I met him and when I asked him he told me: When it was the day of the conquest (of Mecca), every people initiated to embrace Islam. My father went to announce the conversion of the inhabitants of our village into Islam. When he returned we received him and he said: "By Allah, I've come to you from the Messenger of Allah "Allah's blessing and peace be upon him" and he is really so. He said: "Offer such and such prayer at such and such time, such and such prayer at such and such time; and when the time of the prayer is due, let one of you pronounce Adhan, and let the oldest among you lead the prayer.""

### **[9] When One Mosque Has Two Mu'adhdhins**

**634-** It is narrated on the authority of Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Bilal pronounces Adhan at night: so, keep eating and drinking until Ibn Umm Maktum pronounces the call (for prayer)."

**658-** It is narrated on the authority of Abd Ar-Rahman Ibn Abu Sa'id from his father that he said: On the day of the Trench, the pagans occupied us from offering Zhuhr prayer until the sun set, and that was before Allah Almighty revealed what he revealed (concerning the prayer at the time of fear) during fighting. Allah Almighty revealed: "and enough is Allah for the Believers in their fight." (Al-Ahzab 25) the Messenger of Allah "Allah's blessing and peace be upon him" ordered Bilal to pronounce Iqamah for Zhuhr, and he (the Prophet) led Zhuhr prayer in the same way as he used to do at its due time. Then Bilal pronounced Iqamah for Asr and he (the Prophet) led Asr prayer in the same way as he used to do at its due time. Then he (Bilal) pronounced Adhan for Maghrib prayer (and then pronounced Iqamah) and he (the Prophet) led Maghrib prayer in the same way as he used to do at its due time.

**[22] It Is Sufficient To Pronounce A Single Adhan For All With An Independent Iqamah For Each**

659- It is narrated on the authority of Abdullah that he said: On the day of the Trench, the pagans occupied the Messenger of Allah "Allah's blessing and peace be upon him" (and the Muslims) from offering four prayers. On that the Messenger of Allah "Allah's blessing and peace be upon him" ordered Bilal to pronounce Adhan, and then he established the prayer and he (the Prophet) led Zhuhr prayer. Then he (Bilal) established the prayer and he (the Prophet) led Asr prayer. Then he (Bilal) established the prayer and he (the Prophet) led Maghrib prayer. Then he (Bilal) established the prayer and he (the Prophet) led Isha prayer.

**[23] It Is Sufficient To Pronounce An Independent Iqamah For Each Combined Prayer**

660- It is narrated on the authority of Abdullah Ibn Mas'ud that he said: We were in a certain holy battle with the Messenger of Allah "Allah's blessing and peace be upon him" when we were detained from offering Zhuhr, Asr, Maghrib and Isha prayers. When the pagans turned away, the Messenger of Allah "Allah's blessing and peace be upon him" ordered a caller and he pronounced Iqamah for Zhuhr and we offered prayer. Then he (the caller) pronounced Iqamah for Asr and we offered prayer. Then he (the caller) pronounced Iqamah for Maghrib and we offered prayer. Then he (the caller) pronounced Iqamah for Isha and we offered prayer. Then the Messenger of Allah "Allah's blessing and peace be upon him" went round us and said: "There is no pact celebrating Allah on the surface of the earth except for you."

**[24] What About Pronouncing Iqamah For Such As Forgets A Rak'ah From The Prayer?**

661- It is narrated on the authority of Mu'awiyah Ibn Hudaij that once, the Messenger of Allah "Allah's blessing and peace be upon him" uttered the end salutation (and turned away) and there remained a rak'ah out of the prayer. A man caught up with him and said: "You've forgotten a rak'ah from the prayer." the Messenger of Allah "Allah's blessing and peace be upon him" entered the mosque and ordered Bilal to pronounce prayer establishment and he led the rak'ah. I told the people about that, and they asked me: "Do you know that man (who notified the Prophet of the forgotten rak'ah)?" I said: "No, unless I see his face." He happened to have come upon me and I said: "This is the man!" they said to me: "This is Talhah Ibn Ubaidullah."

Then he said: "This man might be either a shepherd of sheep or absent from his family." They investigated and behold! he was a shepherd of sheep.

### **[26] What About Adhan For Such As Prays Alone?**

663- It is narrated on the authority of Uqbah Ibn Amir that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "(Allah) Your Lord wonders (i.e. is pleased with, and gives reward to) a shepherd of sheep at a high place of a mountain top, who pronounces Adhan for prayer and then prays alone: Allah Almighty says: Look at this servant of Mine: He pronounces Adhan and establishes the prayer (and offers prayer) for fear of Me: I've forgiven for My servant, and admitted him to the Garden."

### **[27] What About Iqamah For Such As Prays Alone?**

### **[28] The Way Of Pronouncing Iqamah**

665- It is narrated on the authority of Abu Al-Muthanna, the Mu'adhdhin of the Mosque of Gathering, that he said: I asked Ibn Umar about Adhan, and he said: The (wording of) Adhan during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him" used to be uttered twice for each (statement), and the (wording of) Iqamah once, except that you say (in Iqamah in addition): "The prayer has been established! The prayer has been established!" once we heard (the statement) "The prayer has been established" we soon would perform ablution and come out to offer prayer.

### **[29] Everyone Pronounces Iqamah For Himself**

666- It is narrated on the authority of Malik Ibn Al-Huwairith that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said to both me and a companion of mine: "When the time of prayer is due, let anyone of you pronounce Adhan and Iqamah, and let one of you lead the prayer."

### [30] The Excellence Of Pronouncing Adhan

667- It is narrated on the authority of Abu Hurairah that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "When the Adhan is pronounced, Satan turns on his heels and passes wind with noise during his flight in order not to hear the Adhan. When the Adhan reaches its end he comes back and again turns on his heels when the prayer establishment (Iqamah) is pronounced. After its completion he returns again till he whispers into the heart of the person (to divert his attention from his prayer) saying to him: "Remember such-and-such a thing, and such-and-such a thing", making him remember things, which he has not recalled to his mind before the prayer to the extent that he would forget how much he prayed."

### [31] Casting Lots For Pronouncing Adhan

668- It is narrated on the authority of Abu Hurairah that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "If the people knew the reward for pronouncing the Adhan and for standing in the first row (in congregational prayers) and found no other way to get that except by drawing lots they would draw lots. If they knew the reward of the Zhuhr prayer (in the early moments of its due time) they would race for it (go early). If they knew the reward of (the Prayer of) Darkness (Isha) and Fajr (morning) prayers in congregation, they would come to offer them even if they had to come to them as crawling."

669- It is narrated on the authority of Uthman Ibn Abu Al-As that he said: I said to the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! appoint me as the leader and imam of my people." 672- It is narrated on the authority of Mujammi Ibn Yahya Al-Ansari that he said: I was sitting with Abu Umamah Ibn Sahl Ibn Hunaif when the Mu'adhdhin pronounced Adhan and said: "Allah is Greater; Allah is Greater", thereupon he (Abu Umamah) magnified Allah twice (according to the wording of Adhan). When the Mu'adhdhin said: "I bear testimony that there is no god but Allah", he repeated the same testimony twice (one after each). When the Mu'adhdhin said: "I bear testimony that Muhammad is the Messenger of Allah" he repeated the same testimony twice (one after each). Then he said: As such Mu'awiyah related to me from the Messenger of Allah "Allah's blessing and peace be upon him".

673- It is narrated on the authority of Mu'awiyah that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said the like of what the Mu'adhdhin had said when he heard him.

Then he commented: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said the same.

### **[37] Invoking Allah's Prayer Upon The Prophet After Adhan**

675- It is narrated on the authority of Abdullah Ibn Amr Ibn Al-As that he heard The Prophet "Allah's blessing and peace be upon him" saying: "If you heard the call (for prayer) then you should say what the Mu'adhdhin says, and then invoke for Allah's Prayer and Peace upon me. Indeed, he, who invoked for Allah's Prayer and Peace upon me once, Allah would bless him ten times. Then, you should ask Allah to give me the access (to intercession). Verily, it is a (high) position in Paradise, which none except one of Allah's servants would get, and I hope I would be that servant. He, who asked Allah to give me the access to intercession, then my intercession would be assured to him."

سَكَتَ قَالَ رَسُولُ اللَّهِ ﷺ: «مَنْ قَالَ مِثْلَ هَذَا يَقِينًا دَخَلَ الْجَنَّةَ».

Lord of this perfect call (by not ascribing partners to You) and of the regular prayer which is going to be established, give Muhammad the right of intercession and celebrity, and resurrect him to the best and the highest Station that You promised him in Paradise", then my intercession will be assured to him on the Day of Judgement."

### **[39] Offering Prayer In The Interval Between Adhan And Iqamah**

678- It is narrated on the authority of Abdullah Ibn Mughaffal that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "There is a prayer between every two Adhans! There is a prayer between every two Adhans! There is a prayer between every two Adhans (the call for prayer "Adhan" and the call for establishing the prayer "Iqamah") For the one who wants to pray."

679- It is narrated on the authority of Anas Ibn Malik that he said: Whenever the Mu'adhdhin pronounced Adhan, some from amongst the companions of Allah's Apostle "Allah's blessing and peace be upon him" would stand and rush as if in a race towards the pillars in order to pray until Allah's Apostle "Allah's blessing and peace be upon him" would come out (to lead the prayer) while being as such; and they used to pray before Maghrib, even though there is no long time between Adhan and Iqamah.

(The period of) his prostrations in them was (so long) enough for anyone of you to recite fifty Verses, before he would raise his head. Whenever the Mu'adhdhin finished the first call for the Morning prayer, he would stand and offer two light rak'ahs, after which he would lie on his right side until the Mu'adhdhin would come to him with the pronouncement of Iqamah, thereupon he would come out with him.

683- It is narrated on the authority of Kuraib, the freed slave of Ibn Abbas that he said: I asked Ibn Abbas about the (supererogatory) prayer of The Messenger of Allah "Allah's blessing and peace be upon him" at night, and he told that he prayed eleven rak'ahs, including the Witr, after which he slept until slumber overtook him and I saw him blowing. Which mosque was constructed first on earth?" he (The Messenger) answered: "It was The Sacred Mosque (of Mecca)." I asked: "Then, which was next?" he said: "It was the farthest mosque (of Jerusalem)." I asked again: "How long was the period between (constructing) them?" he said: "Forty years; and (it should be known to you that wherever you are on) earth is a place of prayer for you. ### **[6] The Excellence Of The Farthest Mosque And Praying In It**

**690-** It is narrated on the authority of Abdullah Ibn Amr: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "When Solomon, son of David, finished from constructing Jerusalem, he asked Allah to give him three merits: he asked Him a (sound) judgement in decision, to agree with His (Allah's) Judgement (in justice and validity); he asked him a dominion which should not be fitting for anyone after him; and he asked him that if anyone sets out from his house, with the sole intention to offer the prayer in this (Farthest) Mosque, he will come out of his sins (and become as pure) as he was on the day his mother gave birth to him."

### **[7] The Excellence Of The Prophet's Mosque And Praying In It**

**691-** It is narrated on the authority of both Abu Salamah Ibn Abd Ar-Rahman and Abu Abdullah Al-Agharr, and they were from amongst the companions of Abu Hurairah, that they heard Abu Hurairah having said: "Offering a single prayer in the mosque of the Messenger of Allah "Allah's blessing and peace be upon him" is better than one thousand prayers to be offered in any mosque else barring the Sacred Mosque (the Ka'bah), for the Messenger of Allah "Allah's blessing and peace be upon him" is the Seal of the Prophets, and his mosque is the last (to be constructed after both the Sacred Mosque and the Farthest Mosque)." Both Abu Salamah and Abu Abdullah said: We had no doubt that Abu Hurairah related this narration from the Messenger of Allah "Allah's blessing and peace be upon him", even though we were disinclined to have Abu Hurairah confirm to us the authenticity of this narration, and when Abu Hurairah died, we discussed that, and blamed one another for our failure to talk to Abu Hurairah about that, so that he would confirm its being attributed to the Messenger of Allah "Allah's blessing and peace be upon him" in case he heard it from him. Such being the case, we sat with Abdullah Ibn Ibrahim Ibn Qarizh, to whom we made a mention of that narration and our indulgence in asking Abu Hurairah about its attribution, thereupon Abdullah Ibn Ibrahim said to us: I bear witness that I heard Abu Hurairah having said: the Messenger of Allah

عَلَيْهِمْ فَلَمَّا فَتَحَهَا رَسُولُ اللَّهِ ﷺ كُنْتُ أَوَّلَ مَنْ وَلَجَ فَلَقِيتُ بِلَالًا فَسَأَلْتُهُ هَلْ صَلَّى فِيهِ رَسُولُ اللَّهِ ﷺ؟ قَالَ: نَعَمْ صَلَّى بَيْنَ الْعُمُودَيْنِ الْيَمَانَيْنِ» .

693- It is narrated on the authority of Umm Salamah that she said: the Messenger of Allah “Allah’s blessing and peace be upon him” said: "The sides of this pulpit of mine will (be made to) stand in the Garden."

### **[8] The Mosque That Was Founded On Piety**

694- It is narrated on the authority of Abu Sa'id that he said: Two men argued over the mosque that was founded on piety from the first day. One said: "It is the mosque of Quba'." The other said: "It is the mosque of the Messenger of Allah “Allah’s blessing and peace be upon him”." On that the Messenger of Allah “Allah’s blessing and peace be upon him” said: "It is this mosque of mine."

### **[9] The Excellence Of The Mosque Of Quba' And Praying In It**

695- It is narrated on the authority of Ibn Umar that he said: the Messenger of Allah “Allah’s blessing and peace be upon him” used to go to (the mosque of) Quba' as riding (sometimes) and on foot (sometimes).

### **[11] Taking (The Places Of) Synagogues As Mosques**

698- It is narrated on the authority of Talq Ibn Ali that he said: We set out in a delegate to the Messenger of Allah “Allah’s blessing and peace be upon him”, and we gave him the pledge of allegiance (for Islam), and offered prayer with him. We told him that there was a synagogue in our territory,

and asked him to give us some water from the remaining of his ablution. He called for water therewith he performed ablution, and rinsed his mouth, and poured that in a pot (which he gave to us). He ordered us saying: "Set out and when you come to your synagogue, ruin it and sprinkle from that water over its place, and then take it as mosque." We said: "Our town is far, and it is very hot, and the water would be dried." He said: "Supply it with the water (of the wells) for it (this water) increases that (the water of you) but sweetness." We set out until when we reached our town we ruined the synagogue, sprinkled water over its place, and took it as mosque. We pronounced Adhan in it. At the same time the monk there was a man belonging to (the tribe of) Tai. When he heard (the wording of) Adhan, he said: "Of a surety, this is a call of truth." Then, he faced one of our slopes in which the water was overflowing, and then we have never seen him afterwards.

### [12] Digging Out Graves And Taking Their Ground As Mosques

699- It is narrated on the authority of Anas Ibn Malik that he said: When The Prophet "Allah's blessing and peace be upon him" arrived in Medina he dismounted at the heights of Medina amongst a tribe called Banu Amr Ibn Awf. He stayed there for fourteen nights. Then he sent for Banu An-Najjar and they came, armed with their swords; as if I am looking (just now) at The Prophet "Allah's blessing and peace be upon him", sitting on his Mount with Abu Bakr riding behind him and all Banu An-Najjar around him till he dismounted at the courtyard of Abu Ayyub's house. The Prophet "Allah's blessing and peace be upon him" would pray wherever he was even if he was at sheepfolds, whenever the time for prayer was due. Later on he ordered that a mosque should be built. He sent for some people of Banu An-Najjar and said: "O Banu An-Najjar! Suggest to me the price of this (walled) piece of land of yours." They replied: "No! By Allah! We do not demand its price except from Allah." Anas added: In it, there were some date-palm trees and some graves of pagans, and some of it was unleveled. The Prophet "Allah's blessing and peace be upon him" ordered that the graves of the pagans be dug out, the unleveled land be leveled, and the date-palm trees be cut down,. They aligned these cut date-palm trees towards the Qiblah of the mosque (as a wall) and they also built two stone sidewalls (of the mosque). They (his companions) brought the stones while they were reciting some poetic verses, and The Prophet "Allah's blessing and peace be upon him" was with them. They kept on saying: "There is no goodness except that of the Hereafter, O Allah! So please support the Ansar and the emigrants.

### [13] It Is Forbidden To Take Graves As Places Of Worship

700- It is narrated on the authority of both A'ishah and Ibn Abbas that they said: When the Messenger of Allah "Allah's blessing and peace be upon him" became fatally ill, he kept on placing a square garment with marks on his face, and when he felt short of breaths, he lifted it from his face. He said while being in such a state: "Allah's Curse be upon both Jews and Christians, for they've taken the graves of their Prophets as places of worship."

701- It is narrated on the authority of A'ishah that she said: Both of Umm Salamah and Umm Habibah mentioned a church they had seen in Abyssinia in which there were pictures. They told The Prophet "Allah's blessing and peace be upon him" about it, who commented: "If any religious man died amongst those people they would build a place of worship at his grave and make these pictures in it. They will be the worst creatures in the sight of Allah on the Day of Judgement."

### [14] The Excellence Of Going To Mosques

702- It is narrated on the authority of Abu Hurairah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "When a man comes out from his house on his way to his mosque, (for every footstep he takes towards it by) one foot, a good deed is recorded for him, and (for every footstep he takes towards it by) the other foot, an evil deed is plotted out from him."

### [15] It Is Forbidden To Prevent Women From Going To Mosques

703- It is narrated on the authority of Salim from his father that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "When the wife of anyone of you seeks his permission to go to the mosque, let not him prevent her."

### [16] Who Should Be Prevented From Going To The Mosque?

704- It is narrated on the authority of Jabir Ibn Abdullah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who eats of this plant, (and he mentioned garlic on the first day and then he said) i.e. garlic, onion and leak, let not him approach us in our mosques, for indeed the angels receive harm from the same things from which men receive harm."

A woman from amongst the Ansar came to him, scraped it (the sputum) and replaced it with Khaluq (a kind of perfume). On that Allah's Apostle "Allah's blessing and peace be upon him" said: "How good this act is!"

### [37] The Command To Pray Before Sitting In The Mosque

727- It is narrated on the authority of Abu Qatadah that The Messenger of Allah "Allah's blessing and peace be upon him" said: "When anyone of you enters the mosque, let him offer a two-rak'ah prayer before he sits."

### [38] The Concession To Sit In And Come Out Of It With No Prayer

728- It is narrated on the authority of Abdullah Ibn Ka'b Ibn Malik from his father while relating the story of his failure to attend the holy battle of Tabuk with the Messenger of Allah "Allah's blessing and peace be upon him". he said: Allah's Apostle "Allah's blessing and peace be upon him" arrived in the morning, and whenever he returned from a journey, he used to visit the Mosque first of all and offer a two-Rak'ah prayer therein and then sit for the people. So when he had done all that, those who had failed to join the battle (of Tabuk) came and started offering (false) excuses and taking oaths before him. They were over eighty men. Allah's Apostle "Allah's blessing and peace be upon him" accepted the excuses they had expressed, took their pledge of allegiance, asked for Allah's Forgiveness for them, and left the secrets of their hearts for Allah to judge. Then I came to him, and when I greeted him, he gave a smile of an angry person and then said: "Come on." So I came walking till I sat before him. He said to me: "What stopped you from joining us. Had you not purchased an animal for carrying you?" I answered: "Yes, O Allah's Apostle! But by Allah, if I had sat before any person from among the people of the world other than you, I would have avoided his anger with an excuse. By Allah, I have been bestowed with the power of speaking fluently and eloquently, but by Allah, I knew well that if today I tell you a lie to seek your favour, Allah would surely make you angry with me in the near future, but if I tell you the truth, though you will get angry because of it, I would hope for Allah's Forgiveness. Really, by Allah, there was no excuse for me. By Allah, I had never been stronger or wealthier than I was when I remained behind you." Then Allah's Apostle "Allah's blessing and peace be upon him" said: "As regards this man, he has surely told the truth. So get up till Allah decides your matter." I got up and went away.

## **(9) THE BOOK OF QIBLAH**

(The direction to which a praying one should turn his face while offering prayer, and the Qiblah of all the Muslims is the Ka'bah of Mecca).

### **[1] Facing The Qiblah**

739- It is narrated on the authority of Al-Bara' Ibn Azib that he said: the Messenger of Allah "Allah's blessing and peace be upon him" came to Medina, and offered prayer facing Jerusalem for sixteen months. Then, he was made to turn his face (in prayer) towards the Ka'bah. A man, who offered prayer with the Messenger of Allah "Allah's blessing and peace be upon him" (after being turned to the Ka'bah), came upon a people from Ansar who were praying, and said to them: "I bear witness that the Messenger of Allah "Allah's blessing and peace be upon him" was made to turn to the Ka'bah (in prayer)." On that they turned to the Ka'bah (while they were praying).

### **[2] The State In Which It Is Permissible To Face Any Direction Other Than That Of The Qiblah**

740- It is narrated on the authority of Ibn Umar that he said: the Messenger of Allah "Allah's blessing and peace be upon him" used to offer the supererogatory prayers on his riding mount towards whichever direction it turned with him. Abdullah Ibn Dinar said: Ibn Umar used to do the same.

741- It is narrated on the authority of Salim from his father that he said: the Messenger of Allah "Allah's blessing and peace be upon him" used to offer the supererogatory prayers and the Witr prayers on his riding mount towards whichever direction it turned with him; but he never offered the obligatory written prayers on it.

### **[3] Discovering The Mistake After Doing One's Best To Do The Right**

742- It is narrated on the authority of Ibn Umar that he said: While the people were in (the mosque of) Quba', offering Morning prayer, one came to them and said: "Tonight, it was revealed upon the Messenger of Allah "Allah's blessing and peace be upon him", and he was commanded to face the Ka'bah (in the prayer). So, face it (in your prayer)!" their faces were towards the direction of Sham (while they were praying), thereupon they turned their faces to the Ka'bah.

**744-** It is narrated on the authority of Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" used to fix a short spear to which he would offer prayer (whenever he was in an open space having nothing to screen him from the passers-by).

### **[5] The Command To Come As Close As A Praying One Could To What Is Taken As A Screen**

**745-** It is narrated on the authority of Sahl Ibn Abu Hathmah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "When anyone of you offers prayer to such as he takes as a screen, let him come as close to it as he could, lest Satan would interrupt his prayer."

### **[6] To What Extent Should One Come Close To It?**

**746-** It is narrated on the authority of Abdullah Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" entered the Ka'bah, accompanied by Usamah Ibn Zaid, Bilal and Uthman Ibn Talhah the Keeper (of the Ka'bah),. He closed the door and stayed in it for some time. Ibn Umar said: I asked Bilal when he came out about what The Messenger of Allah "Allah's blessing and peace be upon him" had done there. He said: "He (took such a position as) made one pillar on his left side, two pillars on his right, and three pillars behind him. The House at that time was resting on six pillars. Then, he offered prayer, making a distance (as short as) nearly three cubits between him and the wall."

### **[7] What Interrupts Prayer In The Absence Of A Screen**

**747-** It is narrated on the authority of Abdullah Ibn As-Samit that Abu Dharr told: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If any one of you stands for prayer, there should be (at least) a thing in front of him equal to the back of a saddle so as to screen him (from the passers-by). But, in case there is nothing in front of him, equal to the back of a saddle, his prayer would be interrupted by (the passage of) an ass, a woman, and a black dog." I (the sub-narrator) said: "What does distinguish the black dog from the red dog and the yellow dog?" He said: "I asked The Messenger of Allah "Allah's blessing and peace be upon him" as you ask me, and he said: "The black dog is (likely equal to) a Satan.'"

**749-** It is narrated on the authority of Ibn Abbas that he said: The Prophet "Allah's blessing and peace be upon him" was leading prayer (with his companions) in Arafah when I and Al-Fadl came riding a she-ass. We passed in front of a portion of the row (of the praying people) and then we dismounted and left it to enter the row (and catch up the prayer). The Prophet "Allah's blessing and peace be upon him" said nothing to us (by way of objection, i.e. that the passage of an ass does not interrupt prayer.)

**750-** It is narrated on the authority of Al-Fadl that he said: Once, The Prophet "Allah's blessing and peace be upon him" visited Abbas in a (piece of land in the) desert belonging to us, and we had there a young female dog and a she-ass, and both were playing. The Prophet "Allah's blessing and peace be upon him" offered Asr prayer while they were passing in front of him, but they were neither pushed away, nor brought back.

They both dismounted and left the donkey in front of the row, and he did not care. Then, two girls belonging to the offspring of Abd Al-Muttalib came and caught hold of his knees, and he parted them even though he did not care.

**752-** It is narrated on the authority of A'ishah that she said: It happened that I was lying in front of the Messenger of Allah "Allah's blessing and peace be upon him" while he was praying, and whenever I wanted to stand, and I disliked to stand and pass by in front of him, I would slip away.

before he went away, Allah's Apostle "Allah's blessing and peace be upon him" said to Bilal: "O Bilal! When the time of Asr prayer becomes due and I do not come, tell Abu Bakr to lead the prayer (on my behalf)." When the time of prayer became due, Bilal pronounced Adhan and then Iqamah, and asked Abu Bakr to move forward (to lead the prayer). Abu Bakr moved forward and led the prayer. Allah's Apostle "Allah's blessing and peace be upon him" came (while the people were still praying) and he kept walking across the rows of the praying people till he stood in the (first) row behind Abu Bakr. The people clapped their hands. Abu Bakr never glanced sideways in his prayer but when the people continued clapping, Abu Bakr looked and behold! Allah's Apostle "Allah's blessing and peace be upon him" was there. Allah's Apostle "Allah's blessing and peace be upon him" beckoned to him to stay at his place. Abu Bakr raised his hands and thanked Allah for that order of Allah's Apostle "Allah's blessing and peace be upon him" and then he retreated till he reached the first row. When Allah's Apostle "Allah's blessing and peace be upon him" saw that, he went forward and resumed leading the prayer. When Allah's Apostle "Allah's blessing and peace be upon him" finished from the prayer, he said to Abu Bakr: "O Abu Bakr! What did prevent you from staying when I ordered you to do so?" Abu Bakr replied: "It is not fitting for Ibn Abu Quhafah to lead Allah's Apostle "Allah's blessing and peace be upon him" in prayer." Then Allah's Apostle "Allah's blessing and peace be upon him" faced the people and said (addressing them): "If something doubtful happens to you during prayer men should glorify Allah, and women should clap their hands."

### [16] Following The Imam

791- It is narrated on the authority of Anas that once the Messenger of Allah "Allah's blessing and peace be upon him" fell from a horse thereupon his right side was wounded. They visited him (to enquire about his health); and when the prayer was due, he led the prayer as sitting. When he finished the prayer he said: "No doubt, the imam is made to be followed: when he bows down, you should bow down (after him); when he raises his head (from bowing) you should raise your heads (from bowing after him); when he falls in prostration, you should also fall in prostration; when he says: "Allah hears such as praises Him" you should reply: "O Allah our Lord! To You be All the praises!"

### [17] Following Such As Follows The Imam

792- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: The Messenger of Allah "Allah's blessing and peace be upon him" observed

فَلَمَّا حَضَرَتْ أَذْنَ بِلَالٍ ثُمَّ أَقَامَ فَقَالَ لِأَبِي بَكْرٍ رَضِيَ اللَّهُ عَنْهُ:  
تَقَدَّمَ فَتَقَدَّمَ أَبُو بَكْرٍ فَدَخَلَ فِي الصَّلَاةِ ثُمَّ جَاءَ رَسُولُ اللَّهِ ﷺ فَجَعَلَ  
يَشُقُّ النَّاسَ حَتَّى قَامَ خَلْفَ أَبِي بَكْرٍ وَصَفَّحَ الْقَوْمَ وَكَانَ أَبُو بَكْرٍ إِذَا  
دَخَلَ فِي الصَّلَاةِ لَمْ يَلْتَفِتْ فَلَمَّا رَأَى أَبُو بَكْرٍ التَّصْفِيحَ لَا يُمَسِّكُ عَنْهُ  
الْتَفَتَ فَأَوْمَأَ إِلَيْهِ رَسُولُ اللَّهِ ﷺ بِيَدِهِ فَحَمِدَ اللَّهُ عَزَّ وَجَلَّ عَلَى قَوْلِ  
رَسُولِ اللَّهِ ﷺ لَهُ أَمُضِهِ ثُمَّ مَشَى أَبُو بَكْرٍ الْقَهْقَرَى عَلَى عِقْبَيْهِ فَتَأَخَّرَ فَلَمَّا  
رَأَى ذَلِكَ رَسُولُ اللَّهِ ﷺ تَقَدَّمَ فَصَلَّى بِالنَّاسِ فَلَمَّا قَضَى صَلَاتَهُ قَالَ: «يَا  
أَبَا بَكْرٍ مَا مَنَعَكَ إِذْ أَوْمَأْتُ إِلَيْكَ أَنْ لَا تَكُونَ مَضِيَّتْ؟» فَقَالَ: لَمْ يَكُنْ  
لِابْنِ أَبِي قُحَافَةَ أَنْ يَوْمَ رَسُولِ اللَّهِ ﷺ. وَقَالَ لِلنَّاسِ: «إِذَا نَابَكُمْ شَيْءٌ  
فَلْيُسَبِّحِ الرَّجَالُ وَلْيُصَفِّحِ النِّسَاءُ».

### (16) - الْاِئْتِمَامُ بِالْإِمَامِ

791 - أَخْبَرَنَا هَنَادُ بْنُ السَّرِيِّ عَنْ ابْنِ عُيَيْنَةَ عَنِ الزُّهْرِيِّ عَنْ أَنَسٍ:  
أَنَّ رَسُولَ اللَّهِ ﷺ سَقَطَ مِنْ فَرَسٍ عَلَى شِقِّهِ الْأَيْمَنِ فَدَخَلُوا عَلَيْهِ  
يَعُودُونَهُ فَحَضَرَتْ الصَّلَاةُ فَلَمَّا قَضَى الصَّلَاةُ قَالَ: «إِنَّمَا جُعِلَ الْإِمَامُ  
لِيُؤْتَمَّ بِهِ فَإِذَا رَكَعَ فَارْكَعُوا وَإِذَا رَفَعَ فَارْفَعُوا وَإِذَا سَجَدَ فَاسْجُدُوا وَإِذَا  
قَالَ سَمِعَ اللَّهُ لِمَنْ حَمِدَهُ فَقُولُوا رَبَّنَا لَكَ الْحَمْدُ».

### (17) - الْاِئْتِمَامُ بِمَنْ يَأْتُمُّ بِالْإِمَامِ

792 - أَخْبَرَنَا سُؤَيْدُ بْنُ نَصْرٍ قَالَ: أَنْبَأَنَا عَبْدُ اللَّهِ بْنُ الْمُبَارَكِ عَنْ  
جَعْفَرِ بْنِ حَيَّانَ عَنْ أَبِي نَضْرَةَ عَنْ أَبِي سَعِيدٍ الْخُدْرِيِّ: أَنَّ النَّبِيَّ ﷺ

that many of his companions were in the rear, thereupon he said to them: "Come forward to follow me, and let those who will come after you follow you; and a people will keep themselves in the rear (to be far from the first rows) until Allah delays them (from coming out of the fire)."

**793-** The same is narrated on the authority of Abu Nadrah.

**794-** It is narrated on the authority of A'ishah that The Messenger of Allah "Allah's blessing and peace be upon him" ordered Abu Bakr to lead the prayer, and The Messenger of Allah "Allah's blessing and peace be upon him" was sitting in front of Abu Bakr: he prayed while sitting, and Abu Bakr (who followed his prayer) led the people in the prayer, who were standing behind Abu Bakr.

**795-** It is narrated on the authority of Jabir that he said: The Messenger of Allah "Allah's blessing and peace be upon him" led us in Zhuhr prayer, and Abu Bakr was standing behind him. Whenever The Messenger of Allah "Allah's blessing and peace be upon him" magnified Allah, Abu Bakr would magnify Allah (in a loud voice) so that he would make us hear him.

### **[18] The Position Of The Imam If The Praying Men Are Three**

**796-** It is narrated on the authority of both Alqamah and Al-Aswad that they said: We came to visit Abdullah ad midday, and he said to us: There will be rulers, who will be occupied from offering prayer at its due time: so, you should offer prayer just at its due time. Then he stood and led us in the prayer, and stood between us. He said: As such I saw The Messenger of Allah "Allah's blessing and peace be upon him" having done.

**797-** It is narrated on the authority of Buraidah Ibn Sufyan Ibn Farwah Al-Aslami from a slave belonging to his grandfather called Mas'ud that he said: The Messenger of Allah "Allah's blessing and peace be upon him" and Abu Bakr came upon me, and Abu Bakr said to me: "O Mas'ud! Go to Abu Tamim (my master) and ask him to provide us with a riding camel to carry us, and provisions, and a guide to guide us during the journey." I went to my master and told him, and he sent with me a riding camel and a leather container full of milk. I proceeded on with them and went on hiding them on the way (from the pagans). When the prayer was due The Messenger of Allah "Allah's blessing and peace be upon him" stood to offer prayer and Abu Bakr stood on his right. I knew Islam while I was with them, thereupon I came and stood behind them (to offer prayer with them), thereupon The Messenger of Allah "Allah's blessing and peace be upon him" pushed the chest of Abu Bakr (to bring him back) and we both stood behind The Messenger of Allah "Allah's blessing and peace be upon him".

رَأَى فِي أَصْحَابِهِ تَأْخَرًا فَقَالَ: «تَقَدَّمُوا فَأَتُمُوا بِي وَلْيَأْتَمْ بِكُمْ مَنْ بَعْدَكُمْ وَلَا يَزَالُ قَوْمٌ يَتَأَخَّرُونَ حَتَّى يُؤَخَّرَهُمُ اللَّهُ عَزَّ وَجَلَّ».

793 - أَخْبَرَنَا سُؤَيْدُ بْنُ نَصْرٍ قَالَ: أَنْبَأَنَا عَبْدُ اللَّهِ عَنِ الْجُرَيْرِيِّ عَنْ أَبِي نَضْرَةَ، نَحْوَهُ.

He ate from it and said: "Get up! I will lead you in the prayer." Anas added: "I took our (straw) mat, which I washed with water as it had become dark because of long use, on which, Allah's Apostle "Allah's blessing and peace be upon him" stood. prayer and I got up (to pray with him) and I stood on his left side, thereupon he did to me as such: he caught me by the head and made me stand on his right side.

### [23] Who Should Stand Next To The Imam?

804- It is narrated on the authority of Abu Mas'ud Al-Ansari that he said: The Messenger of Allah "Allah's blessing and peace be upon him" used to pass his hand over our shoulders (to rest assured of straightening the rows) just before the beginning of the prayer, and say: "Do not be at variance (of your rows) lest your hearts will fall in dispute. Let those of sound minds and good understanding stand behind me (in the prayer), and then those who follow them (in degree) and then those who follow them." Abu Mas'ud said: You now are most ready to be at variance.

805- It is narrated on the authority of Qais Ibn Ubad that he said: While I was standing in the first row in the mosque, a man pulled me from behind and moved me away, and stood in my place. By Allah, I did not know how I was praying. When he turned away behold! he was Ubai Ibn Ka'b. he said: "O young man! Might Allah keep you away from evil! This is a pledge which The Messenger of Allah "Allah's blessing and peace be upon him" took from us that we should be next to him (in standing for prayer)." Then he faced the Qiblah and said thrice: "Those of tied banners (the appointed governors) have been ruined, by the Lord of the Ka'bah!" he further said: "By Allah! I'm not sorry for them, but I'm sorry for such as whom they lead astray." I (a sub-narrator) asked: "O Abu Ya'qub! What does he mean by those of tied banners?" he said: "The appointed governors."

### [24] Establishing The Rows Before The Imam Comes Out

806- It is narrated on the authority of Abu Hurairah that he said: The prayer was established, and we stood (and aligned) and the rows were straightened before The Messenger of Allah "Allah's blessing and peace be upon him" came out to us. Then, The Messenger of Allah "Allah's blessing and peace be upon him" came to us and when he stood in his praying place, he turned away before he magnified (to assume the prayer), and asked us to remain in our places. We kept standing waiting him in our places until he returned to us after he had taken bath, with his head dribbling water. He then magnified Allah and led the prayer.

### [25] How Should The Imam Straighten The Rows?

807- It is narrated on the authority of An-Nu'man Ibn Bashir that he said: The Messenger of Allah "Allah's blessing and peace be upon him" used to straighten the row (of the praying people) until he would make it (as sharply

upright) as a spear or an arrow shaft. Once, he saw a man, whose chest was bulging out of the row. Upon this, he said: "You should rather straighten your rows otherwise, Allah would create dissention among you."

**808-** It is narrated on the authority of Al-Bara' Ibn Azib that he said: The Messenger of Allah "Allah's blessing and peace be upon him" used to break in our rows from one side to another, and pass his hand over our shoulders and chests (to straighten the rows), and say: "Do not be at variance (of your rows) lest your hearts will fall in dispute." He further said: "Allah and His angels invoke prayer and blessing upon those of the first rows."

### **[26] What The Imam Says When He Comes To Straighten The Rows**

**809-** It is narrated on the authority of Abu Mas'ud Al-Ansari that he said: The Messenger of Allah "Allah's blessing and peace be upon him" used to pass his hand over our shoulders (to rest assured of straightening the rows) just before the beginning of the prayer, and say: "Do not be at variance (of your rows) lest your hearts will fall in dispute. Let those of sound minds and good understanding stand behind me (in the prayer), and then those who follow them (in degree) and then those who follow them."

### **[27] How Many Times Should He Say "Straighten Your Rows"?**

**810-** It is narrated on the authority of Anas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" used to say: "Straighten your rows! Straighten your rows! Straighten your rows! For by Him, in Whose Hand is my life, I see you from behind my back in the same way as I see you in front of me."

### **[28] The Imam's Exhortation To Arrange The Rows And Make Them Close To Each Other**

**811-** It is narrated on the authority of Anas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" faced us when he stood to lead the prayer before he magnified (Allah to assume the prayer) and said: "Establish your rows, and stick to each other, for I see you from behind my back."

**812-** It is narrated on the authority of Anas that The Messenger of Allah "Allah's blessing and peace be upon him" said: "Arrange your rows, and make them close to each other, and make your necks at the same level, for by Him in Whose Hand is the life of Muhammad, I see devils entering (the prayer) from the spaces that are left in the row as if they are young goats."

**813-** It is narrated on the authority of Jabir Ibn Samurah that he said: Once, the Messenger of Allah "Allah's blessing and peace be upon him"

رَجُلًا خَارِجًا صَدْرُهُ مِنَ الصَّفِّ فَلَقَدْ رَأَيْتُ النَّبِيَّ ﷺ يَقُولُ: «لَتَقِيمَنَّ صُفُوفُكُمْ أَوْ لِيُخَالِفَنَّ اللَّهُ بَيْنَ وُجُوهِكُمْ».

came out to us and said: "Would you not align (in rows) in the same way as the angels align in the Presence of their Lord?" we asked: "How do the angels align (in rows) in the Presence of their Lord?" he said: "They complete the first rows, and stick to one another in the row."

### **[29] The Superiority Of The First And Second Rows**

814- It is narrated on the authority of Al-Irbad Ibn Sariyah that the Messenger of Allah "Allah's blessing and peace be upon him" used to invoke Allah's prayer thrice upon the first row (of the praying people), and once upon the second row.

### **[30] The Last Row**

815- It is narrated on the authority of Anas that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "Complete the first row and such as next to it (and so on), and if there is any shortage, let it be in the last row."

### **[31] What About Such As Connects A Row?**

816- It is narrated on the authority of Abdullah Ibn Umar that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who connects a row (by filling whatever space it has), Allah keeps good relation with him, and he who cuts off a row (by sitting in the row with no prayer, or preventing anyone to fill the space in the row), Allah severs relation with him."

### **[32] The Best Of Women's Rows, And The Worst Of Men's Rows**

817- It is narrated on the authority of Abu Hurairah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "The best of men's rows (for which they receive the greatest reward) is the first of them, and the worst of them (for which they receive the least reward) is the last of them; and the best of women's rows is the last of them, and the worst of them is the first of them." (This applies to women when they mix with men in prayer. But in case they offer prayer alone, of a surety, the first of their rows is the best, and Allah knows better).

### **[33] What About The Row Between Pillars?**

818- It is narrated on the authority of Abd Al-Hamid Ibn Mahmud that he said: We were offering prayer with Anas Ibn Malik behind one of the governors, and we were pushed until we stood and offered prayer between both pillars, thereupon Anas moved backward. On that he said: We were

«أَلَا تَصُفُّونَ كَمَا تَصُفُّ الْمَلَائِكَةُ عِنْدَ رَبِّهِمْ؟» قَالُوا: وَكَيْفَ تَصُفُّ الْمَلَائِكَةُ عِنْدَ رَبِّهِمْ؟ قَالَ: «يُثْمُونَ الصَّفَّ الْأَوَّلَ ثُمَّ يَتَرَاوُونَ فِي الصَّفِّ».

### **[34] The Very Place In The Row That Is Desirable**

819- It is narrated on the authority of Al-Bara' that he said: Whenever we offered prayer behind the Messenger of Allah “Allah’s blessing and peace be upon him”, I liked to be on his right side.

### **[35] The Imam Has To Make Short The Prayer**

820- It is narrated on the authority of Abu Hurairah that he said: the Messenger of Allah “Allah’s blessing and peace be upon him” said: "When anyone of you leads the people in the prayer, let him make it short, for among the people, there are the ill, the weak, and the old one; and when anyone of you prays alone, let him prolong it as much as he likes."

821- It is narrated on the authority of Anas that the Messenger of Allah “Allah’s blessing and peace be upon him” was the best amongst the people to make short the prayer, even though (his prayer was) perfectly complete (as far as standing, bowing, prostration and sitting are concerned).

822- It is narrated on the authority of Abdullah Ibn Abu Qatadah from his father that the Messenger of Allah “Allah’s blessing and peace be upon him” said: "I stand in prayer (with the intention to prolong it) but on hearing the cry of a child, I make short my prayer, for I dislike to put his mother to difficulty."

### **[36] The Concession For The Imam To Prolong The Prayer**

823- It is narrated on the authority of Abdullah Ibn Umar that he said: the Messenger of Allah “Allah’s blessing and peace be upon him” used to order us to make short the prayer (in congregation), even though he led us in the prayer with (the Surah of) As-Saffat (so that such as likes to imitate his way of recitation might learn it).

### **[37] Which Act Is Permissible For The Imam To Do In The Prayer?**

824- It is narrated on the authority of Abu Qatadah that he said: I saw the Messenger of Allah “Allah’s blessing and peace be upon him” offering prayer, while he was carrying Umamah, daughter of Abu Al-As on his shoulder: whenever he bowed down, he would place her (on the ground), and whenever he rose from his prostration he would take her once again.

### [38] What About The Attempt To Precede The Imam?

825- It is narrated on the authority of Abu Hurairah that he said: Muhammad the Messenger of Allah "Allah's blessing and peace be upon him" said: "Does such as raises his head before the imam not fear that Allah might turn his head into that of a donkey?"

826- It is narrated on the authority of Abdullah Ibn Yazid that he said addressing the people: Al-Bara' told us, and he was reliable, that whenever they offered prayer with the Messenger of Allah "Allah's blessing and peace be upon him", and he raised his head from bowing, they would stand and keep standing until they would see him having fallen in prostration, and then they would prostrate.

827- It is narrated on the authority of Hittan Ibn Abdullah Ar-Raqishi that he said: I offered prayer with Abu Musa Al-Ash'ari and when he was in the sitting posture (after the second Rak'ah), one from the people entered the prayer and said: "The prayer has been made obligatory along with piety and charity." After Abu Musa had finished the prayer with the end salutation, he faced (the people) and said: "Who amongst you said such-and-such a thing?" The people kept silent. He said: "O Hittan! Perhaps it is you who uttered it!" He (Hittan) said: "No. I did not utter it. I feared that you might blame me for it." Abu Musa said: "Verily The Messenger of Allah "Allah's blessing and peace be upon him" taught us the way of offering our prayer. He (The Prophet) said: "Indeed, the imam is made to be followed: Recite the Takbir when he recites it. When he recites: "Not of those upon whom wrath falls, nor those who go astray", say: "Amen". Verily, Allah would respond to you. When he (the imam) kneels down in bowing, you should also bow (after him). When he raises his head (from bowing) and says: "Allah hears him who sends praises to Him", you should say: "Allah, our Lord, to You be all the praises", for Allah "Exalted and Glorified be He" would listen (and respond) to you. When he (the imam) prostrates, you should also prostrate. When he raises his (head from prostration), you should also raise your heads (after him) for the imam prostrates before you and raises (his head) before you." Then The Messenger of Allah "Allah's blessing and peace be upon him" said: "The one is equal to the other" (i.e. the one moment with which the imam precedes you in bowing is equal to the moment in which you bow and raise your head after him, and in this way, his bowing becomes equivalent to yours).

### [39] When One Leaves His Prayer With The Imam And Completes His Prayer Apart In The Mosque

828- It is narrated on the authority of Jabir that he said: A man from amongst the Ansar came after the prayer had been established. He entered the mosque and offered prayer behind Mu'adh Ibn Jabal, who prolonged the prayer, thereupon the man turned away, and offered prayer apart in one corner of the mosque, and then he left. When Mu'adh finished it was said to him: "So and so did such and such." Mu'adh said: "When it is morning, I will go and make a mention of that to The Messenger of Allah "Allah's blessing and peace be upon him". Mu'adh went to The Messenger of Allah "Allah's blessing and peace be upon him" and made a mention of that to him, thereupon The Messenger of Allah "Allah's blessing and peace be upon him" invited the man and asked him: "What led you to do what you did?" He said: "O Messenger of Allah! I was working along the day on my camel which was used for carrying water, and when I came the prayer had been established. I entered the mosque, and offered prayer with him, and he recited such and such (long) Surahs, and he prolonged the prayer. I turned away and offered prayer apart in one corner of the mosque." The Messenger of Allah "Allah's blessing and peace be upon him" said: "O Mu'adh! Are you going to put (the people praying behind you) to trial? O Mu'adh! Are you going to put (the people praying behind you) to trial? O Mu'adh! Are you going to put (the people praying behind you) to trial?"

When he finished from the prayer he said: "No doubt, the imam is made to be followed: when he prays while standing, you should pray while standing; when he bows down, you should bow down (after him); when he says: "Allah hears such as praises Him" you should reply: "O Allah our Lord! To You be All the praises!"; when he falls in prostration, you should also fall in prostration; and when he prays as sitting, you all should pray as sitting."

830- It is narrated on the authority of A'ishah that she said: When Allah's Apostle "Allah's blessing and peace be upon him" became seriously ill, Bilal came to him to inform him of the due time of the prayer. He said: "Tell Abu Bakr to lead the people in the prayer." I said: "O Allah's Apostle! Abu Bakr is a softhearted man and if he stands in your place, he would not be able to

830 - أَخْبَرَنَا مُحَمَّدُ بْنُ الْعَلَاءِ قَالَ: حَدَّثَنَا أَبُو مُعَاوِيَةَ عَنِ الْأَعْمَشِ عَنْ إِبْرَاهِيمَ عَنِ الْأَسْوَدِ عَنْ عَائِشَةَ قَالَتْ: لَمَّا ثَقُلَ رَسُولُ اللَّهِ ﷺ جَاءَ بِلَالٌ يُؤَذِّنُهُ بِالصَّلَاةِ فَقَالَ: «مُرُوا أَبَا بَكْرٍ فَلْيُصَلِّ بِالنَّاسِ» قَالَتْ: قُلْتُ يَا رَسُولَ اللَّهِ إِنَّ أَبَا بَكْرٍ رَجُلٌ أَسِيفٌ وَإِنَّهُ مَتَى يَقُومُ فِي مَقَامِكَ لَا يُسْمِعُ النَّاسَ فَلَوْ أَمَرْتُ عُمَرَ

make the people hear him. Would you order Umar (to lead the prayer)?" The Prophet "Allah's blessing and peace be upon him" said: "Tell Abu Bakr to lead the people in the prayer." Then I told Hafsa to say to him the same (as I had said) and she did accordingly. The Prophet "Allah's blessing and peace be upon him" said: "Verily you, women, are the companions of Joseph. Tell Abu Bakr to lead the people in the prayer." So Abu Bakr was ordered to lead the prayer. When he stood to lead the prayer, Allah's Apostle "Allah's blessing and peace be upon him" felt better and came out with the help of two persons with both of his legs dragging on the ground till he entered the mosque. When Abu Bakr heard him coming, he tried to retreat but Allah's Apostle "Allah's blessing and peace be upon him" gestured to him to carry on. The Prophet "Allah's blessing and peace be upon him" proceeded on until he sat on the left side of Abu Bakr. The Messenger of Allah "Allah's blessing and peace be upon him" was leading the prayer as sitting, and Abu Bakr was praying while standing. Abu Bakr was following the Prophet "Allah's blessing and peace be upon him" and the people were following Abu Bakr (in the prayer).

**831-** It is narrated on the authority of Ubaidullah Ibn Abdullah that he said: I visited A'ishah and asked her: "Would you not tell me about the fatal sickness of the Messenger of Allah "Allah's blessing and peace be upon him"?" A'ishah said: "When the Prophet "Allah's blessing and peace be upon him" became seriously ill he asked whether the people had prayed. We replied: "No. O Allah's Apostle! They are waiting for you." He added: "Put water for me in a trough." A'ishah added: We did so. He took a bath and tried to get up but fell unconscious. When he recovered, he again asked whether the people had prayed. We said: "No, they are waiting for you. O Allah's Apostle!" He again said: "Put water in a trough for me." He sat down and took a bath and tried to get up but he fell unconscious again. Then he recovered and said in the third time the same as he had said. At that time, the people were in the mosque waiting for The Prophet "Allah's blessing and peace be upon him" for the Isha prayer. The Prophet "Allah's blessing and peace be upon him" sent for Abu Bakr to lead the people in the prayer. The messenger went to Abu Bakr and said: "Allah's Apostle "Allah's blessing and peace be upon him" orders you to lead the people in the prayer." Abu Bakr was a softhearted man, so he demanded Umar to lead the prayer but Umar replied: "You are more entitled to do." So Abu Bakr led the prayer in those days. When The Prophet "Allah's blessing and peace be upon him" felt a bit better, he came out for Zhuhr prayer with the help of two persons one of whom was Al-Abbas, While Abu Bakr was leading the people in the prayer.

فَقَالَ: «مُرُوا أَبَا بَكْرٍ فَلْيُصَلِّ بِالنَّاسِ». فَقُلْتُ لِحَفْصَةَ قُولِي لَهُ. فَقَالَتْ لَهُ، فَقَالَ: «إِنَّكُنْ لَأَنْتُنَّ صَوَاحِبَاتُ يُوسُفَ مُرُوا أَبَا بَكْرٍ فَلْيُصَلِّ بِالنَّاسِ». قَالَتْ: فَأَمُرُوا أَبَا بَكْرٍ فَلَمَّا دَخَلَ فِي الصَّلَاةِ وَجَدَ رَسُولَ اللَّهِ ﷺ مِنْ نَفْسِهِ خِفَّةً، قَالَتْ فَقَامَ يُهَادِي بَيْنَ رَجُلَيْنِ وَرِجْلَاهُ تَخْطَانِ فِي الْأَرْضِ فَلَمَّا دَخَلَ الْمَسْجِدَ سَمِعَ أَبُو بَكْرٍ حِسَّهُ فَذَهَبَ لِيَتَأَخَّرَ فَأَوْمَأَ إِلَيْهِ رَسُولُ اللَّهِ ﷺ أَنْ قُمْ كَمَا أَنْتَ. قَالَتْ: فَجَاءَ رَسُولُ اللَّهِ ﷺ حَتَّى قَامَ عَنْ يَسَارِ أَبِي بَكْرٍ جَالِسًا، فَكَانَ رَسُولُ اللَّهِ ﷺ يُصَلِّي بِالنَّاسِ جَالِسًا وَأَبُو بَكْرٍ قَائِمًا يَقْتَدِي بِرَسُولِ اللَّهِ ﷺ وَالنَّاسُ يَقْتَدُونَ بِصَلَاةِ أَبِي بَكْرٍ رَضِيَ اللَّهُ عَنْهُ.

When Abu Bakr saw him he wanted to retreat but The Prophet "Allah's blessing and peace be upon him" beckoned to him not to do so and asked them to make him sit beside Abu Bakr and they did so. Abu Bakr was leading the prayer while standing, and the people were following Abu Bakr, and The Prophet "Allah's blessing and peace be upon him" was offering prayer while sitting." Ubaidullah added: I went to Abdullah Ibn Abbas and said to him: "Do you allow me to expose to you what A'ishah had related to me about the fatal sickness of the Messenger of Allah "Allah's blessing and peace be upon him"?" He said: "Alright. Tell me." I told him what A'ishah had reported to me. He did deny nothing of what she had told me. But he asked: "Did she name to you the other man who was with Al-Abbas?" I answered: "No." he said: "He was Ali Ibn Abu Talib."

#### **[41] When The Intentions Of Both The Imam And Such As Prays Behind Him Differ**

(I.e. when the intention of the imam is to assume an obligatory prayer, and that of such as prays behind him is to assume a supererogatory prayer, and vice versa).

**832-** It is narrated on the authority of Jabir Ibn Abdullah that he said: Mu'adh Ibn Jabal used to offer the Isha prayer with The Prophet "Allah's blessing and peace be upon him" and then go to lead his people in prayer. Once he delayed in offering the prayer with the Messenger of Allah "Allah's blessing and peace be upon him", and then he went and led the Isha prayer and recited The Surah of Al-Baqarah. Somebody turned his side and (finished the prayer with the end salutation and then) prayed alone and departed. The people said to him: "Have you become a hypocrite O so-and-so?" he said: "No, by Allah! and I will go and make a mention of that to the Messenger of Allah "Allah's blessing and peace be upon him"." then, he went to The Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! Mu'adh used to offer Isha prayer with you and then he would come and lead us in the prayer. Last night, you prolonged the prayer, and after he had offered prayer with you he came and led us in the prayer, in which he recited the Surah of The Heifer. When I heard that, I moved backward and prayed alone. However, We look after camels for watering, and work with our own hands during the day." The Messenger of Allah "Allah's blessing and peace be upon him" turned to Mu'adh and said to him: "O Mu'adh! Are you putting the people (who pray behind you) to trial? Recite such-and-such a Surah, and such-and-such a Surah."

رَجُلٌ مِنَ الْقَوْمِ تَأَخَّرَ فَصَلَّى ثُمَّ خَرَجَ فَقَالُوا: نَافَقْتَ يَا فُلَانُ فَقَالَ:  
وَاللَّهِ مَا نَافَقْتُ وَلَا تَيْنَ النَّبِيِّ ﷺ فَأَخْبِرُهُ فَأَتَى النَّبِيَّ ﷺ فَقَالَ: يَا

833- It is narrated on the authority of Abu Bakrah that The Messenger of Allah "Allah's blessing and peace be upon him" offered Fear prayer: he prayed two rak'ahs with those who were behind him, and further two rak'ahs with those who came (and stood behind him after them). in this way, it was of four rak'ahs for The Messenger of Allah "Allah's blessing and peace be upon him", and of only two rak'ahs for each (of both parties).

837- It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If they are three persons, let one of them lead the prayer, and such as recites the Qur'an best among them is more entitled to lead the prayer."

#### **[44] When The Group Is Of A Man, A Boy And A Woman**

838- It is narrated on the authority of Ibn Abbas that he said: I offered prayer with Allah's Apostle "Allah's blessing and peace be upon him", and A'ishah was standing behind us, and she was praying with us, and I was standing by the side of Allah's Apostle "Allah's blessing and peace be upon him", praying with him.

#### **[45] When The Group Is Of Two Persons**

839- It is narrated on the authority of Ibn Abbas that he said: I offered prayer with Allah's Apostle "Allah's blessing and peace be upon him", and I stood on his left side, thereupon he caught me with his left hand, and made me stand on his right side.

833 - أَخْبَرَنَا عَمْرُو بْنُ عَلِيٍّ قَالَ: حَدَّثَنَا يَحْيَى عَنْ أَشْعَثَ عَنِ الْحَسَنِ عَنْ أَبِي بَكْرَةَ عَنِ النَّبِيِّ ﷺ: أَنَّهُ صَلَّى صَلَاةَ الْخَوْفِ فَصَلَّى بِالَّذِينَ خَلْفَهُ رَكَعَتَيْنِ وَبِالَّذِينَ جَاؤُوا رَكَعَتَيْنِ فَكَانَتْ لِلنَّبِيِّ ﷺ أَرْبَعًا وَلِهَؤُلَاءِ رَكَعَتَيْنِ رَكَعَتَيْنِ.

#### (42) - فَضْلُ الْجَمَاعَةِ

834 - أَخْبَرَنَا قُتَيْبَةُ عَنْ مَالِكٍ عَنْ نَافِعٍ عَنْ ابْنِ عُمَرَ أَنَّ رَسُولَ اللَّهِ ﷺ قَالَ: «صَلَاةُ الْجَمَاعَةِ تَفْضُلُ عَلَى صَلَاةِ الْفَذِّ سَبْعٍ وَعِشْرِينَ دَرَجَةً».

835 - أَخْبَرَنَا قُتَيْبَةُ عَنْ مَالِكٍ عَنْ ابْنِ شِهَابٍ عَنْ سَعِيدِ بْنِ الْمُسَيَّبِ عَنْ أَبِي هُرَيْرَةَ؛ أَنَّ رَسُولَ اللَّهِ ﷺ قَالَ: «صَلَاةُ الْجَمَاعَةِ أَفْضَلُ مِنْ صَلَاةِ أَحَدِكُمْ وَخَذَهُ خَمْسًا وَعِشْرِينَ جُزْءًا».

836 - أَخْبَرَنَا عَبْدُ اللَّهِ بْنُ سَعِيدٍ قَالَ: حَدَّثَنَا يَحْيَى بْنُ سَعِيدٍ عَنْ عَبْدِ الرَّحْمَنِ بْنِ عَمَّارٍ قَالَ: حَدَّثَنِي الْقَاسِمُ بْنُ مُحَمَّدٍ عَنْ عَائِشَةَ عَنِ النَّبِيِّ ﷺ قَالَ: «صَلَاةُ الْجَمَاعَةِ تَزِيدُ عَلَى صَلَاةِ الْفَذِّ خَمْسًا وَعِشْرِينَ دَرَجَةً».

#### (43) - الْجَمَاعَةُ إِذَا كَانُوا ثَلَاثَةً

#### (44) - الْجَمَاعَةُ إِذَا كَانُوا ثَلَاثَةً رَجُلٌ

وَصَبِيٌّ وَامْرَأَةٌ

838 - أَخْبَرَنَا مُحَمَّدُ بْنُ إِسْمَاعِيلَ بْنِ إِبْرَاهِيمَ قَالَ: حَدَّثَنَا حَجَّاجٌ قَالَ ابْنُ جُرَيْجٍ: أَخْبَرَنِي زِيَادٌ أَنَّ قَزْعَةَ مَوْلَى لَعْبِدِ الْقَيْسِ أَخْبَرَهُ، أَنَّهُ سَمِعَ عِكْرِمَةَ قَالَ: قَالَ ابْنُ عَبَّاسٍ: صَلَّيْتُ إِلَى جَنْبِ النَّبِيِّ ﷺ وَعَائِشَةُ خَلْفَنَا تُصَلِّي مَعَنَا وَأَنَا إِلَى جَنْبِ النَّبِيِّ ﷺ أَصَلِّي مَعَهُ.

#### (45) - الْجَمَاعَةُ إِذَا كَانُوا اثْنَيْنِ

839 - أَخْبَرَنَا سُؤَيْدُ بْنُ نَصْرٍ قَالَ: حَدَّثَنَا عَبْدُ اللَّهِ عَنْ عَبْدِ الْمَلِكِ بْنِ أَبِي سُلَيْمَانَ عَنْ عَطَاءٍ عَنْ ابْنِ عَبَّاسٍ قَالَ: صَلَّيْتُ مَعَ رَسُولِ اللَّهِ ﷺ فَقُمْتُ عَنْ يَسَارِهِ فَأَخَذَنِي بِيَدِهِ الْيُسْرَى فَأَقَامَنِي عَنْ يَمِينِهِ.

840- It is narrated on the authority of Ubai Ibn Ka'b that he said: Once, the Messenger of Allah "Allah's blessing and peace be upon him" led the Morning prayer with us, and then he asked: "Is so and so present?" they answered in the negative. He further asked: "Is so and so present?" they answered in the negative, thereupon he said: "No doubt, those two prayers (Isha and Fajr) are the heaviest upon the hypocrites, and if you know (what excellence) they have, surely you will come to attend them even if crawling. No doubt, the first row (of praying people) is like the row of angels; and if you know its superiority you will hasten to come to it. Verily. The prayer of one with another is much better than his prayer alone, and his prayer with two is much better than his prayer with one, and the more there is increase in number, the more it becomes dear in the Sight of Allah Almighty."

#### [46] Offering Supererogatory Prayer In Congregation

841- It is narrated on the authority of Itban Ibn Malik that he said to the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! the torrent hinders me from reaching the mosque of my people (because I'm blind, and I lead them in prayer): so, I like that you should come and offer prayer in a certain location of my house, so that I would take it as a place of worship." the Messenger of Allah "Allah's blessing and peace be upon him" said: "We will do, Allah Willing." When the Messenger of Allah "Allah's blessing and peace be upon him" entered the house he asked me: "Where do you like (me to offer prayer in your house)?" I pointed out a corner in the house, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" stood and we aligned behind him, and he led us in a two-rak'ah prayer.

#### [47] Offering The Missing Prayer In Congregation

842- It is narrated on the authority of Anas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" faced us when he stood to lead the prayer before he magnified (Allah to assume the prayer) and said: "Establish your rows, and stick to each other, for I see you from behind my back."

843- It is narrated on the authority of Abdullah Ibn Abu Qatadah from his father that he said: One night we were travelling with The Prophet "Allah's blessing and peace be upon him" when some people said: "We wish that Allah's Apostle "Allah's blessing and peace be upon him" would take rest along with us during the last hours of the night." He said: "I am afraid that you will sleep and miss the (Fajr) prayer." Bilal said: "I will make you get up." So all slept (except for) Bilal (who) rested his back against his mount.

840 - أَخْبَرَنَا إِسْمَاعِيلُ بْنُ مَسْعُودٍ قَالَ: حَدَّثَنَا خَالِدُ بْنُ الْحَارِثِ عَنْ شُعْبَةَ عَنْ أَبِي إِسْحَاقَ، أَنَّهُ أَخْبَرَهُمْ عَنْ عَبْدِ اللَّهِ بْنِ أَبِي بَصِيرٍ عَنْ أَبِيهِ، قَالَ شُعْبَةُ: وَقَالَ أَبُو إِسْحَاقَ: وَقَدْ سَمِعْتُهُ مِنْهُ وَمِنْ أَبِيهِ قَالَ: سَمِعْتُ أَبِي بْنَ كَعْبٍ يَقُولُ: صَلَّى رَسُولُ اللَّهِ ﷺ يَوْمًا صَلَاةَ الصُّبْحِ فَقَالَ: «أَشْهَدُ فُلَانٌ الصَّلَاةَ؟» قَالُوا: لَا قَالَ: «فَفُلَانٌ؟» قَالُوا: لَا قَالَ: «إِنَّ هَاتَيْنِ الصَّلَاتَيْنِ مِنْ أَثْقَلِ الصَّلَاةِ عَلَى الْمُنَافِقِينَ وَلَوْ يَعْلَمُونَ مَا فِيهِمَا لَأَتَوْهُمَا وَلَوْ حَبَوًّا وَالصَّفَّ الْأَوَّلَ عَلَى مِثْلِ صَفِّ الْمَلَائِكَةِ وَلَوْ تَعْلَمُونَ فَضِيلَتَهُ لَأَبْتَدَرْتُمُوهُ وَصَلَاةُ الرَّجُلِ مَعَ الرَّجُلِ أَزْكَى مِنْ صَلَاتِهِ وَخَدَهُ وَصَلَاةُ الرَّجُلِ مَعَ الرَّجُلَيْنِ أَزْكَى مِنْ صَلَاتِهِ مَعَ الرَّجُلِ وَمَا كَانُوا أَكْثَرَ فَهُوَ أَحَبُّ إِلَيَّ اللَّهُ عَزَّ وَجَلَّ».

#### (46) - الْجَمَاعَةُ لِلنَّافِلَةِ

841 - أَخْبَرَنَا نَصْرُ بْنُ عَلِيٍّ قَالَ: أَنْبَأَنَا عَبْدُ الْأَعْلَى قَالَ: حَدَّثَنَا مَعْمَرٌ عَنِ الزُّهْرِيِّ عَنْ مُحَمَّدٍ عَنْ عِثْبَانَ بْنِ مَالِكٍ: أَنَّهُ قَالَ: يَا رَسُولَ اللَّهِ إِنَّ السُّيُولَ لَتَحُولُ بَيْنِي وَبَيْنَ مَسْجِدِ قَوْمِي فَأَجِبْ أَنْ تَأْتِيَنِي فَتُصَلِّيَ فِي مَكَانٍ مِنْ بَيْتِي أَتَّخِذُهُ مَسْجِدًا فَقَالَ رَسُولُ اللَّهِ ﷺ: «سَنَفْعَلُ»، فَلَمَّا دَخَلَ رَسُولُ اللَّهِ ﷺ قَالَ: «أَبْنِ ثُرَيْدُ؟» فَأَشْرَفْتُ إِلَى نَاحِيَةِ مِنَ الْبَيْتِ فَقَامَ رَسُولُ اللَّهِ ﷺ فَصَفَفْنَا خَلْفَهُ فَصَلَّى بِنَا رَكَعَتَيْنِ.

#### (47) - الْجَمَاعَةُ لِلْفَائِتِ مِنَ الصَّلَاةِ

842 - أَنْبَأَنَا عَلِيُّ بْنُ حُجْرٍ قَالَ: أَنْبَأَنَا إِسْمَاعِيلُ عَنْ حُمَيْدٍ عَنْ أَنَسٍ قَالَ: أَقْبَلَ عَلَيْنَا رَسُولُ اللَّهِ ﷺ بِوَجْهِهِ حِينَ قَامَ إِلَى الصَّلَاةِ قَبْلَ أَنْ يُكَبِّرَ فَقَالَ: «أَقِيمُوا صُفُوفَكُمْ وَتَرَاصُّوا فَإِنِّي أَرَاكُمْ مِنْ وَرَاءِ ظَهْرِي».

843 - أَخْبَرَنَا هَنَادُ بْنُ السَّرِيِّ قَالَ: حَدَّثَنَا أَبُو زُبَيْدٍ وَاسْمُهُ عُبَيْرُ بْنُ الْقَاسِمِ عَنْ حُصَيْنٍ عَنْ عَبْدِ اللَّهِ بْنِ أَبِي قَتَادَةَ عَنْ أَبِيهِ قَالَ: كُنَّا مَعَ رَسُولِ اللَّهِ ﷺ إِذْ قَالَ بَعْضُ الْقَوْمِ: لَوْ عَرَّسَتْ بِنَا يَا رَسُولَ اللَّهِ قَالَ: «إِنِّي أَخَافُ أَنْ تَنَامُوا عَنِ الصَّلَاةِ». قَالَ بِلَالٌ: أَنَا أَحْفَظُكُمْ، فَاضْطَجَعُوا فَنَامُوا وَأَسْنَدَ بِلَالٌ ظَهْرَهُ إِلَى رَاحِلَتِهِ فَاسْتَيْقِظَ رَسُولُ اللَّهِ ﷺ وَقَدْ طَلَعَ حَاجِبُ الشَّمْسِ فَقَالَ: «يَا بِلَالُ، أَيْنَ مَا قُلْتَ؟» قَالَ: مَا أَلْقَيْتُ عَلَيَّ نَوْمَةً مِثْلَهَا قَطُّ.

But, he too was overwhelmed (by sleep). The Prophet "Allah's blessing and peace be upon him" got up when the edge of the sun had risen and said: "O Bilal! What about your statement?" He replied: "I have never slept as such (before)." The Prophet "Allah's blessing and peace be upon him" said: "Allah captured your souls when He wished, and released them when He wished. O Bilal! Get up and pronounce the Adhan for the prayer." The Prophet "Allah's blessing and peace be upon him" performed ablution and when the sun rose high and became bright, he stood up and led the prayer.

#### **[48] The Severe Warning Of Leaving (The Prayer In) Congregation**

**844-** It is narrated on the authority of Ma'dan Ibn Abu Talhah Al-Ya'muri that he said: Abu Ad-Darda' asked me: "Where is your residence?" I said: "In a village near Hims." He said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "There is no village nor town having (at least) three persons in which the prayer is not established in congregation but that Satan has possessed them. So, stick to (offering prayer in) congregation for indeed the wolf eats only such as lives alone."

#### **[49] The Severe Warning Of Remaining Behind The Congregation**

**845-** It is narrated on the authority of Abu Hurairah that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "By Him in Whose Hand my soul is! I was about to order for collecting firewood and then order Someone to pronounce the Adhan for the prayer and another to lead the prayer. Then I would go from behind and burn the houses of men who did not present themselves for the (compulsory congregational) prayer. By Him, in Whose Hands my soul is! If anyone of them had known that he would get a bone covered with good meat or two (small) pieces of meat present in between two ribs, he would have turned up for the Isha prayer."

#### **[50] Guarding Strictly The Prayers Where They Are called For**

**846-** It is narrated on the authority of Abdullah that he said: He, who likes to meet Allah tomorrow as Muslim, should keep on offering those (obligatory congregational) prayers, wherever the call for prayer is pronounced for them (i.e. in the mosques). That is because Allah has laid down for your Prophet the ways of right guidance, from amongst which are those (prayers). I do not think but anyone of you has in his house a place of worship, in which he prays. But even, if you pray in your houses and fail to attend (the congregational prayer in) your mosques, you would give up the tradition of your Prophet; and if you give up the tradition of your Prophet, you would go astray. No man, purifies himself (by performing ablution) perfectly, then walks to attend one of those (obligatory congregational)

قَالَ رَسُولُ اللَّهِ ﷺ: «إِنَّ اللَّهَ عَزَّ وَجَلَّ قَبَضَ أَرْوَاحَكُمْ حِينَ شَاءَ فَرَدَّهَا حِينَ شَاءَ ثُمَّ يَا بِلَالُ فَأَذِّنِ النَّاسَ بِالصَّلَاةِ» فَقَامَ بِلَالٌ فَأَذَّنَ فَتَوَضَّؤُوا يَعْنِي حِينَ أَرْتَفَعَتِ الشَّمْسُ ثُمَّ قَامَ فَصَلَّى بِهِمْ.

#### (48) - التَّشْدِيدُ فِي تَرْكِ الْجَمَاعَةِ

844 - أَخْبَرَنَا سُويْدُ بْنُ نَصْرِ قَالَ: أَنْبَأَنَا عَبْدُ اللَّهِ بْنُ الْمُبَارَكِ عَنْ زَائِدَةَ بْنِ قُدَامَةَ قَالَ: حَدَّثَنَا السَّائِبُ بْنُ حُبَيْشٍ الْكَلَاعِيُّ عَنْ مَعْدَانَ بْنِ أَبِي طَلْحَةَ الْيَعْمُرِيُّ قَالَ: قَالَ لِي أَبُو الدَّرْدَاءِ أَيْنَ مَسْكُنُكَ؟ قُلْتُ: فِي قَرْيَةٍ دُوَيْنَ حِمَصَ فَقَالَ أَبُو الدَّرْدَاءِ: سَمِعْتُ رَسُولَ اللَّهِ ﷺ يَقُولُ: «مَا مِنْ ثَلَاثَةٍ فِي قَرْيَةٍ وَلَا بَدْوٍ لَا تُقَامُ فِيهِمُ الصَّلَاةُ إِلَّا قَدْ اسْتَحْوَذَ عَلَيْهِمُ الشَّيْطَانُ فَعَلَيْكُمْ بِالْجَمَاعَةِ فَإِنَّمَا يَأْكُلُ الذُّبُّ الْقَاصِيَةَ». قَالَ السَّائِبُ: يَعْنِي بِالْجَمَاعَةِ الْجَمَاعَةُ فِي الصَّلَاةِ.

#### (49) - التَّشْدِيدُ فِي التَّخَلُّفِ عَنِ الْجَمَاعَةِ

845 - أَخْبَرَنَا قُتَيْبَةُ عَنْ مَالِكٍ عَنْ أَبِي الزِّنَادِ عَنِ الْأَعْرَجِ عَنْ أَبِي هُرَيْرَةَ أَنَّ رَسُولَ اللَّهِ ﷺ قَالَ: «وَالَّذِي نَفْسِي بِيَدِهِ لَقَدْ هَمَمْتُ أَنْ أُمَرَ بِحَطْبٍ فَيُحْطَبَ ثُمَّ أُمَرَ بِالصَّلَاةِ فَيُؤَذَّنَ لَهَا ثُمَّ أُمَرَ رَجُلًا فَيُؤَمُّ النَّاسَ ثُمَّ أُخَالِفَ إِلَى رَجَالٍ فَأُحَرِّقَ عَلَيْهِمْ بُيُوتَهُمْ، وَالَّذِي نَفْسِي بِيَدِهِ لَوْ يَعْلَمُ أَحَدُهُمْ أَنَّهُ يَجِدُ عَظْمًا سَمِينًا أَوْ مِرْمَاتَيْنِ حَسَنَتَيْنِ لَشَهِدَ الْعِشَاءَ».

#### (50) - الْمُحَافَظَةُ عَلَى الصَّلَوَاتِ حَيْثُ يُنَادَى بِهِنَّ

846 - أَخْبَرَنَا سُويْدُ بْنُ نَصْرِ قَالَ: أَنْبَأَنَا عَبْدُ اللَّهِ بْنُ الْمُبَارَكِ عَنِ الْمَسْعُودِيِّ عَنْ عَلِيِّ بْنِ الْأَقْمَرِ عَنْ أَبِي الْأَخْوَصِ عَنْ عَبْدِ اللَّهِ: «أَنَّهُ كَانَ يَقُولُ: مَنْ سَرَّهُ أَنْ يَلْقَى اللَّهَ عَزَّ وَجَلَّ غَدًا مُسْلِمًا فَلْيُحَافِظْ عَلَى هَؤُلَاءِ الصَّلَوَاتِ الْخَمْسِ حَيْثُ يُنَادَى بِهِنَّ فَإِنَّ اللَّهَ عَزَّ وَجَلَّ شَرَعَ لِنَبِيِّهِ ﷺ سُنَنَ الْهُدَى وَإِنَّهُنَّ مِنْ سُنَنِ الْهُدَى وَإِنِّي لَا أَحْسَبُ مِنْكُمْ أَحَدًا إِلَّا لَهُ مَسْجِدٌ يُصَلِّي فِيهِ فِي بَيْتِهِ فَلَوْ صَلَّيْتُمْ فِي بُيُوتِكُمْ وَتَرَكْتُمْ مَسَاجِدَكُمْ لَتَرَكْتُمْ سُنَّةَ نَبِيِّكُمْ وَلَوْ تَرَكْتُمْ سُنَّةَ نَبِيِّكُمْ لَضَلَلْتُمْ، وَمَا مِنْ عَبْدٍ مُسْلِمٍ يَتَوَضَّأُ فَيُحَسِّنُ الْوُضُوءَ ثُمَّ يَمْشِي إِلَى صَلَاةٍ إِلَّا كَتَبَ

prayers except that Allah would record a good deed in his favour for every step he takes, raise him a degree, and efface a sin from him because of it. I witnessed the time when we used to make our steps (to the mosque) of a narrow pace (to make our steps more in number, and thus receive more good deeds and plot out more evil deeds); and I witnessed the time when no one failed to attend it, except a hypocrite, who was famous for his hypocrisy. Therefore, I witnessed the time when a (sick) man was brought with the help of two men till he was set up in a row.

**847-** It is narrated on the authority of Abu Hurairah that he said: A blind man came to Allah's Apostle "Allah's blessing and peace be upon him" and said: "I have no one to lead me on the way to the (mosque to attend the congregational) prayer." He asked him to give him concession to pray in his house, and Allah's Apostle "Allah's blessing and peace be upon him" gave him concession. When he went away he called him and said: "Do you hear the call for prayer?" he answered in the affirmative, thereupon Allah's Apostle "Allah's blessing and peace be upon him" said to him: "Then, answer the call (to the prayer in the mosque)."

**848-** It is narrated on the authority of Abd Ar-Rahman Ibn Abu Laila that Ibn Umm Maktum said to Allah's Apostle "Allah's blessing and peace be upon him": "O Messenger of Allah! Medina has a lot of animals (on my way to the mosque to attend the prayer in congregation)." Allah's Apostle "Allah's blessing and peace be upon him" asked him: "Do you hear (the Mu'adhdhin saying): "Come to prayer! Come to prosperity"?" he answered in the affirmative, thereupon he said to him: "Then, go to attend the prayer (in congregation from where you hear the call for prayer)." He gave him no concession (to pray in his house).

### **[51] The Legal Excuse To Leave The (Prayer In) Congregation**

**849-** It is narrated on the authority of Hisham Ibn Urwah from his father that Abdullah Ibn Arqam used to lead his companions in the prayer. One day, the prayer was due, thereupon he went to answer the call of nature and then when he returned he said: I heard Allah's Apostle "Allah's blessing and peace be upon him" having said: "If (the prayer is due and) anyone of you feels (his need to) excrete, let him start with it before offering the prayer."

**850-** It is narrated on the authority of Anas that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "If the super is served and the prayer is established at the same time, start with having your supper."

**851-** It is narrated on the authority of Abu Al-Malih from his father that he said: We were with Allah's Apostle "Allah's blessing and peace be upon

**867-** It is narrated on the authority of Ibn Abbas that he said: There was a woman, the prettiest of people, who used to offer prayer behind the Messenger of Allah "Allah's blessing and peace be upon him". One of the people used to go forward to be in the first row, so that he would not see her, and another used to go back to the last row (so that he would be able to see her); and whenever he bowed (and said) as such he would look (towards her) from underneath his armpit. In connection with her, Allah revealed: "To Us are known those of you who hasten forward, and those who lag behind." (Al-Hijr 24)

### **[63] Bowing Down Apart From The Row**

**868-** It is narrated on the authority of Abu Bakrah that once he entered the mosque and found the Messenger of Allah "Allah's blessing and peace be upon him" in the bowing posture, thereupon he bowed down apart from the row (as being eager to join the rak'ah). On that the Messenger of Allah "Allah's blessing and peace be upon him" said (after he had finished from the prayer): "Might Allah make you more careful! But do not repeat that."

**869-** It is narrated on the authority of Abu Hurairah that he said: One day the Messenger of Allah "Allah's blessing and peace be upon him" offered prayer, and when he finished and turned away he said (addressing somebody): "O so and so! Should you not make perfect your prayer? Should a praying man not see how he prays for himself (since his imperfect prayer is of no benefit for him in the Sight of Allah)? No doubt, I see (you) from behind my back in the same way as I see (you) in front of me."

### **[64] Offering Prayer After Zhuhr Prayer**

We said: "Even if we have no power to do it, at least, let's learn it (perchance we would take from it as much as is within our capacity)." On that he said: "When the sun rose from here (i.e. from the East) as much as it would be at the time of Asr prayer (i.e. from the West), he would offer a two-rak'ah prayer. (This refers nearly to the time of the Duha prayer) and when the sun became from here (i.e. the East) as much as it would be at the time of Zhuhr prayer from here (i.e. a short period before the sun would decline), he would offer a four-rak'ah prayer, and further four-rak'ah prayer before Zhuhr, and a two-rak'ah prayer after it, and a four-rak'ah prayer before Asr, making a break between each two with the (Tashahhud in which he would) salute with peace the angels who are nearest to Allah Almighty, and the Prophets, and their followers from amongst the faithful believers and Muslims."

## **(11) THE BOOK OF PRAYER INAUGURATION**

### **[1] The Act During The Prayer Inauguration**

873- It is narrated on the authority of Abdullah Ibn Umar that he said: "I saw Allah's Apostle "Allah's blessing and peace be upon him" inaugurated the prayer with Takbir he would raise both his hands up to the level of his shoulders and then say the Takbir; and whenever he said the Takbir for bowing, he would do the like of that, and whenever he (raised from bowing and) said : "Allah hears such as praises Him" he would also do the like of that and then he would say: "O our lord! All praises be to You". He never raised his hands on prostrating, nor on raising his head from prostration.

Whenever he raised his head from bowing he would raise them up as such, and then say: "Allah hears such as praises Him; O our lord! All praises be to You". He never raised his hands on prostrating.

### **[4] Raising Both Hands Up To The Level Of One's Ears**

876- It is narrated on the authority of Wa'il Ibn Hujr that he said: I offered prayer behind the Messenger of Allah "Allah's blessing and peace be upon him" : when he said Takbir and inaugurated the prayer, he raised both his hands up to the level of his ears. Then, he recited the Opening of the Book, and when he finished it he said: "Amen", raising his voice with it.

877- It is narrated on the authority of Malik Ibn Al-Huwairith, and he was one of the companions of the Messenger of Allah "Allah's blessing and peace be upon him", that whenever the Messenger of Allah "Allah's blessing and peace be upon him" assumed the prayer with Takbir he would raise his

**880-** It is narrated on the authority of Abu Hurairah that he went to the mosque of Banu Zuraiq and then said: There are three things, which the Messenger of Allah “Allah’s blessing and peace be upon him” used to do, even though the people left them: he used to raise both his hands clearly on (assuming) the prayer, he used to keep silent for a while (before recitation), and he used to say Takbir whenever he prostrated and whenever he raised (his head from prostrating).

#### **[7] The Obligation Of The First Takbir**

**881-** It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah “Allah’s blessing and peace be upon him” entered the mosque and a person also entered therein and offered the Prayer, and then came and paid salutation to the Messenger of Allah “Allah’s blessing and peace be upon him”. The Messenger of Allah “Allah’s blessing and peace be upon him” returned his salutation and said: “Go back and pray, for you have not offered the Prayer yet.” He again prayed as he had prayed before, and came to the Messenger of Allah “Allah’s blessing and peace be upon him” and saluted him. The Messenger of Allah “Allah’s blessing and peace be upon him” said: “Peace be upon you: Go back and perform the Prayer, for you have not offered the Prayer yet.” This (act of repeating the Prayer) was done thrice. Upon this the person said: “By Him, Who has sent you with the Truth! I could do no better than this. So, please teach me.” He (the Prophet) said: “When you get up to pray, magnify Allah, and then recite whatever is available to you from The Qur’an, then bow down until you feel at ease in that position, then raise yourself and stand erect: then prostrate yourself until

(162:163) O Allah! **901-** It is narrated on the authority of Anas Ibn Malik that he said: One day The Messenger of Allah "Allah's blessing and peace be upon him" was sitting among us when he slumbered (for a while) after which he then raised his head while smiling. We asked: "What does cause you to smile, O Messenger of Allah?" He said: "A Surah has just been revealed to me. He then recited: "In the name of Allah, Most Gracious, Most Merciful. Verily We have given you the Fount of Abundance. Therefore turn to your Lord for the Prayer and offer sacrifice, and surely your enemy is cut off (from goodness." Then he (the Prophet) asked: "Do you know what the Fount of Abundance is?" We said: "Allah and His Messenger know best." The Prophet "Allah's blessing and peace be upon him" said: "It is a river, my Lord "Exalted and Glorified be He" has promised me in the Garden, whose utensils would be more numerous than the stars, (and It is a fount) to which (my followers from amongst) my nation would come upon me on the Day of Judgement. A certain slave (of my followers) would be turned away from it, and I would say: "O My Lord! He is one of my nation!" He (Allah) would reply: "You don't know what he has innovated (of bad things and heresies in religion) after you.'"

When I finished the prayer, I came to him. He asked me: "What did prevent you from coming to me?" I replied: "O Allah's Apostle! I was praying." He said: "Didn't Allah say: "O you who believe! Give your response to Allah and His Messenger, when He calleth you to that which will give you life" (Al-Aanfal 24) He then said to me: "I will teach you a Surah which is the greatest Surah in the Qur'an, before I leave the Mosque." When the Messenger of Allah "Allah's blessing and peace be upon him" concluded with the end salutation he asked: "Who has said those words during the prayer?" the man said: "It is I O Messenger of Allah; and I intended no evil." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Twelve angels hurried towards it (to raise it to the heaven) and nothing has prevented it from reaching the Throne (of Authority)."

### [37] What Is Mentioned Pertaining To The Qur'an

**930-** It is narrated on the authority of A'ishah that Hisham Ibn Al-Harith had asked The Messenger of Allah "Allah's blessing and peace be upon him": "O, Messenger of Allah! How does the revelation come down to you?" The Messenger of Allah "Allah's blessing and peace be upon him" answered: "Sometimes, it comes down likely as the bell's ringing; and, this is the heaviest. Later on, after it passes off, I become keeping of what was inspired to me. Other times, he (The Angel) comes in a form of a young man and reveals it to me (after which, I grow grasping of what was revealed)."

**931-** It is narrated on the authority of A'ishah that Hisham Ibn Al-Harith had asked The Messenger of Allah "Allah's blessing and peace be upon him": "O, Messenger of Allah! How does the revelation come down to you?" The Messenger of Allah "Allah's blessing and peace be upon him" answered: "Sometimes, it comes down likely as the bell's ringing; and, this is the heaviest. Later on, after it passes off, I become keeping of what was inspired to me. Other times, The Angel comes in a form of a certain man and talks to me, after which, I grow grasping of what was revealed." A'ishah added: "By Allah! I saw The Messenger of Allah "Allah's blessing and peace be upon him" being inspired on the very cold day, from whose forehead the sweat was dropping after the revelation was over."

**932-** It is narrated on the authority of Ibn Abbas, regarding the explanation of the Statement of Allah: "Move not your tongue concerning the (Qur'an) to make haste therewith." (The Judgement "Al-Qiyamah" **16**): "Allah's Apostle "Allah's blessing and peace be upon him" used to bear the revelation with great trouble and used to move his lips (quickly) with the Inspiration. So Allah revealed: "Move not your tongue concerning the (Qur'an) to make haste therewith. It is for us to collect it and to promulgate it" (**16:17**). i.e. to gather it in your heart, and make you recite it. "But when we have promulgated it, follow you its recital (as promulgated)" (**18**) i.e.

932 - أَخْبَرَنَا قُتَيْبَةُ قَالَ: حَدَّثَنَا أَبُو عَوَانَةَ عَنْ مُوسَى بْنِ أَبِي عَائِشَةَ عَنْ سَعِيدِ بْنِ جُبَيْرٍ عَنْ ابْنِ عَبَّاسٍ: فِي قَوْلِهِ عَزَّ وَجَلَّ: ﴿لَا تُحَرِّكْ بِهِ لِسَانَكَ لِتُجْعَلَ بِهِ﴾ (١٦) إِنَّ عَلَيْنَا جَمْعَهُ وَقُرْآنَهُ ﴿١٧﴾ [القيامة: 16، 17] قَالَ: «كَانَ النَّبِيُّ ﷺ يُعَالِجُ مِنَ التَّنْزِيلِ شِدَّةً وَكَانَ يُحَرِّكُ شَفْتَيْهِ قَالَ اللَّهُ عَزَّ وَجَلَّ: ﴿لَا تُحَرِّكْ بِهِ لِسَانَكَ لِتُجْعَلَ بِهِ﴾ (١٦) إِنَّ عَلَيْنَا جَمْعَهُ وَقُرْآنَهُ ﴿١٧﴾ قَالَ: جَمَعَهُ فِي صَدْرِكَ ثُمَّ تَقْرَأَهُ ﴿فَإِذَا قَرَأَهُ فَأَلْقَعْ

933- It is narrated on the authority of Umar Ibn Al-Khattab that he said: I heard Hisham Ibn Hakim Ibn Hezam reciting The Surah of The Criterion "Al-Furqan" in a way different from that which The Messenger of Allah "Allah's blessing and peace be upon him" taught me. So, I asked him: "Who has taught you to recite this Surah in that very way?" he said: "The Messenger of Allah "Allah's blessing and peace be upon him"." I said: "You have told a lie! It is not in that way that The Messenger of Allah "Allah's blessing and peace be upon him" taught you to recite it." Then I caught hold of his hand and brought him to The Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! you've taught me how to recite the Surah of Al-Furqan, and I heard him reciting it in a way different from the way you have taught it to me." The Prophet "Allah's blessing and peace be upon him" asked Hisham to recite it, and he recited it in the same way he had recited it, thereupon The Messenger of Allah "Allah's blessing and peace be upon him" said: "It was revealed in this way." He then asked me to recite it. When I recited it, he said: "It was revealed in this way." Then, The Messenger of Allah "Allah's blessing and peace be upon him" further said: "The Qur'an has been revealed in seven different ways."

934- It is narrated on the authority of Umar Ibn Al-Khattab that he said: I heard Hisham Ibn Hakim Ibn Hezam reciting The Surah of The Criterion "Al-Furqan" in a way different from that of mine. The Messenger of Allah "Allah's blessing and peace be upon him" had taught it to me (in a different way). So, I was about to attack him (during the prayer) but I waited till he finished, then I tied his garment round his neck by which I seized and brought him to The Messenger of Allah "Allah's blessing and peace be upon him" and said: "I have heard him reciting The Surah of The Criterion "Al-Furqan" in a way different from the way you taught it to me." The Prophet "Allah's blessing and peace be upon him" asked Hisham to recite it. When he recited it in the very way he had recited it (before me), Allah's Apostle said: "It was revealed in this way." He then asked me to recite it. When I recited it, he said: "It was revealed in this way. The Qur'an has been revealed in seven different ways, so recite it in the way that is easier for you."

935- It is narrated on the authority of Umar Ibn Al-Khattab that he said: I heard Hisham Ibn Hakim reciting The Surah of The Criterion (Al-Furqan)

during the lifetime of Allah's Apostle "Allah's blessing and peace be upon him" and I listened to his recitation and noticed that he recited in several different ways which Allah's Apostle "Allah's blessing and peace be upon him" had not taught me. I was about to jump over him during his prayer, but I controlled my temper. But as soon as he had completed his prayer, I put his upper garment around his neck and seized him by it and said: "Who taught you this Surah which I heard you reciting?" He replied: "Allah's Apostle "Allah's blessing and peace be upon him" taught it to me." I said: "You have told a lie, for Allah's Apostle "Allah's blessing and peace be upon him" has taught it to me in a different way." So I dragged him to Allah's Apostle "Allah's blessing and peace be upon him" and said: "I heard this person reciting The Surah of The Criterion (Al-Furqan) in a way which you haven't taught me!" On that Allah's Apostle "Allah's blessing and peace be upon him" said (to me): "Release him! Recite, O Hisham!" Then he recited in the same way as I heard him reciting. Then Allah's Apostle "Allah's blessing and peace be upon him" said: "It was revealed in this way," and added: "Recite, O Umar!" I recited it as he had taught me. Allah's Apostle "Allah's blessing and peace be upon him" then said: "It was revealed in this way. This Qur'an has been revealed to be recited in seven different ways. So recite it in whichever (way) is easier for you."

**936-** It is narrated on the authority of Ibn Abu Laila from Ubai Ibn Ka'b that once, The Messenger of Allah "Allah's blessing and peace be upon him" was near a fount of (the tribe of) Banu Ghifar when Gabriel "Peace be upon him" came and said to him: "Allah orders you to make your nation recite The Qur'an in one way." He (The Prophet) replied: "I ask for Allah's pardon and forgiveness! That's beyond my nation's power." Then, he came for the second time and said to him: "Allah orders you to make your nation recite The Qur'an in two ways." He (The Prophet) replied: "I ask for Allah's pardon and forgiveness! my people have no power to endure that." Then, he came for the third time and said to him: "Allah orders you to make your nation recite The Qur'an in three ways." He (The Prophet) replied: "I ask for Allah's pardon and forgiveness! That's beyond my nation's capacity." Then, he came for the fourth time and said to him: "Allah orders you to make your nation recite The Qur'an in seven ways, and in whichever way they recite it, they would be right."

**937-** It is narrated on the authority of Ubai Ibn Ka'b that he said: The Messenger of Allah "Allah's blessing and peace be upon him" taught me how to recite a certain Surah in one way, and while I was sitting in the mosque I heard a man reciting it in a way different from mine. I asked him:

سَمِعْتُ هِشَامَ بْنَ حَكِيمٍ يَقْرَأُ سُورَةَ الْفُرْقَانِ فِي حَيَاةِ رَسُولِ اللَّهِ ﷺ فَاسْتَمَعْتُ لِقِرَاءَتِهِ فَإِذَا هُوَ يَقْرؤها عَلَى حُرُوفٍ كَثِيرَةٍ لَمْ يُقْرَأْ بِهَا رَسُولُ اللَّهِ ﷺ فَكِدْتُ أُسَاوِرُهُ فِي الصَّلَاةِ فَتَصَبَّرْتُ حَتَّى سَلِمَ فَلَمَّا سَلِمَ لَبَّيْتُهُ بِرِدَائِهِ فَقُلْتُ: مَنْ أَقْرَأَكَ هَذِهِ السُّورَةَ الَّتِي سَمِعْتُكَ تَقْرؤها؟ فَقَالَ: أَقْرَأَنِيهَا رَسُولُ اللَّهِ ﷺ فَقُلْتُ: كَذَبْتَ فَوَاللَّهِ إِنَّ رَسُولَ اللَّهِ ﷺ هُوَ أَقْرَأَنِي هَذِهِ السُّورَةَ الَّتِي سَمِعْتُكَ تَقْرؤها فَاَنْطَلَقْتُ بِهِ أَقُوْدُهُ إِلَى رَسُولِ اللَّهِ ﷺ فَقُلْتُ: يَا رَسُولَ اللَّهِ إِنِّي سَمِعْتُ هَذَا يَقْرَأُ سُورَةَ الْفُرْقَانِ عَلَى حُرُوفٍ لَمْ تُقْرَأْ بِهَا وَأَنْتَ أَقْرَأْتَنِي سُورَةَ الْفُرْقَانِ فَقَالَ رَسُولُ اللَّهِ ﷺ: «أَرْسِلْهُ يَا عُمَرُ اقْرَأْ يَا هِشَامُ» فَقَرَأَ عَلَيْهِ الْقِرَاءَةَ الَّتِي سَمِعْتُهُ يَقْرؤها قَالَ رَسُولُ اللَّهِ ﷺ: «هَكَذَا أُنْزِلَتْ» ثُمَّ قَالَ رَسُولُ اللَّهِ ﷺ: «اقْرَأْ يَا عُمَرُ» فَقَرَأْتُ الْقِرَاءَةَ الَّتِي أَقْرَأَنِي قَالَ رَسُولُ اللَّهِ ﷺ: «هَكَذَا أُنْزِلَتْ» ثُمَّ قَالَ رَسُولُ اللَّهِ ﷺ: «إِنَّ هَذَا الْقُرْآنَ أُنْزِلَ عَلَى سَبْعَةِ أَحْرَفٍ فَاقْرَأُوا مَا تيسَّرَ مِنْهُ».

936 - أَخْبَرَنَا مُحَمَّدُ بْنُ بَشَّارٍ قَالَ: حَدَّثَنَا مُحَمَّدُ بْنُ جَعْفَرٍ غُنْدَرٌ قَالَ: حَدَّثَنَا شُعْبَةُ عَنِ الْحَكَمِ عَنْ مُجَاهِدٍ عَنِ ابْنِ أَبِي لَيْلَى عَنْ أَبِي بِنِ كَعْبٍ: أَنَّ رَسُولَ اللَّهِ ﷺ كَانَ عِنْدَ أَصَاةٍ بَنِي غِفَارٍ فَاتَاهُ جَبْرِيلُ عَلَيْهِ السَّلَامُ فَقَالَ: إِنَّ اللَّهَ عَزَّ وَجَلَّ يَأْمُرُكَ أَنْ تُقْرَأَ أَمَّتَكَ الْقُرْآنَ عَلَى حَرْفٍ. قَالَ: «أَسْأَلُ اللَّهَ مُعَافَاتَهُ وَمَغْفِرَتَهُ وَإِنْ أَمَّتِي لَا تُطِيقُ ذَلِكَ»، ثُمَّ أَنَاهُ الثَّانِيَةَ فَقَالَ: إِنَّ اللَّهَ عَزَّ وَجَلَّ يَأْمُرُكَ أَنْ تُقْرَأَ أَمَّتَكَ الْقُرْآنَ عَلَى حَرْفَيْنِ قَالَ: «أَسْأَلُ اللَّهَ مُعَافَاتَهُ وَمَغْفِرَتَهُ وَإِنْ أَمَّتِي لَا تُطِيقُ ذَلِكَ». ثُمَّ جَاءَهُ الثَّالِثَةَ فَقَالَ: إِنَّ اللَّهَ عَزَّ وَجَلَّ يَأْمُرُكَ أَنْ تُقْرَأَ أَمَّتَكَ الْقُرْآنَ عَلَى ثَلَاثَةِ أَحْرَفٍ فَقَالَ: «أَسْأَلُ اللَّهَ مُعَافَاتَهُ وَمَغْفِرَتَهُ وَإِنْ أَمَّتِي لَا تُطِيقُ ذَلِكَ». ثُمَّ جَاءَهُ الرَّابِعَةَ فَقَالَ: إِنَّ اللَّهَ عَزَّ وَجَلَّ يَأْمُرُكَ أَنْ تُقْرَأَ أَمَّتَكَ الْقُرْآنَ عَلَى سَبْعَةِ أَحْرَفٍ فَأَيُّمَا حَرْفٍ قَرَأُوا عَلَيْهِ فَقَدْ أَصَابُوا».

قَالَ أَبُو عَبْدِ الرَّحْمَنِ: هَذَا الْحَدِيثُ خُوْلِفَ فِيهِ الْحَكْمُ خَالَفَهُ مَنْصُورُ بْنُ الْمُعْتَمِرِ رَوَاهُ عَنْ مُجَاهِدٍ عَنْ عُبَيْدِ بْنِ عُمَيْرٍ مُرْسَلًا.

937 - أَخْبَرَنِي عَمْرُو بْنُ مَنْصُورٍ قَالَ: حَدَّثَنَا أَبُو جَعْفَرٍ بْنُ نُفَيْلٍ قَالَ: قَرَأْتُ عَلَى مَعْقِلِ بْنِ عُبَيْدِ اللَّهِ عَنْ عِكْرِمَةَ بْنِ خَالِدٍ عَنْ سَعِيدِ بْنِ جُبَيْرٍ عَنْ أَبِي عَبْدِ اللَّهِ عَنْ أَبِي بِنِ كَعْبٍ قَالَ: أَقْرَأَنِي رَسُولُ اللَّهِ ﷺ سُورَةَ قَبِيْنَا أَنَا فِي الْمَسْجِدِ جَالِسٌ إِذْ

"Who has taught you to recite this Surah (in this way)?" he said: " The Messenger of Allah "Allah's blessing and peace be upon him" has taught it to me." I said to him: "Then, do not leave me until we both come to The Messenger of Allah "Allah's blessing and peace be upon him". I came to him and said: "O Messenger of Allah! this man differs from me in reciting the Surah which you've taught me to recite." The Messenger of Allah "Allah's blessing and peace be upon him" said: "Recite O Ubai!" I recited it, thereupon The Messenger of Allah "Allah's blessing and peace be upon him" said: "You have recited it well." He asked the man to recite, and he recited it in a way different from mine, thereupon The Messenger of Allah "Allah's blessing and peace be upon him" said to him: "You've recited it well." Then, The Messenger of Allah "Allah's blessing and peace be upon him" further said: "O Ubai! The Qur'an has been revealed (to be recited) in seven ways, each of which is satisfactory and sufficient (for anyone to recite in it as long as it is easier for him)."

**938-** It is narrated on the authority of Anas that Ubai Ibn Ka'b said: Nothing has ever aroused doubt in my breast since I embraced Islam except when I recited a Holy Verse in a certain way, and another man recited it in a way different from mine, thereupon I said: " The Messenger of Allah "Allah's blessing and peace be upon him" taught me to recite it (in the very way I've recited it)"; and the other said: " The Messenger of Allah "Allah's blessing and peace be upon him" taught me to recite it (in the very way I've recited it)." I went to The Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! Have you not taught me to recite such and such a Holy Verse (in such and such a way)?" he answered in the affirmative. The other man said: "Have you not recited me to recite such and such a Holy Verse (in such and such a way)?" he answered in the affirmative. Then he said: "Both Gabriel and Michael "Peace be upon them" came to me: Gabriel sat on my right side, and Michael on my left side. Gabriel "Peace be upon him" said: "Recite the Qur'an in one way." Michael "Peace be upon him" said: "Instruct him in an increase (of ways of recitation)! Instruct him in more (ways of recitation)!" He kept saying so until it rose up to seven ways of recitation, each of which is satisfactory and sufficient (for anyone to recite in it)."

**939-** It is narrated on the authority of Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The example of such as keeps the Qur'an is like the owner of hobbled camels: if he takes care of them regularly, he will keep them, and if he unlooses the rope, they will flee away."

سَمِعْتُ رَجُلًا يَقْرُؤُهَا يُخَالِفُ قِرَاءَتِي فَقُلْتُ لَهُ: مَنْ عَلَّمَكَ هَذِهِ السُّورَةَ؟ فَقَالَ: رَسُولُ اللَّهِ ﷺ فَقُلْتُ: لَا تُفَارِقْنِي حَتَّى نَأْتِيَ رَسُولَ اللَّهِ ﷺ فَأَتَيْتُهُ فَقُلْتُ: يَا رَسُولَ اللَّهِ إِنَّ هَذَا خَالَفَ قِرَاءَتِي فِي السُّورَةِ الَّتِي عَلَّمْتَنِي فَقَالَ رَسُولُ اللَّهِ ﷺ: «اقْرَأْ يَا أَبُي» فَقَرَأْتُهَا فَقَالَ لِي رَسُولُ اللَّهِ ﷺ: «أَحْسَنْتَ» ثُمَّ قَالَ لِلرَّجُلِ: «اقْرَأْ» فَقَرَأَ فَخَالَفَ قِرَاءَتِي فَقَالَ لَهُ رَسُولُ اللَّهِ ﷺ: «أَحْسَنْتَ» ثُمَّ قَالَ رَسُولُ اللَّهِ ﷺ: «يَا أَبُي إِنَّهُ أَنْزَلَ الْقُرْآنَ عَلَى سَبْعَةِ أَحْرَفٍ كُلُّهُنَّ شَافٍ كَافٍ».

قَالَ أَبُو عَبْدِ الرَّحْمَنِ: مَعْقِلُ بْنُ عُبَيْدٍ اللَّهِ لَيْسَ بِذَلِكَ الْقَوِيَّ.

938 - أَخْبَرَنَا يَعْقُوبُ بْنُ إِبْرَاهِيمَ قَالَ: حَدَّثَنَا يَحْيَى عَنْ حُمَيْدٍ عَنْ أَنَسٍ عَنْ أَبِي قَالَ: مَا حَاكَ فِي صَدْرِي مُنْذُ أَسْلَمْتُ إِلَّا أَنِّي قَرَأْتُ آيَةً وَقَرَأَهَا آخَرُ غَيْرَ قِرَاءَتِي فَقُلْتُ: أَقْرَأْنِيهَا رَسُولُ اللَّهِ ﷺ وَقَالَ الْآخَرُ: أَقْرَأْنِيهَا رَسُولُ اللَّهِ ﷺ فَأَتَيْتُ النَّبِيَّ ﷺ فَقُلْتُ: يَا نَبِيَّ اللَّهِ أَقْرَأْتَنِي آيَةً كَذَا وَكَذَا؟ قَالَ: «نَعَمْ» وَقَالَ الْآخَرُ: أَلَمْ تُقْرِئْنِي آيَةً كَذَا وَكَذَا؟ قَالَ: «نَعَمْ إِنَّ جِبْرِيلَ وَمِيكَائِيلَ عَلَيْهِمَا السَّلَامُ أَتَيَانِي فَقَعَدَ جِبْرِيلُ عَنْ يَمِينِي وَمِيكَائِيلُ عَنْ يَسَارِي فَقَالَ جِبْرِيلُ عَلَيْهِ السَّلَامُ: اقْرَأِ الْقُرْآنَ عَلَى حَرْفٍ قَالَ مِيكَائِيلُ: اسْتَزِدْهُ اسْتَزِدْهُ حَتَّى بَلَغَ سَبْعَةَ أَحْرَفٍ فَكُلُّ حَرْفٍ شَافٍ كَافٍ».

939 - أَخْبَرَنَا قُتَيْبَةُ عَنْ مَالِكٍ عَنْ نَافِعٍ عَنْ ابْنِ عُمَرَ: أَنَّ رَسُولَ اللَّهِ ﷺ قَالَ: «مَثَلُ صَاحِبِ الْقُرْآنِ كَمَثَلِ صَاحِبِ الْإِبِلِ الْمُعَقَّلَةِ إِذَا عَاهَدَ عَلَيْهَا أَمْسَكَهَا وَإِنْ أَطْلَقَهَا ذَهَبَتْ».

940- It is narrated on the authority of Abu Wa'il from Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "How bad it is that anyone of them says: "I forgot such-and-such a Verse", (but he should rather say) "I was made to forget it." You should remember The Qur'an (by reciting it constantly), for it flees away from the breasts of men faster than the camels flee away from their tying strings."

(Al-Ma'idah 118)

### **[80] Allah's Saying: "Neither Speak Your Prayer Aloud, Nor Speak It In A Low Tone, But Seek A Middle Course Between" (Al-Isra 110)**

**1008-** It is narrated on the authority of Ibn Abbas that he said: This verse was revealed just as The Prophet "Allah's blessing and peace be upon him" was hidden from disbelievers in Mecca. The more The Prophet "Allah's blessing and peace be upon him" prayed with his companions, the more he raised his voice as reciting The Holy Qur'an. The more the unbelievers heard it (The Holy Qur'an), the more they abused The Holy Qur'an, who sent it down, and who came with it. In this way, Allah said to His Prophet "Allah's blessing and peace be upon him": "Neither speak your prayer aloud (by reciting the Holy Qur'an loudly lest the pagans might abuse it), nor speak it in a low tone, (for fear that it might be unheard by your companions) but seek a middle course between." (Al-Isra 110)

**1009-** It is narrated on the authority of Ibn Abbas that he said: It was the habit of The Prophet "Allah's blessing and peace be upon him" to raise his voice in reciting the Qur'an, and the more the pagans heard his voice (reciting the Qur'an), the more they would abuse the Qur'an, and One Who brought it. On that The Prophet "Allah's blessing and peace be upon him" lowered his voice while reciting the Qur'an to the extent that his companions were not able to hear it. On that occasion, Allah Almighty revealed to him: "Neither speak your prayer aloud, nor speak it in a low tone, but seek a middle course between." (Al-Isra 110)

### **[84] Saying Takbir For Bowing**

**1020-** It is narrated on the authority of Abu Salamah Ibn Abd Ar-Rahman that Marwan appointed Abu Hurairah to succeed him as the governor of Medina: whenever he (Abu Hurairah) got up for the obligatory prayer, he would magnify Allah, and then he would magnify Allah whenever he bowed, and whenever he raised his head from bowing he would say: "Allah hears him, who sends praises to Him, O our Lord! All praises be to You!" Then he would magnify Allah whenever he fell in prostration, then he would magnify Allah whenever he raised his head (from prostration) after reciting half the Tashahhud following the conclusion of the second rak'ah. He used to do the same in his prayer until he finished it. Whenever Abu Hurairah finished it with the end salutation "Taslim" he would face the people in the mosque and say: "By Him, in Whose hand my soul is! I'm the nearest of you to The Messenger of Allah "Allah's blessing and peace be upon him" in the (way of) prayer."

### [87] Leaving That Act

**1023-** It is narrated on the authority of Abdullah that he said: "Should I not tell you about the way of the prayer of the Messenger of Allah "Allah's blessing and peace be upon him"?" he stood up and raised his hands once (when he assumed the prayer), and he did not repeat that (along the prayer).

### [88] Making Straight The Back On Bowing

**1025-** It is narrated on the authority of Anas that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "Be Upright in bowing and prostrating, and let none of you spread both his arms like a dog." (Being upright in bowing means that one should not lower down his head so much extremely, nor raise it so much excessively, but rather he should take a middle course between both extremes; and as to uprightness of prostration, one should not spread his arms flat on the ground, but rather he should place both hands on the ground, and raise the elbows, as well as he should keep the abdomen away from both thighs).

## (12) THE BOOK OF FOLDING HANDS

[...]

**1026-** It is narrated on the authority of both Alqamah and Al-Aswad that they were with Abdullah in his house, when he asked: "Have those offered prayer?" we replied in the affirmative, and he led them in prayer, and stood between them with no Adhan nor Iqamah. He said: "When you are only three, do the same, and if you are more, let anyone of you lead you (i.e. stand ahead of you), and spread his hands on his thighs. It seems as if I am looking at the fingers of the Messenger of Allah "Allah's blessing and peace be upon him": a finger from one hand by the side of a finger from the other.

**1027-** It is narrated on the authority of both Al-Aswad and Alqamah that they said: We offered prayer with Abdullah Ibn Mas'ud in his house, and he stood between us, and when we placed our hands on our knees, he pulled them, and made us interlace our fingers, and said: "Indeed, I saw the Messenger of Allah "Allah's blessing and peace be upon him" doing so."

**1028-** It is narrated on the authority of Alqamah that Abdullah said: The Messenger of Allah "Allah's blessing and peace be upon him" instructed us how to offer prayer: when he said Takbir (to assume the prayer) he raised both his hands, and when he bowed, he folded up his hands and placed them between his knees. When the news of that reached Sa'd he said: My brother (Abdullah) has told the truth: We did so at first, and later on, we were commanded to do as such, i.e. to take hold of the knees with the help of them.

### [1] The Abrogation Of That

**1029-** It is narrated on the authority of Mus'ab Ibn Sa'd that he said: Once, I was offering prayer with my father when I put my hands in between my knees, thereupon he said to me: "Place your hands on your knees." ### **[13] Another Celebration In Bowing**

**1047-** It is narrated on the authority of Ali Ibn Abu Talib that he said: Whenever The Messenger of Allah "Allah's blessing and peace be upon him" bowed (in prayer) he would say: "O Allah! to You I've bowed down, and to You I've surrendered in Islam, and in You I have faith: there have submitted to You my hearing, my sight, my bone, my brain, and my nerves."

### **[14] Another Celebration**

**1048-** It is narrated on the authority of Jabir that whenever The Messenger of Allah "Allah's blessing and peace be upon him" bowed (in prayer) he would say: "O Allah! to You I've bowed down, in You I have faith, and to You I've surrendered in Islam, and in You I've put my trust: You are my Lord: my hearing, my sight, my blood, my flesh, my bone, and my nerves have submitted to Allah, the Cherisher and Sustainer of the worlds."

**1049-** It is narrated on the authority of Muhammad Ibn Maslamah that whenever The Messenger of Allah "Allah's blessing and peace be upon him" stood to offer voluntary prayer in which he bowed, he would say: "O Allah! to You I've bowed down, in You I have faith, and to You I've surrendered in Islam, and in You I've put my trust: You are my Lord: my hearing, my sight, my flesh, my blood, my brain, and my nerves have submitted to Allah, the Cherisher and Sustainer of the worlds."

### **[15] The Concession To Leave Celebration In Bowing**

**1050-** It is narrated on the authority of Rifa'ah Ibn Rafi', and he was of those who took part in the holy battle of Badr, that he said: We were with The Messenger of Allah "Allah's blessing and peace be upon him" when a man entered the mosque and offered Prayer, while The Messenger of Allah "Allah's blessing and peace be upon him" was watching him, even though the man felt not. When he finished from the prayer and turned away, he came to The Messenger of Allah "Allah's blessing and peace be upon him" and paid salutation to him. The Messenger of Allah "Allah's blessing and peace be upon him" returned his salutation and said: "Go back and pray, for you have not offered the Prayer yet." I do not know whether after the second or the third time that the man said to him : "By Him, Who has sent down the Book unto you! I have been put to trouble: so please instruct me and show to me (the right way of offering prayer)." He (the Prophet) said: "When you intend to offer prayer, perform ablution well, and then face the Qiblah, then

**1052-** It is narrated on the authority of Alqamah Ibn Wa'il that he said: My father told me: I offered prayer behind The Messenger of Allah "Allah's blessing and peace be upon him", and saw that he raised both his hands whenever he assumed the prayer, whenever he bowed down, whenever he (raised from bowing and) said: "Allah hears such as sends praises to him", (and he used to raise them) as such. Qais pointed to the level of both ears.

### [21] What The Imam Says On Raising His Head From Bowing

**1056-** It is narrated on the authority of Salim from his father Ibn Umar that The Messenger of Allah "Allah's blessing and peace be upon him" used to raise both his hands up to the level of his shoulders whenever he assumed the prayer, and whenever he said Takbir for bowing, and whenever he raised his head from bowing he would also raise them, and then say: "Allah hears such as sends praises to Him: O our Lord! To You be praise", and he never did the same on prostration.

**1057-** It is narrated on the authority of Abu Hurairah that he said: Whenever The Messenger of Allah "Allah's blessing and peace be upon him" raised his head from bowing he would say: "O Allah our Lord! To You be the praise."

### [22] What Such As Led In Prayer Says

**1058-** It is narrated on the authority of Anas that once the Messenger of Allah "Allah's blessing and peace be upon him" fell from a horse thereupon his right side was wounded. They visited him (to enquire about his health); and when the prayer was due, he led the prayer as sitting. When he finished the prayer he said: "No doubt, the imam is made to be followed: when he bows down, you should bow down (after him); when he raises his head (from bowing) you should raise your heads (from bowing after him); and when he says: "Allah hears such as praises Him" you should reply: "O Allah our Lord! To You be All the praises!"

**1059-** It is narrated on the authority of Rifa'ah Ibn Rafi' Az-Zuraqi that he said: One day, we were offering prayer behind the Messenger of Allah "Allah's blessing and peace be upon him", and when the Messenger of Allah "Allah's blessing and peace be upon him" raised his head from bowing he said: "Allah hears such as sends praises to Him." A man standing behind the Messenger of Allah "Allah's blessing and peace be upon him" said after him: "O Allah, our Lord: to You be the praises, as much abundant, good and blessed as it could be." When the Messenger of Allah "Allah's blessing and peace be upon him" (finished from the prayer and) turned away he asked: "Who said those words immediately?" the man said: "It is I O Messenger of Allah!" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, I've seen over thirty angels hastening to it: who among them will record it first."

«أَلَا أَصَلِّي بِكُمْ صَلَاةَ رَسُولِ اللَّهِ ﷺ؟ فَصَلَّى فَلَمْ يَرْفَعْ يَدَيْهِ إِلَّا مَرَّةً وَاحِدَةً».

### [23] The Statement "O Our Lord: To You Be The Praise"

**1060-** It is narrated on the authority of Abu Hurairah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "When the imam says: "Allah hears such as sends praises to Him" you should say (in response): "O our Lord! To You be the praises": for he, whose statement agrees with that of the angels, his earlier sins will be forgiven for him."

**1061-** It is narrated on the authority of Hittan that Abu Musa Al-Ash'ari said: Verily The Messenger of Allah "Allah's blessing and peace be upon him" addressed us and explained to us our right way, and taught us how to offer prayer (properly). He (The Prophet) said: "When you offer the prayer, make your rows straight and let anyone amongst you lead you. Recite the Takbir when he recites it. When he recites: "Not of those upon whom wrath falls, nor those who go astray", say: "Amen". Verily, Allah would respond to you. When he (the imam) magnifies Allah and kneels down in bowing, you should also magnify Allah and bow, for the imam bows before you and raises himself before you". Then The Messenger of Allah "Allah's blessing and peace be upon him" said: "The one is equal to the other" (i.e. the one moment with which the imam preceded you in bowing is equal to the moment in which you bowed after him, and in this way, his bowing becomes equivalent to yours). "When he says: "Allah hears him who sends praises to Him", you should say: "O Allah, our Lord, to You be the praise", for Allah "Exalted and Glorified be He" would listen (and respond) to you, because he has said, through the tongue of His Prophet "Allah's blessing and peace be upon him" that "Allah hears him who sends praises to Him." When he (the imam) recites the Takbir and prostrates, you should also recite the Takbir and prostrate, for the imam prostrates before you and raises himself before you". The Messenger' of Allah "Allah's blessing and peace be upon him" said: "The one is equal to the other". "When he (the imam) comes to the sitting posture (after the second rak'ah for Tashahhud) the first words of every one amongst you should be: "All the good compliments and prayers are due to Allah; peace and Allah's mercy and blessings are upon you, O Prophet. Peace be upon us an upon the pious slaves of Allah. I testify that there is no god but Allah, and I testify that Muhammad is His slave and His Messenger". (At-tahiyyatu, was-salawatu wat-taiyyibat lillah. As-Salamu alayka ayyuhan-nabiyyu warahmatullahi wabarakatuh. As-Salamu alayna wa'ala ibadillahi As-Salihin. Ash'hadu an la ilaha illallahu; wa'ash'hadu anna Muhammadan abduhu warasuluh): Those are seven phrases, and they constitute the complement of the prayer.

### **[24] The Length Of Standing Between Raising The Head From Bowing And Falling In Prostration**

**1062-** It is narrated on the authority of Al-Bara' that the bowing, raising the head from bowing, prostration, sitting between both prostrations performed by the Messenger of Allah "Allah's blessing and peace be upon him" in the prayer were almost proportionate in length.

### **[25] What One Says In Standing (From Bowing)**

**1063-** It is narrated on the authority of Ibn Abbas that whenever the Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah hears such as sends praises to Him" he would say: "O Allah! to You be praise, as much as to fill the heavens, to fill the earth, and to fill such of things as You will afterwards."

**1064-** It is narrated on the authority of Ibn Abbas that whenever the Messenger of Allah "Allah's blessing and peace be upon him" intended to fall in prostration after (raising his head from) bowing he would say: "O Allah! to You be praise, as much as to fill the heavens, to fill the earth, and to fill such of things as You will afterwards."

**1065-** It is narrated on the authority of Abu Sa'id Al-Khudri that he said: Whenever the Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah hears such as sends praises to Him!" he would then say: "O Allah, our Lord! To You be praise, as much as filling the heavens, filling the earth, and filling such of things as You will afterwards, (O Allah) Worthiest of both Praise and Glory, the best statement a servant could say (in appreciation of his Lord); and we all are but servants to You: there is nothing to withhold what You give; and the good fortune of the luckiest one could not avail him from You (or without Your Help)."

**1066-** It is narrated on the authority of Hudhaifah that he offered prayer with the Messenger of Allah "Allah's blessing and peace be upon him" at night: he heard him having said when he magnified Allah: "Allah is Greater: the Lord of sovereignty, overwhelming power, magnificence and greatness". Then, he said when he bowed: "Glorified be my Lord, Most Great!" then, he said when he raised his head from bowing: "To my Lord be all the praise!" Then, he said when he fell in prostration: "Glorified be my Lord, Most High!" Then, he said when he (raised his head from prostration, and sat) in between both prostrations: "O my Lord! Forgive for me! O my Lord! Forgive for me!" however, his standing, bowing, raising his head from bowing, prostration, (his sitting) in between both prostration were almost proportionate (in length).

He was further asked: "Was it before or after bowing?" he said: "After bowing."

1069- It is narrated on the authority of Ibn Sirin that he said: One from those who offered Morning prayer with the Messenger of Allah "Allah's blessing and peace be upon him" told me that when he said in the second rak'ah: "Allah hears such as sends praises to Him" he kept standing for a while.

1070- It is narrated on the authority of Abu Hurairah that he said: When the Messenger of Allah "Allah's blessing and peace be upon him" raised his head from bowing of the second rak'ah of Morning prayer, he said: "O Allah! Save Al-Walid Ibn Al-Walid, Salamah Ibn Hisham, and Ayyash Ibn Abu Rabie'ah, and deliver all the oppressed people in Mecca! O Allah! Be hard on (those of the tribe of) Mudar, and make them (suffer from) famine years like these (at the time) of Joseph!"

Save Al-Walid Ibn Al-Walid, Salamah Ibn Hisham, and Ayyash Ibn Abu Rabie'ah, and deliver all the oppressed people of the faithful believers! O Allah! Be hard on (those of the tribe of) Mudar, and make them (suffer from) famine years like these (at the time) of Joseph!" then, he would say Takbir and fall in prostration. at that time, those of Mudar were at odds with the Messenger of Allah "Allah's blessing and peace be upon him".

**1129-** It is narrated on the authority of Awf Ibn Malik Al-Ashja'i that he said: I stood (to offer the supererogatory night prayer) with the Messenger of Allah "Allah's blessing and peace be upon him" on one night: he started with brushing his teeth with the teeth-cleansing stick, and then he performed ablution. Then, he stood and inaugurated the prayer with reciting the Surah of Al-Baqarah, and he never came upon a Holy Verse of Mercy but that he would stop at it and ask (for Allah's Mercy); and he never passed by a Verse of punishment but that he would stop at it and seek refuge (with Allah from punishment). Then, he offered bowing, as long as his standing, in which he said: "Glorified be the Lord of overwhelming power, sovereignty, magnificence and Greatness." Then, he fell in prostration, as long as his bowing, in which he said: "Glorified be the Lord of overwhelming power, sovereignty, magnificence and Greatness." Then, he stood and recited (the Surah of) Al Imran, and went on reciting a Surah after another.

### [74] Another Supplication

He recited one hundred Holy Verses and did not bow down, and when he went on I said (to myself): "Perhaps, he will conclude it in both rak'ahs." When he went on I said (to myself): "Perhaps, he will conclude it (in this rak'ah) and then he will bow down." He went on reciting until he (finished it and) recited the Surah of An-Nisa and then he recited the Surah of Al Imran. He bowed (and his bowing was) as long as his standing, in which he said: "Glorified be my Lord, Most Great! Glorified be my Lord, Most Great! Glorified be my Lord, Most Great!" then when he raised his head (from bowing) he said: "Allah hears such as sends praises to Him: O our Lord: to You be the praise." He prolonged the standing, after which he fell in prostration, which he prolonged, during which he said: "Glorified be my Lord, Most High! Glorified be my Lord, Most High! Glorified be my Lord, Most High!" he never came upon a Holy Verse therewith Allah Almighty frightens (His servants) or Glorifies Himself but that he remembered it.

his bowing and prostration: "Glorified be You, Hallowed and Exalted be You, Lord of angels and the Holy Spirit."

### **[76] The Number Of Glorifications In Prostration**

**1132-** It is narrated on the authority of Anas Ibn Malik that he said: I've never seen anyone, more similar in his way of prayer to the way of the prayer of the Messenger of Allah "Allah's blessing and peace be upon him" than this young man, i.e. Umar Ibn Abd Al-Aziz. We guessed that he recites ten glorifications in his bowing, and ten glorifications in his prostration.

### **[77] The Concession To Leave Celebration In Prostration**

**1133-** It is narrated on the authority of Ali Ibn Yahya Ibn Khallad from his paternal uncle Rifa'ah Ibn Rafi' that he said: While the Messenger of Allah "Allah's blessing and peace be upon him" was sitting (in the mosque) and we were sitting around him, a man entered the mosque and faced the Qiblah and offered prayer. When he finished from his prayer he came and paid salutation to the Messenger of Allah "Allah's blessing and peace be upon him" and to the people. the Messenger of Allah "Allah's blessing and peace be upon him" said to him: "(Peace) be upon you: go and offer prayer for you've not yet prayed well ." He went and offered prayer, and the Messenger of Allah "Allah's blessing and peace be upon him" was watching his prayer, even though he (the man) did not know which thing he (the Prophet) was criticizing in it. When he finished from his prayer he came and paid salutation to the Messenger of Allah "Allah's blessing and peace be upon him" and the present people, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" returned the greeting and said: "Go and offer prayer for you've not yet prayed well." When the man repeated it twice or thrice (and failed to please the Prophet), he said: "O Messenger of Allah! which thing have you criticized in my prayer?" the Messenger of Allah "Allah's blessing and peace be upon him" said: "The prayer of anyone of you is not complete until he performs ablution perfectly as Allah Almighty has commanded him, i.e. to wash his face and hands up to the elbows, pass his wet hands over his head and wash his feet up to the ankles; then, he should magnify, praise and glorify Allah Almighty, and recite whatever is available to him from the Qur'an, i.e. from what Allah Almighty has instructed him in, and enabled him to read, and then says: "Allah is Greater", and bows until his joints become at ease and relax, and then (raises his head and) says: "Allah hears such as sends praises to Him" and remains as such until he becomes straight in standing until he sets right his back, then says: "Allah is Greater" and falls in prostration and sets his face or forehead

### **[78] The Position In Which One Is The Closest To Allah**

**1134-** It is narrated on the authority of Abu Hurairah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "The position in which a servant becomes the closest to his Lord Almighty is the prostration posture: so, you should invoke (Allah) so much (while being in that position)."

### **[79] The Excellence Of Prostration**

**1135-** it is narrated on the authority of Rabie'ah Ibn Ka'b Al-Aslami that he said: I used to serve the Messenger of Allah "Allah's blessing and peace be upon him" with (water to perform) his ablution, and his needs. Once, he said to me: "Ask me for anything." I said: "I ask for (having the honour of) your companionship in the Garden." He said: "Ask for anything else!" I said: "It is that (which I ask for)." On that he said: "Then, help me against (the evil of) yourself with (offering prayers in which you perform) prostrations so much."

### **[80] The Reward Of Offering A Prostration For The Sake Of Allah**

**1136-** It is narrated on the authority of Ma'dan Ibn Abu Talhah Al-Ya'muri that he said: I met Thawban, the freed slave of the Messenger of Allah "Allah's blessing and peace be upon him", and said to him: Guide me to a deed, perchance Allah would make it a source of advantage to me. He kept silent and gave no reply to me for a while after which he turned to me and said: I advise you to perform (more) prostrations (i.e. offer prayer so much for the Sake of Allah Almighty): indeed, I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "No servant offers a prostration for the Sake of Allah but that with it Allah upgrades him a degree, and plots out a sin from him." Ma'dan added: I met Abu Ad-Darda' and asked him about the same about which I had asked Thawban, thereupon he said to me: I advise you to perform (more) prostrations (i.e. offer prayers so much for the Sake of Allah Almighty): indeed, I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "No servant offers a prostration for the Sake of Allah but that with it Allah upgrades him a degree, and plots out a sin from him."

### **[81] The Place Of Prostration (In the Body)**

**1137-** It is narrated on the authority of Ata' Ibn Yazid that he said: I was sitting with both Abu Hurairah and Abu Sa'id when one of them related the narration of intercession, and the other was silent. He said: "Then, the angels will come to intercede, and so will do the Messengers. He made a mention of the path (over the Hell), and said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "I will be the first to cross, and when Allah Almighty finishes from making His Decisions among His creatures, and then brings out of the fire (of Hell) whomever He intends to bring out, Allah will order both the angels and Messengers to use their good offices, and those (who will be brought out of the fire) will be recognized from their signs, for the fire eats every part of the human body except the place of prostration. It will be poured over their bodies from the water of the Garden, and they will grow in the same way as a seed carried by a torrent grows."

### **[82] Is It Permissible To Have A Prostration Longer Than Another?**

**1138-** It is narrated on the authority of Abdullah Ibn Shaddad from his father that he said: Once, the Messenger of Allah "Allah's blessing and peace be upon him" came out to us in order to lead one of both prayers of the evening (i.e. Maghrib and Isha), and he was carrying Hasan or Husain. the Messenger of Allah "Allah's blessing and peace be upon him" proceeded on and placed him, and said Takbir to assume the prayer, and went on offering prayer, during which he offered a prostration which he prolonged, thereupon I raised my head and behold! the child was on the back of the Messenger of Allah "Allah's blessing and peace be upon him" while he was prostrating. I returned to my prostration. When the Messenger of Allah "Allah's blessing and peace be upon him" finished from the prayer the people said: "O Messenger of Allah! you've offered during the prayer a prostration which you've prolonged so much that we thought something serious had happened, or that you had being Divinely revealed." He said: "Nothing of that has happened. But my grandson took me as a riding mount, and I disliked to make haste before he was satisfied."

### **[83] Saying Takbir On Raising The Head From Prostration**

**1139-** It is narrated on the authority of Abdullah that he said: I saw the Messenger of Allah "Allah's blessing and peace be upon him" saying Takbir on every time he rose or fell, on every standing or sitting, and (I saw him) paying salutation to his right and left sides: "Peace and Allah's Mercy be upon you" (in which he turned his face so much) to the extent that the

#### **[84] Raising Both Hands On Rising From The First Prostration**

1140- It is narrated on the authority of Malik Ibn Al-Huwairith that whenever the Messenger of Allah “Allah’s blessing and peace be upon him” assumed the prayer he would raise both his hands, and whenever he bowed down, he would do the same, and whenever he raised his head from bowing he would do the same, and whenever he raised his head from prostration he would do the same, i.e. raise both his hands.

#### **[85] Leaving That Act In Between Both Prostrations**

1141- It is narrated on the authority of Salim from his father that he said: Whenever the Messenger of Allah “Allah’s blessing and peace be upon him” assumed the prayer he said Takbir and raised both his hands, and whenever he bowed (he did the same), and (he did the same) after (raising his head from) bowing; but he never did so in between both prostrations.

#### **[86] The Supplication Between Both Prostrations**

1142- It is narrated on the authority of Hudhaifah that he came to the Messenger of Allah “Allah’s blessing and peace be upon him” (while he was offering the supererogatory prayer at night), thereupon he stood by his side: he said: “Allah is Greater: the Lord of sovereignty, overwhelming power, magnificence and greatness”. Then, he inaugurated (the prayer in which he) recited Al-Baqarah, and then bowed, and his bowing was as long as his standing, in which he said: “Glorified be my Lord, Most Great! Glorified be my Lord, Most Great!” then, he raised his head from bowing, and his standing was as long as his bowing, in which he said: “To my Lord be all the praise! To my Lord be all the praise!” Then, he fell in prostration, in which he said: “Glorified be my Lord, Most High! Glorified be my Lord, Most High!” Then, he (raised his head from prostration, and) said in between both prostrations: “O my Lord! Forgive for me! O my Lord! Forgive for me!”

#### **[87] Raising Hands Opposite To The Face Between Both Prostrations**

1143- It is narrated on the authority of An-Nadr Ibn Kathir Abu Sahl Al-Azdi that he said: Abdullah Ibn Tawus offered prayer by my side at Mina, in the mosque of Khaif, and whenever he fell in prostration and raised his head from the first prostration, he would raise both his hands opposite to his face. I disapproved that which he did and told Wuhaib Ibn Khalid who asked him: “Do you do a thing which I’ve never seen anyone having done?” Abdullah Ibn Tawus said: “No doubt, I saw my father having done it; and my father

### **[88] The Way Of Sitting In Between Both Prostrations**

**1144-** It is narrated on the authority of Maimunah that she said: Whenever The Messenger of Allah "Allah's blessing and peace be upon him" fell in prostration he would make a wide space between both his forearms (and raise his abdomen from the ground) so much that the whiteness of his armpits would be visible from behind him; and whenever he sat (in between both prostrations) he would recline against his left thigh.

### **[89] The Period Of Sitting In Between Both Prostrations**

**1145-** It is narrated on the authority of Al-Bara' that he said: The bowing, prostrating, standing after raising his head from bowing, and (his sitting) in between both prostrations offered by the Messenger of Allah "Allah's blessing and peace be upon him" in the prayer were almost proportionate in length.

### **[90] Saying Takbir For Prostrating**

**1146-** It is narrated on the authority of Abdullah that he said: I saw the Messenger of Allah "Allah's blessing and peace be upon him" saying Takbir on every time he rose or fell, on every standing or sitting; and Abu Bakr, Umar and Uthman did the same.

**1147-** It is narrated on the authority of Abu Hurairah that he said: whenever the Messenger of Allah "Allah's blessing and peace be upon him" assumed the prayer, he would magnify Allah whenever he stood; and whenever he bowed he would magnify Allah; and whenever he raised his back from bowing he would say: "Allah hears such as sends praises to Him", and while being standing (i.e. before falling in prostration) he would say: "O Allah our Lord: to You be all the praises." Then, he would say Takbir whenever he fell in prostration; and whenever he raised his head, he would magnify Allah; and whenever he performed the second prostration, he would magnify Allah; and whenever he raised his head (from prostration) he would magnify Allah: he used to do the same in his prayer until he would finish from the prayer; and whenever he stood from sitting (to recite Tashahhud) at the conclusion of the first two rak'ahs he would magnify Allah.

### **[91] Being Straight In Sitting After Rising From Both Prostrations**

**1148-** It is narrated on the authority of Abu Qilabah that he said: Abu Sulaiman: Malik Ibn Al-Huwairith came to visit us in our mosque, and he said to us: "I like to show to you how I saw the Messenger of Allah "Allah's

**1149-** It is narrated on the authority of Malik Ibn Al-Huwairith that he said: I saw the Messenger of Allah "Allah's blessing and peace be upon him" offering prayer: when he was at an odd rak'ah (the first or the third) during his prayer, he did not get up until he was straight in sitting.

### **[92] Reclining Against The Ground On Getting Up**

**1150-** It is narrated on the authority of Abu Qilabah that he said: Malik Ibn Al-Huwairith came to us, and say: "Should I not told you about the way of the prayer of the Messenger of Allah "Allah's blessing and peace be upon him"?" he offered prayer but not at the due time of any obligatory prayer, in which when he raised his head from the second prostration of the first rak'ah, he set himself straight in sitting, and then he got up while reclining against the ground.

### **[93] Raising Both Hands From The Ground Before Both Knees**

**1151-** It is narrated on the authority of Wa'il Ibn Hujr that he said: I saw that whenever the Messenger of Allah "Allah's blessing and peace be upon him" fell in prostration, he would place his knees on the ground before his hands, and whenever he rose he would raise his hands before his knees.

### **[94] Saying Takbir On Getting Up**

**1152-** It is narrated on the authority of Abu Salamah that Abu Hurairah used to lead them in prayer, in which he used to say Takbir whenever he fell and rose and when he (finished from the prayer and) turned away he said: "By Allah, I'm the most similar from amongst you in my way of prayer to the Messenger of Allah "Allah's blessing and peace be upon him"."

**1153-** It is narrated on the authority of both Abu Bakr Ibn Abd Ar-Rahman and Abu Salamah Ibn Abd Ar-Rahman that they offered prayer behind Abu Hurairah: when he bowed down, he said Takbir; and when he raised his head he said: "Allah hears such as sends praises to Him: O our Lord! To You be the praises"; and when he fell in prostration he said Takbir; and when he raised his head he said Takbir; and when he stood (after the conclusion of) the rak'ah he said Takbir. He said: "By Him in Whose Hand is my life: I'm the most similar from amongst all of you (in my way of prayer) to the Messenger of Allah "Allah's blessing and peace be upon him": This was his way of prayer (on which he kept) until he died and left the world."

### **[95] The Way Of Sitting To Recite The First Tashahhud**

### **[96] Twisting The Toes To Have Their Tips Face The Qiblah While Sitting To Recite Tashahhud**

**1155-** It is narrated on the authority of Abdullah Ibn Umar that he said: It is out of the right way of prayer to hold your right foot, and have the tips of its toes face the Qiblah and sit on the left foot.

### **[97] The Position Of Both Hands On Sitting For The First Tashahhud**

**1156-** It is narrated on the authority of Wa'il Ibn Hujr that he said: I came to the Messenger of Allah "Allah's blessing and peace be upon him" and saw that he raised both his hands up to the level of his shoulders when he assumed the prayer, and (he did the same) when he intended to bow; and when he sat (after the conclusion of) the first two rak'ahs, he spread his left foot, and held his right foot, and placed his right hand on his right thigh, and held his index finger for supplication, and placed his left hand on his left thigh. Then, I came to them (the Prophet and his companions) when it was very cold, and saw them raising their hands from within the hooded cloaks.

### **[98] The Position Of The Sight During Reciting Tashahhud**

**1157-** It is narrated on the authority of Abdullah Ibn Umar that he saw a man moving the gravel with his hand during the prayer. When he (finished from the prayer and) turned away he said to him: "Move not the gravel while you are in prayer, for this is from Satan; but rather do like the doing of the Messenger of Allah "Allah's blessing and peace be upon him"." He said: "Then, what did the Messenger of Allah "Allah's blessing and peace be upon him" used to do?" he placed his right hand on his right thigh, and pointed to the Qiblah with his index finger (while reciting Tashahhud to affirm monotheism), towards which he fixed his sight. Then he said: "As such I saw the Messenger of Allah "Allah's blessing and peace be upon him" doing."

### **[99] Beckoning With The Index Finger In The First Tashahhud**

**1158-** It is narrated on the authority of Amr Ibn Abdullah Ibn Az-Zubair from his father that he said: Whenever the Messenger of Allah "Allah's blessing and peace be upon him" sat after the conclusion of the first two or even four rak'ahs, he would place both his hands on both his knees; and he beckoned with his index finger (while reciting Tashahhud to affirm monotheism).

### [100] How To Recite The First Tashahhud

1159- It is narrated on the authority of Abdullah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" instructed us to recite whenever we sat after the conclusion of each two rak'ahs: "All the compliments, prayers and good things are due to Allah; peace and Allah's mercy and blessings are upon you, O Prophet. Peace be upon us an upon the pious servants of Allah. I testify that there is no god but Allah, and I testify that Muhammad is His servant and His Apostle (At-tahiyyatu lillah, was-salawatu wat-taiyyibat. As-Salamu alayka ayyuhan-nabiyyu warahmatullahi wabarakatuh. As-Salamu alayna wa'ala ibadillahi As-Salihin. Ash'hadu an la ilaha illallahu; wa'ash'hadu anna Muhammadan abduhu warasuluh)."

1160- It is narrated on the authority of Abdullah that he said: We did not know what to recite after the conclusion of each two rak'ahs of the prayer other than to glorify, magnify and praise (Allah) our Lord. Indeed, Muhammad the Messenger of Allah "Allah's blessing and peace be upon him" instructed us the starting and ending points of goodness. He said: "When you sit after the conclusion of each two rak'ahs, you should recite the following: "All the compliments, prayers and good things are due to Allah; peace and Allah's mercy and blessings are upon you, O Prophet. Peace be upon us an upon the pious servants of Allah. I testify that there is no god but Allah, and I testify that Muhammad is His servant and His Apostle (At-tahiyyatu lillah, was-salawatu wat-taiyyibat. As-Salamu alayka ayyuhan-nabiyyu warahmatullahi wabarakatuh. As-Salamu alayna wa'ala ibadillahi As-Salihin. Ash'hadu an la ilaha illallahu; wa'ash'hadu anna Muhammadan abduhu warasuluh)." Then, let anyone of you choose from the supplications the dearest to him, therewith to supplicate Allah Almighty."

1161- It is narrated on the authority of Abdullah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" instructed us to recite Tashahhud in prayer, as well as to recite Tashahhud when there is a certain need to be fulfilled. As for the Tashahhud in prayer, it goes as follows: "All the compliments, prayers and good things are due to Allah; peace and Allah's mercy and blessings are upon you, O Prophet. Peace be upon us an upon the pious servants of Allah. I testify that there is no god but Allah, and I testify that Muhammad is His servant and His Apostle (At-tahiyyatu lillah, was-salawatu wat-taiyyibat. As-Salamu alayka ayyuhan-nabiyyu warahmatullahi wabarakatuh. As-Salamu alayna wa'ala ibadillahi As-Salihin. Ash'hadu an la ilaha illallahu; wa'ash'hadu anna Muhammadan abduhu warasuluh)... "up to the end of Tashahhud.

**1162-** It is narrated on the authority of Yahya Ibn Adam that he said: I heard Sufyan reciting this Tashahhud in both the obligatory written and voluntary prayers, and he told that this is narrated on the authority of Abdullah from the Messenger of Allah "Allah's blessing and peace be upon him", through two chains of transmission.

**1163-** It is narrated on the authority of Abdullah that he said: We were with the Messenger of Allah "Allah's blessing and peace be upon him", and we did not know anything (to say whenever we sat in the prayer). On that the Messenger of Allah "Allah's blessing and peace be upon him" said to us: "You should say on every sitting (after the conclusion of each two rak'ahs): "All the compliments, prayers and good things are due to Allah; peace and Allah's mercy and blessings are upon you, O Prophet. **1164-** It is narrated on the authority of Abdullah that he said: We did not know what to say whenever we sat in the prayer. However, the Messenger of Allah "Allah's blessing and peace be upon him" instructed us the shortest expressions that bear the widest and most comprehensive meanings. He said to us: "You should say: "All the compliments, prayers and good things are due to Allah; peace and Allah's mercy and blessings are upon you, O Prophet. Peace be upon us an upon the pious servants of Allah. I testify that there is no god but Allah, and I testify that Muhammad is His servant and His Apostle (At-tahiyyatu lillah, was-salawatu wat-taiyyibat. ### [101] Another Kind Of Tashahhud

**1169-** It is narrated on the authority of Hittan that Abu Musa Al-Ash'ari said: Verily The Messenger of Allah "Allah's blessing and peace be upon him" addressed us and explained to us all Its aspects and taught us how to offer prayer (properly). He (The Prophet) said: "When you offer the prayer, make your rows straight and let anyone amongst you lead you. Recite the Takbir when he recites it. When he recites: "Not of those upon whom wrath falls, nor those who go astray", say: "Amen". Verily, Allah would respond to you. When he (the imam) magnifies Allah and kneels down in bowing, you should also magnify Allah and bow, for the imam bows before you and raises himself before you". Then The Messenger of Allah "Allah's blessing and peace be upon him" said: "The one is equal to the other" (i.e. the one moment with which the imam preceded you in bowing is equal to the moment in which you bowed after him, and in this way, his bowing becomes equivalent to yours). "When he says: "Allah hears him who sends praises to Him", you should say: "O Allah, our Lord, to You be the praise", for Allah "Exalted and Glorified be He" would listen (and respond) to you, because he has said, through the tongue of His Prophet "Allah's blessing and peace be upon him" that "Allah hears him who sends praises to Him." When he (the imam) recites the Takbir and prostrates, you should also recite the Takbir and prostrate, for the imam prostrates before you and raises himself before you". The Messenger' of Allah "Allah's blessing and peace be upon him" said: "The one is equal to the other". "When he (the imam) comes to the sitting posture (after the second rak'ah for Tashahhud) the first words of every one amongst you should be: "All the compliments, good things and prayers are due to Allah; peace and Allah's mercy and blessings are upon you, O Prophet. Peace be upon us an upon the pious slaves of Allah. I testify that there is no god but Allah, and I testify that Muhammad is His slave and His Messenger". ### **[1] Saying Takbir On Standing From Two Rak'ahs**

**1176-** It is narrated on the authority of Abd Ar-Rahman Ibn Al-Asamm that he said: Anas Ibn Malik was asked about Takbir in prayer, thereupon he said: "One should say Takbir whenever he bows, whenever he falls in prostration, whenever he raises his head from prostration, and whenever he stands from the two rak'ahs." Hutaim asked him: "From whom do you relate that?" he said: "From the Messenger of Allah "Allah's blessing and peace be upon him", Abu Bakr and Umar." He kept silent, thereupon Hutaim asked him once again: "And Uthman?" he said: "And from Uthman."

**1177-** It is narrated on the authority of Mutarrif that he said: Once, Ali Ibn Abu Talib led the prayer, in which he said Takbir whenever he fell (in bowing and prostration) and rose, i.e. he said Takbirs in full, thereupon Imran Ibn Husain said: "No doubt, this (Ali) remembered me of the prayer of the Messenger of Allah "Allah's blessing and peace be upon him"."

### **[4] Raising Both Hands, Praising And Lauding Allah In Prayer**

**1180-** It is narrated on the authority of Sahl Ibn Sa'd As-Sa'idi that he said: Allah's Apostle "Allah's blessing and peace be upon him" went to make reconciliation among Banu Amr Ibn Awf. In the meantime the time of prayer was due and the Mu'adhdhin went to Abu Bakr and told him to gather the people in order to lead the prayer (and he led the prayer). praying and he broke in the rows of the praying people till he stood in the first row. The people clapped their hands in order to draw Abu Bakr's attention of the coming of Allah's Apostle "Allah's blessing and peace be upon him". Abu Bakr never glanced sideways in his prayer but when the people continued clapping, Abu Bakr came to know that perhaps something happened to them during prayer. He looked and behold! he saw Allah's Apostle "Allah's blessing and peace be upon him". Allah's Apostle "Allah's blessing and peace be upon him" beckoned to him to stay at his place. Abu Bakr raised his hands and praised Allah and lauded Him for that order of Allah's Apostle "Allah's blessing and peace be upon him" and then he retreated till he reached the first row. Allah's Apostle "Allah's blessing and peace be upon him" went forward and resumed leading the prayer. When Allah's Apostle "Allah's blessing and peace be upon him" finished the prayer, he said: "O Abu Bakr! What did prevent you from staying when I ordered you to do so?" Abu Bakr replied: "It is not fitting for Ibn Abu Quhafah to lead the prayer in the presence of Allah's Apostle "Allah's blessing and peace be upon him"." Then Allah's Apostle "Allah's blessing and peace be upon him" said (addressing people): "Why did you clap so much? However, clapping is for women." He added: "If something doubtful happens to you during your prayer you should say: "Glory be to Allah"."

Be still in prayer!"

**1182-** It is narrated on the authority of Jabir Ibn Samurah that he said: We were offering prayer behind Allah's Apostle "Allah's blessing and peace be upon him", when we paid salutation with the help of our hands, thereupon he said: "What is the matter with those who pay salutation with the help of their hands as if they are the tails of restless horses? use to have recourse to priests. (What about them?)” He said: “Do not have recourse to them.” I said: “From among us, there are men who use to draw lines.” He said: “There was a prophet who used to draw lines. If theirs agree with his that is permissible.” He further said: I was praying behind The Messenger of Allah “Allah’s blessing and peace be upon him” when a man sneezed. I said: “Allah’s mercy be upon you!” The people stared at me disapprovingly. I said: “Let my Mother be bereaved of me! What is the matter?” They started striking their hands on their thighs. Saw them urging me to keep silent I said nothing (though I got angry). When The Messenger of Allah “Allah’s blessing and peace be upon him” finished the prayer, he, by Allah, did neither scold, beat, nor berate me, -let my father and mother be sacrificed for him, neither before nor after whom, I have seen a tutor who used to give instructions better than him- but he said: “Talking to persons is not permissible during this prayer of ours, for it consists of glorifying and magnifying Allah, and reciting The Qur’an.” On the other hand, I had a glimpse of a flock of grazing sheep under the care of a slave-girl by the side of (the mountain of) Uhud and Jawwaniyyah, and I saw that a wolf had carried a goat from her flock. I am, anyway, a man from the sons of Adam. I felt sorry as they (people) feel sorry. So I slapped her. I came to The Messenger of Allah “Allah’s blessing and peace be upon him”, and told him about that. Felt (what I had done) as something of seriousness, I said: “O Messenger of Allah! Would I not emancipate her?” He said: “Bring her to me.” I brought her to him. He asked her: “Where is Allah?” She said: “He is in the heaven.” He said: “Who am I?” She said: “You are The Messenger of Allah.” He said (to me): “Manumit her, for she is a believing woman.”

**1216-** It is narrated on the authority of Zaid Ibn Arqam that he said: During the lifetime of The Messenger of Allah “Allah’s blessing and peace be upon him”, anyone might talk to his companion (sitting by his side) in the prayer and ask him for what he needed, until the following Holy Verse was revealed: " Guard strictly your (habit of) prayers, especially the Middle Prayer; and stand before Allah in a devout (frame of mind)." (Al-Baqarah 238) on that we were ordered to keep from speaking (to each other during the prayer).

**1217-** It is narrated on the authority of Abdullah Ibn Mas'ud that he said: I used to come to The Messenger of Allah “Allah’s blessing and peace be upon him” while he was praying, and pay him salutation, and he used to return the salutation to me (when speaking to one another during the prayer was permissible). One day, I went o him and paid him salutation while he was praying, but he gave no reply. When he concluded the prayer with the end salutation he beckoned to the people and said: "No doubt, Allah

Almighty has made a change in the prayer, that is, you should not speak in it but with the celebration of Allah, and what is fitting for that, and that you should stand before Allah in a devout (frame of mind)."

**1218-** It is narrated on the authority of Abdullah Ibn Mas'ud that he said: We used to salute The Messenger of Allah "Allah's blessing and peace be upon him" while being in prayer, and he used to return salutation until we came back from Abyssinia: when I paid him salutation he gave no reply. I thought of whatever near and far (reasons for which he gave no reply). I sat until he finished from the prayer and said: "Indeed, Allah Almighty makes such of changes in His matter (of Religion) as He wills; and He has made a change in this matter that you should not speak (to each other) in the prayer."

#### **[21] When One Stands After The Conclusion Of The First Two Rak'ahs And Forgets To Recite Tashahhud**

**1219-** It is narrated on the authority of Abdullah Ibn Buhainah that he said: Once, The Messenger of Allah "Allah's blessing and peace be upon him" led us in prayer and after two rak'ahs he stood up and did not sit down (to recite the first Tashahhud); and the people stood with him. When he finished from the prayer, we expected for his end salutation. But he magnified Allah and offered two prostrations from his sitting posture, before the end salutation. 1252 - أَخْبَرَنَا عَبْدُ اللَّهِ بْنُ عَبْدِ الرَّحِيمِ قَالَ: أَنْبَأَنَا ابْنُ شُمَيْلٍ قَالَ: أَنْبَأَنَا شُعْبَةُ عَنْ الْحَكَمِ وَمُغِيرَةَ عَنْ إِبْرَاهِيمَ عَنْ عَلْقَمَةَ عَنْ عَبْدِ اللَّهِ عَنِ النَّبِيِّ ﷺ: «أَنَّهُ صَلَّى بِهِمُ الظُّهْرَ خَمْسًا فَقَالُوا: إِنَّكَ صَلَّيْتَ خَمْسًا، فَسَجَدَ سَجْدَتَيْنِ بَعْدَ مَا سَلَّمَ وَهُوَ جَالِسٌ».

1253 - أَخْبَرَنَا مُحَمَّدُ بْنُ رَافِعٍ قَالَ: حَدَّثَنِي يَحْيَى بْنُ آدَمَ قَالَ: حَدَّثَنَا مُفَضَّلُ بْنُ مُهْلَهْلٍ عَنِ الْحَسَنِ بْنِ عُبَيْدِ اللَّهِ عَنْ إِبْرَاهِيمَ بْنِ سُوَيْدٍ قَالَ: صَلَّى عَلْقَمَةُ خَمْسًا. فَقِيلَ لَهُ: فَقَالَ: مَا فَعَلْتُ؟ قُلْتُ بِرَأْسِي بَلَى. قَالَ: وَأَنْتَ يَا أَعْوَرُ فَقُلْتُ: نَعَمْ. فَسَجَدَ سَجْدَتَيْنِ. ثُمَّ حَدَّثَنَا عَنْ عَبْدِ اللَّهِ عَنِ النَّبِيِّ ﷺ أَنَّهُ صَلَّى خَمْسًا

that the people talked to one another in a low tone. They said: "O Messenger of Allah! Has anything been increased in the prayer?" he answered in the negative. They told him of what he had done, thereupon he turned his foot (towards the direction of the Qiblah) and offered two prostrations, after which he said: "Indeed, I'm only a human being, and I forget as you forget."

**1254-** It is narrated on the authority of Ash-Sha'bi that he said: Once, Alqamah Ibn Qais was given to forgetfulness in his prayer, and they made a mention of that to him after he had (concluded the prayer and) spoken to the people, thereupon he asked: "Is it true O One-Eyed man?" he answered in the affirmative. On that he loosened the garment with which he was sitting with his knees close to his abdomen, and offered both prostrations of forgetfulness and said: "As such The Messenger of Allah "Allah's blessing and peace be upon him" did." I heard Al-Hakam having said: Alqamah offered five rak'ahs (instead of four).

**1255-** It is narrated on the authority of Ibrahim that once, Alqamah offered five rak'ahs (instead of four), thereupon Ibrahim Ibn Suwaid said to him: "O Abu Shibl! You've offered five rak'ahs (instead of four)." He asked: "Is it true O One-Eyed man?" on that he offered both prostrations of forgetfulness and said: "As such The Messenger of Allah "Allah's blessing and peace be upon him" did."

**1256-** It is narrated on the authority of Abdullah that once, The Messenger of Allah "Allah's blessing and peace be upon him" offered five rak'ahs for one of both prayers of evening, thereupon he was asked: "Has anything been increased in the prayer?" he asked: "What is that?" they said: "You've offered five (rak'ahs instead of four)." He said: "I'm only a human being: I forget as you forget, and remember as you remember." He then offered two prostrations (of forgetfulness) and then turned away.

### **[27] When One Forgets Anything Of His Prayer**

**1257-** It is narrated on the authority of Muhammad Ibn Yusuf, the freed slave of Uthman, from his father Yusuf that once, Mu'awiyah (Ibn Abu Sufyan) was leading them in prayer when he stood (after the conclusion of the second rak'ah), even though he had to sit (to recite the first Tashahhud). The people glorified (Allah to draw his attention), but he completed (the prayer) upon his standing and then he offered two prostrations (of forgetfulness) from his sitting posture after he had finished the prayer. Then he sat on the pulpit and said: No doubt, I heard The Messenger of Allah "Allah's blessing and peace be upon him" having said: "He, who forgets anything of his prayer (provided that it should not constitute a fundamental

### **[28] Saying Takbir In Both Prostrations Of Forgetfulness**

**1258-** It is narrated on the authority of Abdullah Ibn Buhainah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" stood up in the Noon prayer, though he had to sit after the conclusion of the second rak'ah. When he completed the prayer, he offered two prostrations from his sitting posture, saying in each: "Allah is Greater", before uttering the end salutation, and the people offered the two prostrations with him, in compensation for the sitting he had forgotten (after the second rak'ah).

### **[29] The Way Of Sitting In The Last Rak'ah With Which One Concludes The Prayer**

**1259-** It is narrated on the authority of Abu Humaid As-Sa'idi that he said: Whenever The Messenger of Allah "Allah's blessing and peace be upon him" came to the last two rak'ahs of the prayer, after which it would be concluded, he would bring back his left leg, and sit on his hip (inclined) to his (left) side, and then he would utter the end salutation.

**1260-** It is narrated on the authority of Wa'il Ibn Hujr that he said: I saw the Messenger of Allah "Allah's blessing and peace be upon him" having raised both his hands (up to the level of his shoulders) when he assumed the prayer, and (he did the same) when he bowed and when he raised his head from bowing; and when he sat (to recite Tashahhud), he spread his left foot, and held his right foot, and placed his left hand on his left thigh, and his right hand on his right thigh, and made a circle with the help of both his middle finger and thumb, and beckoned (with the help of his index finger for supplication).

### **[30] The Position Of Both Arms**

**1262-** It is narrated on the authority of Wa'il Ibn Hujr that he told: I said (to myself): Let me see how the Messenger of Allah "Allah's blessing and peace be upon him" would offer the prayer. the Messenger of Allah "Allah's blessing and peace be upon him" stood and faced the Qiblah, raised both his hands until they became at the level of his ears, and then he took hold of his

### [32] The Position Of Both Palms

**1263-** It is narrated on the authority of Ali Ibn Abd Ar-Rahman that he said: I offered prayer by the side of Ibn Umar and he saw me while I was playing with the gravel (during the prayer). Ibn Umar said to me: "Do not play with the gravel (in prayer), for indeed, playing with the gravel (during the prayer) is from Satan; and rather do the like of what I saw the Messenger of Allah "Allah's blessing and peace be upon him" doing." I asked: "What did you see the Messenger of Allah "Allah's blessing and peace be upon him" doing?" He said: "(Whenever the Messenger of Allah "Allah's blessing and peace be upon him" sat in prayer to recite the testification) he would do as such." He held his right foot and spread his left foot, and placed his right hand on his right thigh, and his left hand on his left thigh, and beckoned with the help of his index finger.

### [33] Withdrawing The Fingers Of The Right Hand Barring The Index Finger

**1264-** It is narrated on the authority of Ali Ibn Abd Ar-Rahman that he said: Ibn Umar saw me while I was playing with the gravel during the prayer. When he (finished from the prayer and) turned away he forbade me to do so and said: "Do the like of what the Messenger of Allah "Allah's blessing and peace be upon him" used to do." I asked: "What did the Messenger of Allah "Allah's blessing and peace be upon him" use to do?" he said: "Whenever the Messenger of Allah "Allah's blessing and peace be upon him" sat in prayer (to recite the testification), he would place his right hand on his right thigh, and withdraw all of his fingers, barring the index one next to the thumb, therewith he would beckon (to affirm monotheism), placing, at the same time, his left hand on his left thigh."

**1265-** It is narrated on the authority of Wa'il Ibn Hujr that he told: I said (to myself): Let me see how the Messenger of Allah "Allah's blessing and peace be upon him" would offer the prayer. (He described it and resumed): Then he sat and spread his left leg, and placed his left hand on his left thigh and knee, and the edge of his right elbow on his right thigh; and then he withdrew two of his fingers, and made a circle, and I saw him raising his index finger and I saw him moving it, with which he was supplicating (Allah to affirm monotheism during his reciting the testification).

**1267-** It is narrated on the authority of Abdullah Ibn Az-Zubair that Allah's Apostle "Allah's blessing and peace be upon him" used to beckon with his index finger without moving it whenever he supplicated (Allah to affirm monotheism during the prayer). He further narrated that he saw Allah's Apostle "Allah's blessing and peace be upon him" supplicating as such, reclining with his left hand against his left thigh.

1275- It is narrated on the authority of Ibn Abbas that he said: Allah's Apostle "Allah's blessing and peace be upon him" used to teach us Tashahhud in the same way as he used to teach us a Surah from the Qur'an.

#### [43] The Way Of Reciting Tashahhud

1276- It is narrated on the authority of Abdullah (Ibn Mas'ud) that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "Allah Almighty Himself is the (source of) Peace. So, if anyone of you sits (in prayer) let him say: "All the compliments, prayers and good things are due to Allah; peace and Allah's mercy and blessings are upon you, O Prophet. Peace be upon us and upon the pious servants of Allah. I testify that there is no god but Allah, and I testify that Muhammad is His servant and His Apostle (At-tahiyyatu lillah, was-salawatu wat-taiyyibat. Ash'hadu an la ilaha illallahu; wa'ash'hadu anna Muhammadan abduhu warasuluh)" then, let him choose such of statements (of supplication) as he wills."

#### [44] Another Wording Of Tashahhud

1277- It is narrated on the authority of Hittan that Abu Musa Al-Ash'ari said: Verily The Messenger of Allah "Allah's blessing and peace be upon him" addressed us and explained to us all Its aspects and taught us how to offer prayer (properly). He (The Prophet) said: "When you offer the prayer, make your rows straight and let anyone amongst you lead you. Recite the Takbir when he recites it. When he recites: "Not of those upon whom wrath falls, nor those who go astray", say: "Amen". Verily, Allah would respond to you. When he (the imam) magnifies Allah and kneels down in bowing, you should also magnify Allah and bow, for the imam bows before you and raises himself before you". Then The Messenger of Allah "Allah's blessing and peace be upon him" said: "The one is equal to the other" (i.e. the one moment with which the imam preceded you in bowing is equal to the moment in which you bowed after him, and in this way, his bowing becomes equivalent to yours). "When he says: "Allah hears him who sends praises to Him", you should say: "O Allah, our Lord, to You be the praise", for Allah "Exalted and Glorified be He" would listen (and respond) to you, because he has said, through the tongue of His Prophet "Allah's blessing and peace be upon him" that "Allah hears him who sends praises to Him." When he (the imam) recites the Takbir and prostrates, you should also recite the Takbir and prostrate, for the imam prostrates before you and raises himself before

The Messenger of Allah "Allah's blessing and peace be upon him" kept so silent that we hoped he had not asked him, and then the Messenger of Allah "Allah's blessing and peace be upon him" said: "Say: 'O Allah! هَلَالِ بْنِ يَسَافٍ عَنْ قُرَّةَ بْنِ نَوْفَلٍ قَالَ: قُلْتُ لِعَائِشَةَ: حَدِّثِينِي بِشَيْءٍ كَانَ  
رَسُولُ اللَّهِ ﷺ يَدْعُو بِهِ فِي صَلَاتِهِ. فَقَالَتْ: نَعَمْ، كَانَ رَسُولُ اللَّهِ ﷺ يَقُولُ:  
«اللَّهُمَّ إِنِّي أَعُوذُ بِكَ مِنْ شَرِّ مَا عَمِلْتُ وَمِنْ شَرِّ مَا لَمْ أَعْمَلْ».

### [64] Another Wording Of Seeking Refuge

**1305-** It is narrated on the authority of A'ishah that she said: I asked the Messenger of Allah "Allah's blessing and peace be upon him" about the grave punishment and he said: "Yes, the grave punishment is a fact." However, afterwards, I've never seen the Messenger of Allah "Allah's blessing and peace be upon him" offering a prayer but that he sought refuge in it from the grave punishment.

**1306-** It is narrated on the authority of A'ishah that she said: Allah's Apostle "Allah's blessing and peace be upon him" used to invoke Allah in the prayer saying: "O Allah! I seek refuge with You from the punishment of the grave, from the affliction of Al-Masih Ad-Dajjal, and from the affliction of life and death. O Allah, I seek refuge with you from sins and from (being in) debt." Somebody said to him: "Why do you so frequently seek refuge with Allah from being in debt?" The Prophet "Allah's blessing and peace be upon him" replied: "A debtor tells lies whenever he speaks, and breaks promises whenever he makes them."

**1307-** It is narrated on the authority of Abu Hurairah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "When anyone of you recites the (last) testification (Tashahhud), let him seek refuge with Allah from four things: from the punishment of (the fire of) Hell; from the punishment of the grave; from the affliction of both life and death; and from the evil of the Imposter-Messiah (Al-Masih Ad-Dajjal). After that, let him supplicate for himself with what he likes."

### [65] Another Celebration To Be Recited After Tashahhud

**1308-** It is narrated on the authority of Jabir that the Messenger of Allah "Allah's blessing and peace be upon him" used to say in his prayer after reciting Tashahhud: "The best of speech is that of Allah Almighty, and the best of guidance is that of Muhammad (the Messenger of Allah) "Allah's blessing and peace be upon him"."

### [66] Offering Prayer Imperfectly

**1309-** It is narrated on the authority of Hudhaifah that he saw a man offering prayer imperfectly, thereupon he asked him: "How long have you been offering this prayer as such?" he said: "For forty years." On that he said: "Then, you've not been offering prayer for forty years; and if you die in such a state, you will not die while following the right way of Muhammad (the Messenger of Allah) "Allah's blessing and peace be upon him". He further said: "A man might make short his prayer, but at the same time, he offers it perfectly and completely."

### [67] The Minimum Acts With Which The Prayer Is Still Valid

**1310-** It is narrated on the authority of Ali Ibn Yahya from his father from one of his paternal uncles, and he was of those who took part in the holy battle of Badr, that a man entered the mosque and offered prayer while The Messenger of Allah "Allah's blessing and peace be upon him" was watching him, even though we felt not. When he finished from the prayer and turned away, he came to The Messenger of Allah "Allah's blessing and peace be upon him" and paid salutation to him. The Messenger of Allah "Allah's blessing and peace be upon him" said: "Go back and pray, for you have not offered the Prayer yet." He went and offered prayer once again, and then he came back to The Messenger of Allah "Allah's blessing and peace be upon him". He said to him: "Go and pray once again, for you've not prayed yet." He said that to him twice or thrice after which the man said to him : "By Him, Who has honoured you (with the truth) O Messenger of Allah! I have been put to trouble: so please instruct me." He (the Prophet) said: "When you intend to offer prayer, perform ablution well, and then face the Qiblah, then magnify Allah, and then recite (whatever is available to you from The Qur'an), then bow down until you feel at ease in that position, then raise yourself and stand erect, then prostrate yourself until you feel at ease in that position, then, raise yourself and sit until you feel at ease while sitting, and then prostrate yourself until you feel at ease in that position and then raise your head (from prostration): and do all of that (in each rak'ah) until you finish from your prayer."

**1311-** It is narrated on the authority of Ali Ibn Yahya Ibn Khallad Ibn Rafi' Ibn Malik from his father from one of his paternal uncles, and he was of those who took part in the holy battle of Badr, that he said: We were with The Messenger of Allah "Allah's blessing and peace be upon him" when a man entered the mosque and offered a two-rak'ah Prayer. When he finished from the prayer and turned away, he came to The Messenger of Allah "Allah's blessing and peace be upon him" and paid salutation to him, and the Messenger of Allah "Allah's blessing and peace be upon him" was watching him. The Messenger of Allah "Allah's blessing and peace be upon him" returned his salutation and said: "Go back and pray, for you have not offered the Prayer yet." The man returned and offered prayer once again, and then he came back and paid salutation to The Messenger of Allah "Allah's blessing and peace be upon him". The Messenger of Allah "Allah's blessing and peace be upon him" returned his salutation and said: "Go back and pray, for you have not offered the Prayer yet." When it was at the third or the fourth time the man said to him : "By Him, Who has sent down the Book unto you! I have been put to trouble, even though I'm eager to do it well: so please

## (67) - بَابُ أَقَلِّ مَا يُجْزَى مِنْ عَمَلِ الصَّلَاةِ

1310 - أَخْبَرَنَا قُتَيْبَةُ قَالَ: حَدَّثَنَا اللَّيْثُ عَنْ ابْنِ عَجْلَانَ عَنْ عَلِيٍّ وَهُوَ ابْنُ يَحْيَى عَنْ أَبِيهِ عَنْ عَمِّ لَهُ بِذَرِيٍّ أَنَّهُ حَدَّثَهُ: أَنَّ رَجُلًا دَخَلَ الْمَسْجِدَ فَصَلَّى وَرَسُولُ اللَّهِ ﷺ يَرْمُقُهُ وَنَحْنُ لَا نَشْعُرُ فَلَمَّا فَرَغَ أَقْبَلَ فَسَلَّمَ عَلَى رَسُولِ اللَّهِ ﷺ فَقَالَ: «أَرْجِعْ فَصَلِّ فَإِنَّكَ لَمْ تُصَلِّ». فَرَجَعَ فَصَلَّى ثُمَّ أَقْبَلَ إِلَى رَسُولِ اللَّهِ ﷺ فَقَالَ: «أَرْجِعْ فَصَلِّ فَإِنَّكَ لَمْ تُصَلِّ»، مَرَّتَيْنِ أَوْ ثَلَاثًا، فَقَالَ لَهُ الرَّجُلُ: وَالَّذِي أَكْرَمَكَ يَا رَسُولَ اللَّهِ لَقَدْ جَهَدْتُ فَعَلَّمَنِي فَقَالَ: «إِذَا قُمْتَ تُرِيدُ الصَّلَاةَ فَتَوَضَّأْ فَأَحْسِنْ وَضُوءَكَ، ثُمَّ اسْتَقْبِلِ الْقِبْلَةَ فَكَبِّرْ، ثُمَّ اقْرَأْ، ثُمَّ أَرْكَعْ، فَاطْمِئِنَّ رَاكِعًا، ثُمَّ أَرْفَعْ حَتَّى تَعْتَدِلَ قَائِمًا، ثُمَّ اسْجُدْ حَتَّى تَظْمِنَ سَاجِدًا، ثُمَّ أَرْفَعْ حَتَّى تَظْمِنَ قَاعِدًا ثُمَّ اسْجُدْ حَتَّى تَظْمِنَ سَاجِدًا ثُمَّ أَرْفَعْ ثُمَّ أَفْعَلْ كَذَلِكَ حَتَّى تَفْرُغَ مِنْ صَلَاتِكَ».

1311 - أَخْبَرَنَا سُوَيْدُ بْنُ نَصْرِ قَالَ: أَنْبَأَنَا عَبْدُ اللَّهِ بْنُ الْمُبَارَكِ عَنْ دَاوُدَ بْنِ قَيْسٍ قَالَ: حَدَّثَنِي عَلِيُّ بْنُ يَحْيَى بْنِ خَلَادٍ بْنُ رَافِعٍ بْنُ مَالِكٍ الْأَنْصَارِيُّ قَالَ: حَدَّثَنِي أَبِي عَنْ عَمِّ لَهُ بِذَرِيٍّ قَالَ: كُنْتُ مَعَ رَسُولِ اللَّهِ ﷺ جَالِسًا فِي الْمَسْجِدِ فَدَخَلَ رَجُلٌ فَصَلَّى رَكَعَتَيْنِ ثُمَّ جَاءَ فَسَلَّمَ عَلَى النَّبِيِّ ﷺ وَقَدْ كَانَ النَّبِيُّ ﷺ يَرْمُقُهُ فِي صَلَاتِهِ فَرَدَّ عَلَيْهِ السَّلَامُ ثُمَّ قَالَ لَهُ: «أَرْجِعْ فَصَلِّ فَإِنَّكَ لَمْ تُصَلِّ». فَرَجَعَ فَصَلَّى ثُمَّ جَاءَ فَسَلَّمَ عَلَى النَّبِيِّ ﷺ فَرَدَّ عَلَيْهِ السَّلَامُ ثُمَّ قَالَ: «أَرْجِعْ فَصَلِّ فَإِنَّكَ لَمْ تُصَلِّ»، حَتَّى كَانَ عِنْدَ الثَّالِثَةِ أَوْ الرَّابِعَةِ فَقَالَ: وَالَّذِي أَنْزَلَ عَلَيْكَ

instruct me and show to me (the right way of offering prayer)." He (the Prophet) said: "When you intend to offer prayer, perform ablution well, and then face the Qiblah, then magnify Allah, and then recite (whatever is available to you from The Qur'an), then bow down until you feel at ease in that position, then raise yourself and stand erect, then prostrate yourself until you feel at ease in that position, then, raise yourself and sit until you feel at ease while sitting, and then prostrate yourself until you feel at ease in that position: if you do all of that, your prayer will have been fulfilled completely, and whatever you reduce from that will be reduced from your prayer."

**1312-** It is narrated on the authority of Sa'd Ibn Hisham that he said: I said: "O Mother of the Believers! Tell me about the Witr of the Messenger of Allah "Allah's blessing and peace be upon him"." She said: "We used to bring the teeth cleanser for him, water for his ablution, and Allah would awaken him whenever He wished during the night. He would use the teeth cleanser, perform ablution, and offer eight rak'ahs, and would not sit except in the eighth of them. He would celebrate Allah, praise and supplicate Him. Then he would utter the salutation so loud that we would hear it."

### **[68] The End Salutation**

**1313-** It is narrated on the authority of Amir Ibn Sa'd from his father that the Messenger of Allah "Allah's blessing and peace be upon him" used to utter the end salutation (twice) one on his right side and one on his left side.

**1314-** It is narrated on the authority of Amir Ibn Sa'd from his father that he said: I used to see the Messenger of Allah "Allah's blessing and peace be upon him" uttering the end salutation (twice) one on his right side and one on his left side (and he would turn his face so much) that the whiteness of his cheek would be visible.

### **[69] The Position Of Both Hands On Uttering The End Salutation**

**1315-** It is narrated on the authority of Jabir Ibn Samurah that he said: It was our habit whenever we offered prayer behind Allah's Apostle "Allah's blessing and peace be upon him" to say: "Peace be upon you! Peace be upon you!" (Mis'ar beckoned with his hand to his right and to his left). On that he (the Prophet) said: "What is the matter of those who beckon with their hands as if they are the tails of restless horses? Is it not sufficient for anyone of them to place his hand on his thigh and then salute his brother on his right and (his brother) on his left?"

الْكِتَابَ لَقَدْ جَهِدْتُ وَحَرَضْتُ فَأَرِنِي وَعَلَّمْنِي قَالَ: «إِذَا أَرَدْتَ أَنْ تُصَلِّيَ فَتَوَضَّأْ فَأَحْسِنْ وَضُوءَكَ ثُمَّ اسْتَقْبِلِ الْقِبْلَةَ فَكَبِّرْ ثُمَّ أَقْرَأْ ثُمَّ أَرْكَعْ حَتَّى تَظْمِنَ رَاكِعاً ثُمَّ أَرْفَعْ حَتَّى تَعْتَدِلَ قَائِماً ثُمَّ اسْجُدْ حَتَّى تَظْمِنَ سَاجِداً ثُمَّ أَرْفَعْ حَتَّى تَظْمِنَ قَاعِداً ثُمَّ اسْجُدْ حَتَّى تَظْمِنَ سَاجِداً ثُمَّ أَرْفَعْ فَإِذَا أَتَمَمْتَ صَلَاتَكَ عَلَى هَذَا فَقَدْ تَمَّتْ وَمَا أَنْتَقَصْتَ مِنْ هَذَا فَإِنَّمَا تَنْتَقِصُهُ مِنْ صَلَاتِكَ».

1312 - أَخْبَرَنَا مُحَمَّدُ بْنُ بَشَّارٍ قَالَ: حَدَّثَنَا يَحْيَى عَنْ سَعِيدٍ عَنْ قَتَادَةَ عَنْ زُرَّارَةَ بْنِ أَوْفَى عَنْ سَعْدِ بْنِ هِشَامٍ قَالَ: قُلْتُ يَا أُمُّ الْمُؤْمِنِينَ أَنْبِئْنِي عَنْ وَثْرِ رَسُولِ اللَّهِ ﷺ قَالَتْ: «كُنَّا نَعُدُّ لَهُ سِوَاكَهُ وَطَهْوَرَهُ فَيَبْعَثُهُ اللَّهُ لِمَا شَاءَ أَنْ يَبْعَثَهُ مِنَ اللَّيْلِ فَيَتَسَوَّكُ وَيَتَوَضَّأُ وَيُصَلِّي ثَمَانِ رَكَعَاتٍ لَا يَجْلِسُ فِيهِنَّ إِلَّا عِنْدَ الثَّامِنَةِ فَيَجْلِسُ فَيَذْكُرُ اللَّهُ عَزَّ وَجَلَّ وَيَدْعُو ثُمَّ يُسَلِّمُ تَسْلِيماً يُسْمِعُنَا».

### (68) - بَابُ السَّلَامِ

1313 - أَخْبَرَنَا مُحَمَّدُ بْنُ إِسْمَاعِيلَ بْنِ إِبْرَاهِيمَ قَالَ: حَدَّثَنَا سُلَيْمَانُ يَعْنِي ابْنَ دَاوُدَ الْهَاشِمِيِّ قَالَ: حَدَّثَنَا إِبْرَاهِيمُ وَهُوَ ابْنُ سَعْدٍ قَالَ: حَدَّثَنِي عَبْدُ اللَّهِ بْنُ جَعْفَرٍ وَهُوَ ابْنُ الْمُسَوَّرِ الْمُخَرَّمِيُّ عَنْ إِسْمَاعِيلَ بْنِ مُحَمَّدٍ قَالَ: حَدَّثَنِي عَامِرُ بْنُ سَعْدٍ عَنْ أَبِيهِ: «أَنَّ رَسُولَ اللَّهِ ﷺ كَانَ يُسَلِّمُ عَنْ يَمِينِهِ وَعَنْ يَسَارِهِ».

1314 - أَخْبَرَنَا إِسْحَاقُ بْنُ إِبْرَاهِيمَ قَالَ: أَنْبَأَنَا أَبُو عَامِرٍ الْعَقَدِيُّ قَالَ: حَدَّثَنَا عَبْدُ اللَّهِ بْنُ جَعْفَرٍ الْمُخَرَّمِيُّ عَنْ إِسْمَاعِيلَ بْنِ مُحَمَّدٍ بْنِ سَعْدٍ عَنْ عَامِرِ بْنِ سَعْدٍ عَنْ سَعْدٍ قَالَ: «كُنْتُ أَرَى رَسُولَ اللَّهِ ﷺ يُسَلِّمُ عَنْ يَمِينِهِ وَعَنْ يَسَارِهِ حَتَّى يَرَى بَيَاضَ خَدِهِ».

قَالَ أَبُو عَبْدِ الرَّحْمَنِ: عَبْدُ اللَّهِ بْنُ جَعْفَرٍ هَذَا لَيْسَ بِهِ بَأْسٌ وَعَبْدُ اللَّهِ بْنُ جَعْفَرٍ بْنُ نَجِيحٍ وَالِدُ عَلِيِّ بْنِ الْمَدِينِيِّ مَثْرُوكُ الْحَدِيثِ.

### (69) - بَابُ مَوْضِعِ الْيَدَيْنِ عِنْدَ السَّلَامِ

1315 - أَخْبَرَنَا عَمْرُو بْنُ عَلِيٍّ قَالَ: حَدَّثَنَا أَبُو نُعَيْمٍ عَنْ مِسْعَرٍ عَنْ عُبَيْدِ اللَّهِ ابْنِ الْقِبْطِيَّةِ قَالَ: سَمِعْتُ جَابِرَ بْنَ سَمُرَةَ يَقُولُ: «كُنَّا إِذَا صَلَّيْنَا خَلْفَ النَّبِيِّ ﷺ قُلْنَا السَّلَامَ عَلَيْكُمْ السَّلَامَ عَلَيْكُمْ» - وَأَشَارَ مِسْعَرُ بِيَدِهِ عَنْ يَمِينِهِ وَعَنْ شِمَالِهِ - فَقَالَ: «مَا بَالُ هَؤُلَاءِ الَّذِينَ يَرْمُونَ بِأَيْدِيهِمْ كَأَنَّهَا أَذْنَابُ الْخَيْلِ الشُّمُسُ؟ أَمَا يَكْفِي أَنْ يَضَعَ يَدُهُ عَلَى فَخْذِهِ ثُمَّ يُسَلِّمُ عَلَى أَخِيهِ عَنْ يَمِينِهِ وَعَنْ شِمَالِهِ؟».

### [70] The Way Of Paying Salutation To One's Right Side

**1316-** It is narrated on the authority of Abdullah that he said: I saw the Messenger of Allah "Allah's blessing and peace be upon him" saying Takbir on every time he rose or fell, on every standing or sitting, and (I saw him) paying salutation to his right and left sides: "Peace and Allah's Mercy be upon you! Peace and Allah's Mercy be upon you!" (in which he turned his face so much) to the extent that the whiteness of his cheek was visible. I also saw both Abu Bakr and Umar doing the same.

**1317-** It is narrated on the authority of Wasi' Ibn Hibban that he asked Abdullah Ibn Umar about the prayer of the Messenger of Allah "Allah's blessing and peace be upon him", thereupon he said (that he used to say) "Allah is Greater" whenever he fell, "Allah is Greater" whenever he rose; and he used to say: "Peace and Allah's Mercy be upon you" on his right side and "Peace and Allah's Mercy be upon you" on his left side.

### [71] The Way Of Paying Salutation To One's Left Side

**1318-** It is narrated on the authority of Wasi' Ibn Hibban that he said: I said to Abdullah Ibn Umar: "Tell me about the prayer of the Messenger of Allah "Allah's blessing and peace be upon him": how was it?" He made a mention of Takbir (at every rising and falling), and salutation, i.e. that he used to say: "Peace and Allah's Mercy be upon you" on his right side and "Peace be upon you" on his left side.

**1319-** It is narrated on the authority of Abdullah that he said: As if I'm looking at the whiteness of the cheek of the Messenger of Allah "Allah's blessing and peace be upon him" (while paying salutation at the conclusion of the prayer and turning his face) to his right side: "Peace and Allah's Mercy be upon you", and to his left side: "Peace and Allah's Mercy be upon you".

**1320-** It is narrated on the authority of Abdullah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" used to pay salutation (at the conclusion of the prayer) to his right side (and turn his face so much) that the whiteness of his cheek would be visible, and do the same to his left side until the whiteness of his cheek would be visible.

**1321-** It is narrated on the authority of Abdullah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" used to pay salutation (at the conclusion of the prayer and turn his face so much) to his right side as well as to his left side: "Peace and Allah's Mercy be upon you! Peace and Allah's Mercy be upon you!" that the whiteness of his cheek would be visible from there (i.e. his right side) and the whiteness of his cheek would be visible from there (i.e. his left side).

## (70) - كَيْفَ السَّلَامُ عَلَى الْيَمِينِ

1316 - أَخْبَرَنَا مُحَمَّدُ بْنُ الْمُثَنَّى قَالَ: حَدَّثَنَا مُعَاذُ بْنُ مُعَاذٍ قَالَ: حَدَّثَنَا زُهَيْرٌ عَنْ أَبِي إِسْحَاقَ عَنْ عَبْدِ الرَّحْمَنِ بْنِ الْأَسْوَدِ عَنِ الْأَسْوَدِ وَعَلْقَمَةَ عَنْ عَبْدِ اللَّهِ قَالَ: «رَأَيْتُ رَسُولَ اللَّهِ ﷺ يُكَبِّرُ فِي كُلِّ خَفْضٍ وَرَفَعَ وَقِيَامٍ وَقُعُودٍ وَيُسَلِّمُ عَنْ يَمِينِهِ وَعَنْ شِمَالِهِ السَّلَامَ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ حَتَّى يُرَى بَيَاضُ خَدِّهِ وَرَأَيْتُ أَبَا بَكْرٍ وَعُمَرَ رَضِيَ اللَّهُ عَنْهُمَا يَفْعَلَانِ ذَلِكَ».

Peace be upon you!" On that Allah's Apostle "Allah's blessing and peace be upon him" looked at us and said: "What is the matter with you that you beckon with your hands as if they are the tails of restless horses? When anyone of you pays salutation (at the conclusion of the prayer), let him turn his face to his companion (sitting by his side, on the right and on the left), and let not him beckon with his hand."

So I wish you would come to my house and pray in it so that I could take that part as a place of prayer." Allah's Apostle "Allah's blessing and peace be upon him" said: "I shall do, Allah willing." Next day after the sun rose high, Allah's Apostle "Allah's blessing and peace be upon him" and Abu Bakr came and Allah's Apostle "Allah's blessing and peace be upon him" asked for permission to enter. I gave him permission and he did not sit on entering the house but said to me: "Where do you like me to pray?" I pointed to a certain place in my house. So Allah's Apostle "Allah's blessing and peace be upon him" stood there and we all aligned behind him. (At the conclusion of the prayer) he uttered the end salutation and we did it after him.

There is no god but Allah, other than Whom we never worship, to Whom be blessing, favour and good praise. ### **[87] Another Celebration To Be Recited After Salutation**

**1341-** It is narrated on the authority of A'ishah that whenever The Messenger of Allah "Allah's blessing and peace be upon him" sat in a gathering or offered a prayer, he would recite some words, and she asked him about these words, thereupon he said: "If one speaks good (in his gathering), those (words) will act as a stamp upon them up to the Day of Judgement; and if one speaks otherwise, those words will act as expiation for it: "Glorified be You O Allah, and with Your Praise (I exalt You); I ask for Your Forgiveness, and turn to You in repentance.""

### **[88] Another Celebration And Supplication After Salutation**

**1342-** It is narrated on the authority of A'ishah that she said: A woman from amongst the Jews came to visit me and said: "No doubt, the grave punishment is because of (leaving the traces of) urine." I said to her: "You have told a lie." She said: "Nay! We file our skin and garments (to remove its traces)." The Messenger of Allah "Allah's blessing and peace be upon him" came out to lead the prayer and our voices had grown much loud. He asked: "What is the matter?" I told him of what she said, thereupon he said: "She has told the truth." From this day on, he never prayed but that he said after the prayer: "O Lord of Gabriel, Michael and Israfil! Deliver me from the scorching heat of the fire (of Hell), and from the grave punishment."

### **[89] Another Supplication On Finishing From The Prayer**

**1343-** It is narrated on the authority of Ata' Ibn Abu Marwan from his father that Ka'b took oath by Allah, Who divided the sea into two portions for (His Prophet) Moses, that we find in the Torah that David, Allah's Prophet "Peace be upon him" used to say whenever he finished from his prayer: "O Allah! mend to me my religion, which You've set to protect me (from punishment), and mend to me my world, in which You've made my living. O Allah! I seek refuge with Your Pleasure from Your Anger; I seek refuge with Your Forgiveness from Your Vengeance; and I seek refuge with (the Mercy of) You from (the Punishment of) You. O Allah! Nobody can hold back what you give, nobody can give what you hold back, and no fortune can benefit (anyone, whatever lucky he might be) without you."

### [90] Seeking Refuge (With Allah From Evil) After Prayer

**1344-** It is narrated on the authority of Muslim Ibn Abu Bakrah that he said: My father used to say following the prayer: "O Allah! I seek refuge with You from infidelity and poverty, and from the punishment of the grave." I then came to say it, and my father asked me: "From whom have you learnt that?" I said: "From you." He said: "No doubt, The Messenger of Allah "Allah's blessing and peace be upon him" used to say that following (every obligatory) prayer."

### [91] The Number Of Glorifications To Be Said After Salutation

**1345-** It is narrated on the authority of Abdullah Ibn Amr that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There are two things, to which no Muslim person sticks regularly but that he will be admitted to the Garden; and although they are too easy (to do), few are those who act upon them: (They are) to glorify Allah ten times, declare the Praises (of Allah) ten times, and magnify (Allah) ten times following every prayer (of the five obligatory prayers)." I saw the Messenger of Allah "Allah's blessing and peace be upon him" having uttered it with the help of his hand (and he resumed): "Those are one hundred and fifty utterances, even though they are recorded as one thousand and five hundred (good deeds) in the balance (of deeds). When one goes to bed, let him glorify (Allah) thirty-three times, declare the Praises (of Allah) thirty-three times, and magnify (Allah) thirty-four times (making a total of one hundred times): those are one hundred (utterances) even though they are recorded as one thousand (good deeds) in the balance (of deeds). Which of you does commit two thousand and five hundred evil deeds everyday?" (and in case there is such a one, those two thousand and five hundred good deeds would avert them) they (the companions) asked: "Why does one not stick to those (although they are too easy to do)?" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Satan comes to anyone of you during the prayer, asking him to remember such and such a thing, and to remember such and such a thing, until he finishes (from the prayer) with no mind; and (when he goes to bed) he comes to him in his lying place, and keeps inciting him to sleep until he sleeps (without saying anything)."

قَالَ: وَحَدَّثَنِي كَعْبٌ: «أَنَّ صُهِيبًا حَدَّثَهُ أَنَّ مُحَمَّدًا ﷺ كَانَ يَقُولُهُنَّ عِنْدَ أَنْصِرَافِهِ مِنْ صَلَاتِهِ».

### [92] Another Number Of Glorifications To Be Recited After Prayer

1346- It is narrated on the authority of Ka'b Ibn Ujah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There are many celebrations (of Allah's Praises) to be recited in succession of good end (to such as recites them), whose reciter never fails (to receive the reward thereof): They are to glorify Allah, following every (obligatory) prayer thirty-three times, declare His praises thirty-three times, and magnify Him thirty-four times."

### [93] Another Number Of Celebrations To Be Said After Prayer

1347- It is narrated on the authority of Zaid Ibn Thabit that he said: They were commanded to glorify Allah, following every (obligatory) prayer thirty-three times, declare His praises thirty-three times, and magnify Him thirty-four times. A man from amongst the Ansar was visited (by a visitant) in his dream, and it was said to him: "The Messenger of Allah "Allah's blessing and peace be upon him" commanded you to glorify Allah, following every (obligatory) prayer thirty-three times, declare His praises thirty-three times, and magnify Him thirty-four times." He answered in the affirmative, thereupon it was said to him: "Then, make it (the number of each celebration) twenty-five, and add to it the affirmation of Allah's Oneness ("There is no god but Allah")." in the morning he went to The Messenger of Allah "Allah's blessing and peace be upon him" and made a mention of that to him, thereupon The Messenger of Allah "Allah's blessing and peace be upon him" said: "Make it as such."

1348- It is narrated on the authority of Ibn Umar that a man saw in a dream that it was said to him: "With which has your Prophet "Peace be upon him"?" he said: "He ordered us to glorify Allah, following every (obligatory) prayer thirty-three times, declare His praises thirty-three times, and magnify Him thirty-four times, making a total of one hundred times." He said: "Then, glorify Allah twenty-five times, declare His praises twenty-five times, magnify Him twenty-five times, and affirm His Oneness twenty-five times, making a total of one hundred." When it was morning, he made a mention of that to The Messenger of Allah "Allah's blessing and peace be upon him", thereupon The Messenger of Allah "Allah's blessing and peace be upon him" said: "Do the same as the this Ansari man said."

### [95] Another Number Of Celebrations

**1350-** It is narrated on the authority of Ibn Abbas that he said: The poor people came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! The wealthy ones pray as we pray, observe fasts as we observe fasts, and they further have property from which they give and spend in charity (and we have not)." the Messenger of Allah "Allah's blessing and peace be upon him" said: "When you pray, say (after each obligatory prayer): "Glorified be Allah" thirty-three times "Praise be to Allah" thirty-three times "Allah is Greater" thirty-three times and "There is no god but Allah" ten times: by that, you will attain such as precedes you (by his wealth), and further precede such as remains behind you (i.e. does less than you do)."

### [96] Another Number Of Celebrations

**1351-** It is narrated on the authority of Abu Hurairah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who glorifies (i.e. says "Glorified be Allah") following the Morning prayer one hundred times, and affirms the Oneness of Allah (i.e. says "There is no god but Allah") one hundred times, his sins will be forgiven for him, even though they are as much as the foam of the sea."

### [97] Counting The Glorifications With The Help Of The Hand

**1352-** It is narrated on the authority of Abdullah Ibn Amr that he said: I saw the Messenger of Allah “Allah’s blessing and peace be upon him” counting his glorifications (with the help of his hand).

### [98] One Might Not Sweep His Forehead After Uttering Salutation

**1353-** It is narrated on the authority of Abu Sa’id Al-Khudri that he said: The Messenger of Allah “Allah’s blessing and peace be upon him” used to observe I’tikaf (i.e. stay in seclusion in the mosque, devoting himself to prayer and worship) in the middle third of Ramadan. When twenty nights had elapsed, and he received the twenty-first night, he used to go back to his house on the twenty-first, and the people who were in seclusion with him also used to go back to their houses. Once in Ramadan, in which he was in seclusion (in the mosque), he established the night prayers on the night he used to return home, and then he addressed the people and ordered them whatever Allah wished him to order and said: "I used to stay in seclusion (I’tikaf) for these ten days (the middle third) but now I intend to stay in I’tikaf for the last ten days (of the month); so whoever was in I’tikaf with me should stay at his place of seclusion. I have verily been shown (the date of) this Night (of Qadr) but I have forgotten it. So search for it in the odd nights of the last ten (of this month). I also saw myself (in the dream) prostrating in mud and water." On the night of the twenty-first, the sky was covered with clouds and it rained, and the rainwater started leaking through the roof of the mosque at the praying place of the Prophet. I saw with my own eyes the Prophet “Allah’s blessing and peace be upon him” at the completion of the Morning Prayer leaving with his face covered with mud and water.

### [99] The Imam Sits In His Praying Place After Uttering Salutation

**1354-** It is narrated on the authority of Jabir Ibn Samurah that he said: Whenever The Messenger of Allah “Allah’s blessing and peace be upon him” offered Fajr prayer, he would sit in his praying place until sun rose.

**1355-** It is narrated on the authority of Simak Ibn Harb that he said: I asked Jabir Ibn Samurah: "Did you sit with The Messenger of Allah “Allah’s blessing and peace be upon him”?" he said: Yes. Whenever The Messenger of Allah “Allah’s blessing and peace be upon him” offered Fajr prayer, he would sit in his praying place until sun rose. His companions used to have talks (during that period) about the days of the pre-Islamic time of ignorance, recite poetry, and laugh, and The Prophet “Allah’s blessing and peace be upon him” would smile.

### **[100] Turning Away (After Finishing) From The Prayer**

**1356-** It is narrated on the authority of As-Suddi that he said: I asked Anas Ibn Malik: "How should I turn away (when I finish) from my prayer? Is it better to turn away from the direction of my right side or of my left side?" Anas said: "As for me, I most frequently saw The Messenger of Allah "Allah's blessing and peace be upon him" turning away from the direction of his right side."

**1357-** It is narrated on the authority of Abdullah that he said: Let none of you think (though falsely) that Satan has a portion, according to which he regards that it is incumbent upon him not to turn away (after finishing from the prayer) but from the direction of his right side. No doubt, I saw that the Messenger of Allah "Allah's blessing and peace be upon him" more often turned away from the direction of his left side.

**1358-** It is narrated on the authority of A'ishah that she said: I saw the Messenger of Allah "Allah's blessing and peace be upon him" drinking while standing (sometimes) and sitting (sometimes), offering prayer as barefooted (sometimes) and as wearing his sandals (sometimes), turning away (after finishing from the prayer) from the direction of his right side (sometimes) and from the direction of his left side (sometimes).

### **[101] The Proper Time For Women To Turn Away From Prayer**

**1359-** It is narrated on the authority of A'ishah that she said: The women used to offer Fajr prayer with Allah's Apostle "Allah's blessing and peace be upon him" and then they would turn away (after finishing from the prayer) wrapped in their mantles, and they would not be recognized in view of the fact that it was still very dark.

### **[102] It Is Forbidden To Hasten To Turn Away From The Prayer Before The Imam**

**1360-** It is narrated on the authority of Anas that he said: Once, Allah's Apostle "Allah's blessing and peace be upon him" led us in prayer, and (when he finished from the prayer) he turned his face to us and said: "I'm your imam, so, do not hasten to bow down, or to fall in prostration, or to stand or to turn away (from the prayer) before me, for indeed, I see you from my front in the same way as I see you from behind my back." He further said: "By Him in Whose Hand is my life, if you see what I've seen, you will laugh little , and weep more." We asked: "What have you seen O Messenger of Allah?" he said: "I've seen both the Garden and the fire (of Hell)."

### **[103] The Reward Of Such As Prays With The Imam (And Waits In The Mosque) Until He Turns Away**

**1361-** It is narrated on the authority of Abu Dharr that he said: We observed the fasts of Ramadan with the Messenger of Allah "Allah's blessing and peace be upon him", and he did not stand with us on any (night) of it until it remained only seven (nights of it), when he stood with us on the seventh night (to its conclusion, i.e. the first of those seven) till about one-third the night elapsed. Then when it was the sixth night (to its conclusion, i.e. the second of the remaining seven) he did not stand (for prayer with us); and when it was the fifth night (to its conclusion) he stood (for prayer) with us until about half the night passed. We said to him: "O Messenger of Allah! Would that you lead us in the supererogatory prayer for the remaining portion of this night of ours!" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If one stands (for supererogatory prayer) with the imam until he (finishes and) turns away, it will be equal (in reward) to standing (for prayer) for the whole night." When it was the fourth (night to the conclusion of the month), he did not stand (for prayer) on it; and when it was the third (night), he gathered his wives and family, and the people gathered (in the mosque); and he kept standing with us (for the prayer so much long) that we felt afraid we would miss the Prosperity. It was said (to Abu Dharr): What is the Prosperity? He said: It refers to the Suhur (night meal taken a short time before dawn whenever one intends to observe fast). Then, he did not stand with us (for prayer) on any (night else) of the remaining portion of the month.

### **[104] The Concession For The Imam To Break In The Rows And Pass Over The Necks Of The Praying People**

**1362-** It is narrated on the authority of Uqbah Ibn Al-Harith that he said: I offered Asr prayer with the Messenger of Allah "Allah's blessing and peace be upon him" in Medina, after which he turned away passing over the necks of the people so much fast that the people wondered at his fastness. Some of his companions followed him, and he (the Prophet) entered upon one of his wives and when he came out he said: "While I'm in Asr prayer, I remembered that we had something of (gold still in its) ore, and I disliked to have it spend the night with us, thereupon I (turned away very fast and) ordered that it be distributed (among the poor and needy people)."

**[105] When One Is Asked Whether He Has Prayed: Should He Answer In The Negative?**

He came (to the Prophet) and said: "O Messenger of Allah! By Allah, I could not perform the Afternoon (Asr) Prayer till the sun set." The Prophet "Allah's blessing and peace be upon him" said: "By Allah, I, too, have not offered it yet." So we went to (the valley of) But'han. Then the Messenger of Allah "Allah's blessing and peace be upon him" performed the Afternoon (Asr) Prayer after the sun had set, and then performed the Evening (Maghrib) Prayer after it.

## (14) THE BOOK OF FRIDAY

### [1] The Obligation Of (Offering The Prayer Of) Friday

**1364-** It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "We (Muslims) are the last (to come in the world, and would be) the foremost (to receive honour in the hereafter) on The Day of Judgement, but they (both the Jews and Christians) were given the Book before us, and we have been given the Book after them. On the other hand, this (Friday) was the day, which Allah has enjoined upon them, even though they differed about it, but Allah Almighty has guided us to it, i.e. Friday, and all the people are to come after us concerning it: The Jews observe the day next to it (Saturday) and the Christians observe the day following it (Sunday)."

**1365-** It is narrated on the authority of both Abu Hurairah and Hudhaifah that they said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah caused those (nations) before us to deviate from (observing the sanctity of, and offering prayer on) Friday. In this way, Saturday became for the Jews, and Sunday became for the Christians. Then, Allah brought us (Muslims), and guided us to Friday, and made Friday, Saturday and Sunday (as days of celebrating Allah and offering prayer). They also (i.e. both the Jews and the Christians) are to come after us on The Day of Judgement. We are the last from among the people to come to this world, and we would be the first to come and be judged on The Day of Judgement before all the creatures (of the other nations)."

**1366-** It is narrated on the authority of Abu Al-Ja'd Ad-Damri, and he was one of the Holy Companions, that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who does not attend (prayer on) Friday for three times (consecutively), out of regarding it slightly, Allah places a seal on his heart."

**1367-** It is narrated on the authority of both Ibn Abbas and Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" said while being on the sticks of his pulpit: "Let those people desist from their failure to attend (the prayer on) Friday, lest Allah Almighty will place a seal on their hearts, and they will be of the heedless."

Allah's Apostle "Allah's blessing and peace be upon him" replied: "This will be worn by a person who will have no share (reward) in the Hereafter." Later on similar cloaks were given to Allah's Apostle "Allah's blessing and peace be upon him" of which he gave one to Umar Ibn Al-Khattab. On that Umar said: "O Allah's Apostle! You have given me this cloak although on the cloak of Utarid (a cloak merchant who was selling that smart cloak at the gate of the mosque) you passed such and such a remark." Allah's Apostle "Allah's blessing and peace be upon him" replied: "I have not given you this to wear." So Umar Ibn Al-Khattab gave it to his pagan brother in Mecca to wear.

**1380-** It is narrated on the authority of Abd Ar-Rahman Ibn Abu Sa'id from his father that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Taking bath on Friday is incumbent upon such as has attained the age of puberty, and let him also brush his teeth with Siwak (teeth-cleansing stick) and apply perfume in case it is available to him."

### **[12] The Excellence Of Walking To (Attend Prayer On) Friday**

**1381-** It is narrated on the authority of Aws Ibn Aws Ath-Thaqafi that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who takes a bath, and (has sexual relation with his wife and thus) causes (her) to take a bath on Friday; then he hastens to go (to the mosque) at the earliest portion (of the due time of the prayer) and attends the first portion of the sermon; (and goes) walking not riding; becomes close to the imam and pays attention (to the sermon), and does not speak (during the sermon): will have, with every step he takes (to and from the mosque) the reward of the deeds of a whole year."

### **[13] Going Early To (Attend The Prayer On) Friday**

**1382-** It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "When it is Friday, there sit at the gates of the mosque many angels to record these to come. If the imam comes out (for delivering the sermon), they would fold up the records." The Messenger of Allah "Allah's blessing and peace be upon him" added: "The (example of the) one who comes early is like the one who offers a camel (as a sacrifice), then (the example of him, who comes next is) like the one who offers a cow, then (the example of the one who comes next is) like him, who offers a goat, then (the example of the one who comes next is) like him, who offers a duck, then (the example of the one who

**1383-** It is narrated on the authority of Abu Hurairah that he said, tracing it up to the Messenger of Allah "Allah's blessing and peace be upon him": "When it is Friday, there sit at every gate of the mosque many angels to record the first and then the next (to come). If the imam comes out (for delivering the sermon), they would fold up the records and come to listen to the sermon. The example of the one who comes early is like the one who offers a camel (as a sacrifice), then (the example of) the one who comes next is like the one who offers a cow, then (the example of) the one who comes next is like him, who offers a ram..." and so he went on descending until he mentioned the hen and the egg.

**1384-** It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "When it is Friday, there sit at the gates of the mosque many angels to record these to come according to their precedence: the (example of the) people in that respect is like a man who sacrifices a camel (i.e. who is the first to come), then like a man who sacrifices a cow (who comes next to him), then like a man who sacrifices a goat (who comes next), then like a man who sacrifices a hen, then like a man who sacrifices a swallow, and then like a man who sacrifices an egg (who is the last to come)."

#### **[14] The Due Time Of (Offering Prayer On) Friday**

**1385-** It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Any person who takes a bath on Friday like the bath (he takes to get clean from) ceremonial impurity (after sexual intercourse) and then goes for the prayer (in the first hour as early as it could be), it is as if he has sacrificed a camel (in Allah's cause). Whoever goes in the second hour, it is as if he has sacrificed a cow. Whoever goes in the third hour, then it is as if he has sacrificed a horned ram. If one goes in the fourth hour, then it is as if he has sacrificed a hen. Whoever goes in the fifth hour, then it is as if he has offered an egg. When the Imam comes out (and Starts delivering the speech), the angels attend to listen to the speech."

**1386-** It is narrated on the authority of Jabir Ibn Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "On Friday, there are twelve hours, in which no Muslim servant asks Allah for anything but that He gives it to him: so, search for it at the last hour following the Afternoon."

**1387-** It is narrated on the authority of Ja'far Ibn Muhammad from his father that Jabir Ibn Abdullah said: We used to offer Friday prayer with The Messenger of Allah "Allah's blessing and peace be upon him" and then return to relieve our camels used for carrying water. I asked him: "At which hour (did you use to offer Friday prayer)?" he said: "When the sun passed the meridian."

**1388-** It is narrated on the authority of Iyas Ibn Salamah Ibn Al-Akwa' from his father that he said: We used to offer Friday prayer with The Messenger of Allah "Allah's blessing and peace be upon him" and then return and the walls had no shades therewith one should protect himself (from the heat of the sun, i.e. a short time after the sun passed the meridian).

#### **[15] The Call For Friday (Prayer, I.E. Adhan)**

**1389-** It is narrated on the authority of As-Sa'ib Ibn Yazid that he said: During the lifetime of The Messenger of Allah "Allah's blessing and peace be upon him", Abu Bakr and Umar, the Adhan for Friday prayer used to be pronounced when the Imam sat on the pulpit. But at the time of Uthman, when the Muslims increased in number, Uthman ordered that a third Adhan should be added on Friday, and it was pronounced at Az-Zawra' (a place in the market of Medina); and as such it remained.

**1390-** It is narrated on the authority of As-Sa'ib Ibn Yazid that he said: It was Uthman who ordered that a third call for prayer (Adhan) should be added when the people of Medina increased in number. But, The Messenger of Allah "Allah's blessing and peace be upon him" had but one Mu'adhhdhin; and at that time, the call for prayer on Friday was pronounced just when the imam sat (on the pulpit).

**1391-** It is narrated on the authority of As-Sa'ib Ibn Yazid that he said: Bilal used to pronounce the call for prayer on Friday once The Messenger of Allah "Allah's blessing and peace be upon him" sat on the pulpit, and once he (the Prophet) descended (to lead the prayer), he (Bilal) pronounced the call for prayer establishment (Iqamah); and this remained with no change during the lifetime of both Abu Bakr and Umar.

### [17] The Position Of The Imam While Delivering The Sermon

**1393-** It is narrated on the authority of Jabir Ibn Abdullah that he said: Whenever the Messenger of Allah "Allah's blessing and peace be upon him" delivered a sermon, he used to recline against a stem of a date-palm of those which constituted the pillars of the mosque. When the pulpit was made, and he sat right on it, this pillar trembled (and had (moaning) like the moaning of a she-camel, to the extent that those present in the mosque heard it; and when The Messenger of Allah "Allah's blessing and peace be upon him" descended and embraced it, it kept still and silent.

### **[31] It Is Desirable To Shorten The Sermon**

**1411-** It is narrated on the authority of Abdullah Ibn Abu Awfa that he said: Allah's Apostle "Allah's blessing and peace be upon him" used to celebrate (the Praises of Allah) so much, not to have useless talks, to prolong the prayer, to shorten the sermon, not to disdain to walk in the company of the widow and the indigent, and fulfill his (or her) need.

### **[32] The Number Of Sermons (Of Friday)**

**1412-** It is narrated on the authority of Jabir Ibn Samurah that he said: I more often sat with Allah's Apostle "Allah's blessing and peace be upon him", and I've never seen him but delivering his sermon while standing, after which he would sit (and take a short interval between both sermons) and then he would stand once again and deliver the other sermon.

### **[33] Taking A Break Between Both Sermons By Sitting**

### **[35] The Recitation And Celebration In The Other Sermon**

**1415-** It is narrated on the authority of Jabir Ibn Samurah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" used to deliver his sermon while standing and (after the first speech) he would sit (for a short while before) he would stand once again, recite some of the Holy Verses (from the Qur'an) and celebrate (the Praises of) Allah. Verily, he was moderate in both his sermon and prayer.

I said: "It happens every Friday." When Ka'b recited the Torah, he said: "No doubt, the Messenger of Allah "Allah's blessing and peace be upon him" has told the truth: this happens every Friday." Abu Hurairah further said: I came out and met Basrah Ibn Abu Basrah Al-Ghifari, and he asked me: "From where have you come?" I said: "From At-Tur (Mount)." He said: "Had I met you before your journey to it, surely, you would not have gone to it." I asked him: "What is the reason for that?" he said: "For I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "No mounts should be saddled (and ridden by anyone to travel for religious service) but to three mosques: the Sacred Mosque (of Mecca), this mosque of mine (in Medina), and the Farthest Mosque (of Jerusalem)."" Later on, I met Abdullah Ibn Salam, and said to him: "Would that you saw me! I set out to At-Tur (Mount), and found Ka'b (Al-Ahbar) there, and I spent a day with him, during which I related to him narrations from The Messenger of Allah "Allah's blessing and peace be upon him", and he related to me from the Torah. I told him: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The best of days on which the sun rises is Friday, on which Adam was created, on which he was made to descend (to the earth), on which Allah turned in repentance to him, on which he died, and on which the Hour (of Judgement) will be established. Abdullah said: "Ka'b has told the truth then. I learn which hour it is." I said to him: "O my brother! Inform me of it." Abdullah Ibn Salam said: "It is the last hour just before the sun disappears on Friday." I said to him: "How should it be the last hour of Friday, since the Messenger of Allah "Allah's blessing and peace be upon him" said: "And no believing servant agrees with it while being in prayer..." and there is no prayer to be offered at the last hour." On that he said: "Is it not that the Messenger of

## (15) THE BOOK OF SHORTENING PRAYER ON JOURNEY

[1]

**1430-** It is narrated on the authority of Ya'li Ibn Umayyah that he said: I said to Umar Ibn Al-Khattab: "(Do you see how the people have shortened prayer even though Allah says): "When you travel through the earth, there is no blame on you if you shorten your prayers, for fear that the Unbelievers may attack you", and now the people have become safe?" He said: "Indeed, I considered that which you consider, about which I asked The Messenger of Allah "Allah's blessing and peace be upon him" who said: "It is a charity, which Allah has bestowed upon you; and you should accept His charity.""

**1431-** It is narrated on the authority of Umayyah Ibn Abdullah Ibn Khalid that he said: I asked Abdullah Ibn Umar: We find in the Qur'an the prayer (which is offered) on residence, and the fear prayer; but we could not find the journey prayer! On that Abdullah said to him: Verily, Allah sent to us Muhammad "Allah's blessing and peace be upon him" (as a Messenger) and we did know nothing (before him); and of a surety, we should imitate the conduct of Muhammad (the Messenger of Allah) "Allah's blessing and peace be upon him" as we saw it.

**1432-** It is narrated on the authority of Ibn Abbas that he said: When The Messenger of Allah "Allah's blessing and peace be upon him" set out from Mecca aiming at Medina, he feared none but (Allah) Lord of the worlds, but even, he kept offering two rak'ahs (for each prayer during his journey).

**1433-** It is narrated on the authority of Ibn Abbas that he said: We set out with The Messenger of Allah "Allah's blessing and peace be upon him" (across the way) between Mecca and Medina, and we feared none but Allah Almighty, but even, we kept offering two rak'ahs (for each obligatory prayer during the journey).

**1434-** It is narrated on the authority of Ibn As-Simt that he said: I saw Umar Ibn Al-Khattab offering two rak'ahs (for each obligatory prayer) in Dhul-Hulaifah, and when I asked him about that he said: "I do the same as I saw Allah's Apostle "Allah's blessing and peace be upon him" doing.

**1435-** It is narrated on the authority of Anas Ibn Malik that he said: I set out with The Messenger of Allah "Allah's blessing and peace be upon him" from Medina to Mecca, and he kept shortening the prayer (i.e. offering two rak'ahs for each obligatory prayer during the journey) until he returned (to

**1441-** It is narrated on the authority of Musa Ibn Salamah that he asked Ibn Abbas: "Sometimes, I miss the congregational prayer while being in Batha': tell me: how many rak'ahs should I pray (in case I do not pray in congregation)?" he said: "Offer two rak'ahs (for each obligatory prayer barring Maghrib), according to the right way of Abu Al-Qasim "Allah's blessing and peace be upon him"."

## (4) - بَابُ الْمَقَامِ الَّذِي يَقْصُرُ بِمِثْلِهِ الصَّلَاةُ

1449 - أَخْبَرَنَا حُمَيْدُ بْنُ مَسْعَدَةَ قَالَ: حَدَّثَنَا يَزِيدُ قَالَ: أَنْبَأَنَا يَحْيَى بْنُ أَبِي إِسْحَاقَ عَنْ أَنَسِ بْنِ مَالِكٍ قَالَ: «خَرَجْنَا مَعَ رَسُولِ اللَّهِ ﷺ مِنَ الْمَدِينَةِ إِلَى مَكَّةَ فَكَانَ يُصَلِّي بِنَا

again). I asked him: "Has he stayed in Mecca?" He said: "Yes, he spent ten (nights) in it (Mecca before he returned to Medina)."

**1450-** It is narrated on the authority of Ibn Abbas that he spent fifteen nights in Mecca, during which he kept praying two rak'ahs for each (obligatory prayer).

**1451-** It is narrated on the authority of Al-Ala' Ibn Al-Hadrami that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "(It is not permissible for) an Emigrant to stay (in Mecca more than) three (nights) after finishing from his ceremonies (of Hajj or Umrah)."

**1452-** It is narrated on the authority of Al-Ala' Ibn Al-Hadrami that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "(It is not permissible for) an Emigrant to stay in Mecca( more than) three (nights) after finishing from his ceremonies (of Hajj or Umrah)." (The main point here is that the limit of stay for such as on journey is no more than three nights, and if one stays more than that he becomes on residence; and since it is not fitting for an Emigrant to stay in a place from which he migrates, the Emigrants who forsook Mecca to Medina were not to stay in it more than this period of three nights, during which they were regarded as being on journey).

**1453-** It is narrated on the authority of A'ishah that she assumed Umrah with The Messenger of Allah "Allah's blessing and peace be upon him" from Medina to Mecca, and when she reached Mecca she said: "O Messenger of Allah! let my father and mother be sacrificed for you! You've shortened the prayer even though I offered prayer in full; and you've observed fasts even though I left fasting." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "You've done well O A'ishah!" she said: he did not find fault with me.

It was said to him: "What is that which you do?" he said: "No doubt, The Messenger of Allah "Allah's blessing and peace be upon him" did the same."

He saw some people offering voluntary prayers, thereupon he asked: "What are those doing?" I said: "They are offering voluntary prayers." On that he said: "Had I to offer (any voluntary) prayers before or after it (the obligatory prayer), surely, I would have rather offered (the obligatory prayers) in full. I accompanied The Messenger of Allah "Allah's blessing and peace be upon him" and he never prayed more than two rak'ahs on journey (for each obligatory prayer), and so did Abu Bakr until he died, and so did Umar (until he died) and Uthman (during the first portion of his caliphate)."

### **[2] Glorifying, Magnifying And Invoking Allah At The Time Of The Sun Eclipse**

said: In the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him", the sun eclipsed. He then led the people in a (two-rak'ah) prayer, in which he offered with them a very long standing, i.e. he stood with the people then bowed, then stood, then bowed, then stood and then bowed (and stood and fell in prostration; and he did the same in the second rak'ah). In this way, he offered a two-rak'ah prayer, each consisting of three bowings, and after the third, he stood and fell in prostration. (The prayer was so much hard upon the people) that some men fell unconscious, because of the very long standing he offered with them, with water sprinkled over their faces (to make them restore their consciousness). Whenever he bowed, he would say: "Allah is Greater"; and whenever he raised his head (from bowing) he would say: "Allah hears such as sends praises to Him: O Allah our Lord! To You be all the praises" (Sami'a Allahu liman hamidah: Allahumma Rabbana walaka al-hamd)." He did not turn away until the (eclipse had been over and the) sun was clear. (After the prayer) he said: "No doubt, The sun and the moon do not eclipse because of death or life (birth) of anyone. But they are two of Allah's signs therewith Allah Almighty frightens you. When you see that, hurry to the celebration of Allah Almighty (i.e. to offer prayer) until they are clear."

**1468-** It is narrated on the authority of Ubaid Ibn Umair from A'ishah that the Messenger of Allah "Allah's blessing and peace be upon him" offered (at the time of solar eclipse) a (two-rak'ah) prayer of six bowings and four prostrations. I asked Mu'adh: Is this transmitted from the Messenger of Allah "Allah's blessing and peace be upon him"? He said: Of a surety.

### **[11] Another Kind Of Eclipse Prayer**

**1469-** It is narrated on the authority of A'ishah that she said: In the lifetime of the Prophet "Allah's blessing and peace be upon him" the sun eclipsed and he stood and assumed the prayer, and the people aligned behind him. He had a long recitation (from the Holy Qur'an) and then said Takbir and performed a long bowing; then he raised his head and said: "Allah hears such as sends praises to Him: O Allah our Lord: to You be the praises (Sami'a Allahu liman hamidah: Allahumma Rabbana walaka al-hamd)." He then (did not prostrate but) stood up and recited a long recitation, which was shorter than the first. He again said Takbir and then bowed a long bowing but shorter than the first one and then he (raised his head from bowing and) said: " Allah hears such as sends praises to Him: O Allah our Lord: to You be the praises (Sami'a Allahu Lyman hamidah: Allahumma Rabbana walaka al-hamd)" and then prostrated. He did the same in the second rak'ah. Thus he

(After the prayer) he stood up, and addressed the people: he praised Allah as He deserved and then said: "The sun and the moon are two of Allah's signs. They do not eclipse because of death or because of life (birth) of anyone. When you see them hurry to offer prayer until you are relieved." The Messenger of Allah "Allah's blessing and peace be upon him" also said: "Verily, in that station of mine, I saw everything you have been promised. I even saw myself having the intention of picking a bunch (of grapes) from Paradise (and that was) when you saw me moving forward. And I saw Hell with some of its parts destroying each other (and that was) when you saw me moving backward. I saw in it (the Hell) Ibn Luhai who made the she-camels loiter about."

**1471-** It is narrated on the authority of A'ishah that she said: In the lifetime of Allah's Apostle "Allah's blessing and peace be upon him" the sun eclipsed, so he led the people in prayer. He stood up and performed a very long standing, then bowed and it was a very long bowing. He raised his head and performed a very long standing but shorter than the first. He offered again a very long bowing but shorter than the first one. Then he prostrated and prolonged the prostration. He did the like of that in the second rak'ah. Then he finished the prayer. By then the sun (eclipse) cleared. He delivered a sermon and after praising and glorifying Allah he said: "The sun and the moon are two of Allah's signs; they do not eclipse for the death or for the life (birth) of anyone. So when you see the eclipse, invoke Allah Almighty and Magnify Him (i.e. offer prayer), pray and give in charity." The Prophet "Allah's blessing and peace be upon him" then said: "O followers of Mohammad! By Allah! There is none who is more eager (to get the people have) self-respect than Allah as He has made it unlawful for His slaves, male or female, to commit adultery. O followers of Mohammad! By Allah! If you knew that which I know, you would laugh little and weep much."

Then one day, Allah's Apostle "Allah's blessing and peace be upon him" set out to some place but the sun eclipsed. We came out to the rear of the dwellings (of The Prophet's wives in the mosque), and some women joined us. The Messenger of Allah "Allah's blessing and peace be upon him" came back from his journey and that was at forenoon. He stood (for the eclipse prayer, with people standing behind him in which he stood) for a long period and then performed a long bowing. Then he raised (his head) and stood for a long period but shorter than the first standing, and then performed a prolonged bowing which was shorter than the first bowing. Then he (raised his head and) fell in prostration. He then stood and did the same in the second rak'ah except that his bowing and standing were shorter than those in the first rak'ah. Then he fell in prostration. (At that time) the sun became bright. When he (finished from the prayer and) turned away, he sat on the pulpit, and said: "I see that you would be put to trial in the graves like that (trial) of Ad-Dajjal." A'ishah further said: Afterwards, I used to listen to The Messenger of Allah "Allah's blessing and peace be upon him" seeking refuge (with Allah) from the punishment of the grave.

I came out with some women through the rear of the dwellings (of The Prophet's wives in the mosque). The Messenger of Allah "Allah's blessing and peace be upon him" came back from his journey and reached his praying place. He led the people in the (eclipse) prayer. He offered a prolong standing and then performed a prolong bowing. Then he raised his head and offered a prolong standing, and then performed a prolonged bowing. عَذَابِ الْقَبْرِ، فَلَمَّا جَاءَ رَسُولُ اللَّهِ ﷺ قُلْتُ: يَا رَسُولَ اللَّهِ أَيْعَذَّبُ  
النَّاسُ فِي الْقُبُورِ؟ فَقَالَ: «عَائِذَا بِاللَّهِ»، فَرَكِبَ مَرْكَبًا يَغْنِي وَانْخَسَفَتِ

فَأَتَى مُصَلَّاهُ فَصَلَّى بِالنَّاسِ فَقَامَ فَأَطَالَ الْقِيَامَ ثُمَّ رَكَعَ فَأَطَالَ الرُّكُوعَ ثُمَّ

(at that time) the sun became bright. Then, he said (after finishing the prayer): "You would be put to trial in the graves like that (trial) of Ad-Dajjal." A'ishah further said: Afterwards, I used to listen to The Messenger of Allah "Allah's blessing and peace be upon him" seeking refuge (with Allah) from the punishment of the grave.

**1474-** It is narrated on the authority of A'ishah that once, Allah's Apostle "Allah's blessing and peace be upon him" offered eclipse prayer near the well of Zamzam and it was of (two rak'ahs, consisting of) four bowings and four prostrations.

**1475-** It is narrated on the authority of Jabir Ibn Abdullah that he said: During the lifetime of The Messenger of Allah "Allah's blessing and peace be upon him", there was a solar eclipse on a very hot day. The Messenger of Allah "Allah's blessing and peace be upon him" led his companions in the (eclipse) prayer, in which he prolonged the standing to the extent that they (the companions) started to fall down. Then, he bowed for a long time. Then he raised (his head from bowing) and prolonged the standing. Then, he bowed for a long period. Then, he raised (his head from bowing) and stood for a long time. Then, he offered two prostrations. Then, he stood up and did the same (in the second rak'ah). furthermore, he proceeded on and then he moved back. in this way, it (the prayer) consisted of (two rak'ahs, including) four bowings and four prostrations. (After finishing from the prayer he addressed the people saying) "However, it is alleged that both the sun and the moon do not eclipse but because of the death of one of the chiefs, even though they are two of Allah's Signs, which He shows to you: so, if they eclipse, offer prayer until they become clear."

### **[13] Another Kind Of Eclipse Prayer**

**1476-** It is narrated on the authority of Abdullah Ibn Amr that he said: During the lifetime of The Messenger of Allah "Allah's blessing and peace be upon him", there was a solar eclipse, and he ordered that the call for congregational prayer should be pronounced. The Messenger of Allah "Allah's blessing and peace be upon him" led the people in (the eclipse) prayer, in which he prayed (in the first rak'ah) two bowings and one prostration, after which he stood and prayed (in the second rak'ah) two bowings and one prostration. Then, the sun (eclipse) was clear. A'ishah said: The Messenger of Allah "Allah's blessing and peace be upon him" has never offered prostration, nor has he offered bowing much longer than those (He has offered at that time).

**1478-** It is narrated on the authority of A'ishah that she said: When the sun eclipsed during the lifetime of The Messenger of Allah "Allah's blessing and peace be upon him", he performed ablution, and ordered that a call should be pronounced for offering prayer in congregation. He stood and prolonged the standing in his prayer. A'ishah said: I thought he recited the Surah of Al-Baqarah. Then he offered a prolonged bowing, and (raised his head from bowing and) said: "Allah hears such as sends praises to Him", and offered a standing, like his first standing, and he did not prostrate, but he bowed down and then he fell in prostration, after which he stood and did the same (in the second rak'ah), i.e. (he offered a two-rak'ah prayer each consisting of) two bowings and one prostration. Then he sat down, and the sun (eclipse) cleared.

One of us said to his companion: "Let's go to the mosque, for by Allah, such a state of the sun will cause the Messenger of Allah "Allah's blessing and peace be upon him" to do something of significance in relation to his nation." We went and behold! He was among a gathering of people (in the mosque). He moved forward and led the prayer, in which he offered the longest standing he has ever offered in prayer with us, during which no voice was heard from him; then, he offered the longest bowing he has ever offered in prayer with us, during which no voice was heard from him; then, he offered the longest prostration he has ever offered in prayer with us, during which no voice was heard from him; and he did the like of that in the other rak'ah. His sitting in the second rak'ah happened to agree with the brightness of the sun (after the eclipse was over). Then, he concluded with the end salutation. Then, he stood, praised Allah and lauded Him (as it should be fitting for His Majesty), and he bore testimony that there is no god (to be worshipped) but Allah, and that he is His servant and Apostle.

### [16] Another Kind Of Eclipse Prayer

**1482-** It is narrated on the authority of An-Nu'man Ibn Bashir that he said: The sun eclipsed during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him" and he came out in a hurry, dragging his garment until he reached the mosque. He led us in (eclipse) prayer (and it was not after he finished it) that it (the eclipse was over and the sun) became bright. Then he said: "It is alleged that both the sun and the moon never eclipse but because of the death of anyone of the chiefs; and of course, it is not so. Both the sun and the moon never eclipse because of the death, or because of the life (birth) of anyone: they are but two of Allah's Signs. Indeed, if (the Glory of) Allah rises to anything of His creatures, it soon falls in submission to Him. so, if you see it, offer prayer like the most recent one you've offered (with me), apart from the obligatory written prayer."

**1483-** It is narrated on the authority of Qabisah Al-Hilali that he said: The sun eclipsed during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him" and we were with him in Medina at that time. He came out in a hurry, dragging his garment. He offered a two-rak'ah prayer, which he prolonged, and when he turned away it (the eclipse was over and the sun) became bright. Then he praised Allah and lauded Him, and said: "Both the sun and the moon are but two of Allah's Signs, and they never eclipse because of the death, nor because of the life (birth) of anyone: so, if

servants. They do not eclipse because of someone's death or life (birth). So whenever you see these eclipses pray till the eclipse is over." The occasion of that statement was that a son belonging to him called Ibrahim died, and some people told him about that (that the sun eclipsed because of his death).

**1489-** It is narrated on the authority of Abu Bakrah that Allah's Apostle "Allah's blessing and peace be upon him" offered a two-rak'ah prayer like your prayer, and he made a mention of the solar eclipse.

### **[17] The Recitation In The Eclipse Prayer**

**1490-** It is narrated on the authority of Ibn Abbas that he said: The sun eclipsed in the lifetime of The Prophet "Allah's blessing and peace be upon him". Allah's Apostle "Allah's blessing and peace be upon him" offered the eclipse prayer and stood for a long time, enough for him to recite The Surah of Al-Baqarah. Then he bowed for a long time and then raised his head and stood up for a long period, shorter than that of the first standing, then bowed again for a long time, shorter than that of the first; then he prostrated (twice). Then he stood up (in the second rak'ah) for a long period, shorter than that of the previous standing. Then he bowed for a long time, shorter than that of the previous bowing. Then he raised his head and stood up for a long period, shorter than that of the previous standing. Then he bowed for a long time, shorter than that of the previous bowing. Then he prostrated (twice) and finished the prayer. By then, the sun (eclipse) cleared. The Prophet "Allah's blessing and peace be upon him" then said: "The sun and the moon are two of the signs of Allah. They eclipse neither because of the death nor because of the life of anybody. So when you see them, remember Allah Almighty." The people said: "O Allah's Apostle! We saw you having taken something from your place and then we saw you having moved backward." The Prophet "Allah's blessing and peace be upon him" replied: "I saw Paradise (or I was made to see the Garden) and stretched my hands towards a bunch (of its fruits) and had I taken it, you would have kept eating from it as long as the world remains. I also saw the Hell-fire and I had never seen such a horrible sight as I've seen today. I saw that most of its inhabitants were women." The people asked: "O Allah's Apostle! Why is it so?" The Prophet "Allah's blessing and peace be upon him" replied: "Because of their ungratefulness." He was asked whether they were ungrateful to Allah. The Prophet "Allah's blessing and peace be upon him" said: "They are ungrateful to their companions of life (husbands) and ungrateful to good deeds. If you are benevolent to one of them throughout the life, and (once) she sees anything (undesirable) in you, she will say: I have never had any good from you."

### **[18] Reciting Aloud In The Eclipse Prayer**

**1491-** It is narrated on the authority of A'ishah that the Messenger of Allah "Allah's blessing and peace be upon him" offered (the eclipse two-rak'ah) prayer and it was of four bowings and four prostrations, in which he recited (the Qur'an) loudly, and every time he raised his head (from bowing) he said: "Allah hears such as sends praises to Him: O Allah our Lord: to You be the praises.""

### **[19] Leaving The Loud Recitation In The Eclipse Prayer**

**1492-** It is narrated on the authority of Samurah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" led the prayer when the sun eclipsed, in which we heard no voice from him.

### **[20] What Is Said In The Prostration Of The Eclipse Prayer**

**1493-** It is narrated on the authority of Abdullah Ibn Amr that he said: During the lifetime of The Messenger of Allah "Allah's blessing and peace be upon him", there was a solar eclipse, thereupon The Messenger of Allah "Allah's blessing and peace be upon him" led the (eclipse) prayer in which he offered a prolonged standing, then offered a prolonged bowing, then he raised his head and fell in prostration, which he prolonged. He went on weeping and blowing in his prostration, saying: "(O Allah!) You've not promised me (to punish them as) such while I'm asking for Your Forgiveness! You've not promised me (to punish them as) such while I'm among them! " When he finished from the prayer he said: " The Garden was displayed to me to the extent that if I stretched my hand, I would have taken out of its bunches (of fruits); and the fire (of Hell) was displayed to me to the extent that I went on blowing in it for fear its heat might cover you up. In it, I saw the one who stole the two she-camels of the Messenger of Allah. I saw also in it the brother of Banu Ad-Da'da', who used to steal the pilgrims, and whenever he was felt he would say: "This is the work of the headed-stick." In it, I saw a tall black woman being tormented because of a cat which she tied: she neither left it eat out of the vermin of the earth, nor did she feed it, nor did she give it water until it died. No doubt, both the sun and the moon are two of Allah's Signs, and they never eclipse because of the death or because of the life of anyone. So, if anyone of both eclipses, hasten to celebrate (the Praises of) Allah Almighty."

### **[21] Tashahhud And Salutation In The Eclipse Prayer**

**1494-** It is narrated on the authority of Abd Ar-Rahman Ibn Namer that he asked Az-Zuhri about the way of offering the eclipse prayer, thereupon he said: Urwah told me from A'ishah that she said: The sun eclipsed thereupon

The Messenger of Allah "Allah's blessing and peace be upon him" ordered an announcer to call for the congregational prayer, and when the people gathered The Messenger of Allah "Allah's blessing and peace be upon him" led them in a (two-rak'ah) prayer, in which he said Takbir (to assume the prayer) and recited a long recitation, then said Takbir and bowed a long bowing, like his standing, if not longer, after which he raised his head and said: "Allah hears such as sends praises to Him." Then he recited a long recitation, shorter than the former, then said Takbir and bowed a long bowing, shorter than the former bowing, after which he raised his head and said: "Allah hears such as sends praises to Him." Then he said Takbir and prostrated a long prostration, like his bowing if not longer, then said Takbir and raised his head, then offered prostration, then said Takbir and stood and recited a long recitation, but shorter than the first, then said Takbir and bowed a long bowing, but shorter than the bowing of the first (rak'ah), after which he raised his head and said: "Allah hears such as sends praises to Him." Then he recited a long recitation, shorter than the former in the second rak'ah, then said Takbir and bowed a long bowing, shorter than the former bowing, after which he raised his head and said: "Allah hears such as sends praises to Him." Then he said Takbir and prostrated a long prostration, shorter than the former prostration of the first (rak'ah), after which he recited Tashahhud and uttered the end salutation. Then he stood in front of them: he praised Allah and lauded Him and then addressed them saying: "No doubt, both the sun and the moon never eclipse because of the death or because of the life of anyone but they are two of Allah's Signs. So, if anyone of both eclipses, hasten to celebrate Allah Almighty and offer prayer."

**1495-** It is narrated on the authority of Asma' that she said: The Messenger of Allah "Allah's blessing and peace be upon him" offered prayer when the sun eclipsed: he stood and prolonged his standing, then bowed and prolonged his bowing, then raised his head and prolonged his standing, then bowed and prolonged the bowing, then raised his head and prostrated and prolonged his prostration, then raised his head and prostrated once again and prolonged his prostration; then he stood and prolonged his standing, then bowed and prolonged his bowing, then raised his head and prolonged his standing, then bowed and prolonged the bowing, then raised his head and prostrated and prolonged his prostration, then raised his head and prostrated once again and prolonged his prostration; then he raised his head and turned away (after he had finished from the prayer).

### [22] Sitting On The Pulpit After Offering The Eclipse Prayer

**1496-** It is narrated on the authority of Amrah that A'ishah told her that a Jewess came to her. She said to her: "May Allah give you refuge from the punishment of the grave." So A'ishah asked Allah's Apostle "Allah's blessing and peace be upon him": "Would the people be punished in their graves?" Allah's Apostle "Allah's blessing and peace be upon him", after seeking refuge with Allah from the punishment of the grave, replied in the affirmative. Then one day, Allah's Apostle "Allah's blessing and peace be upon him" set out to some place but the sun eclipsed. We came out to the rear of the dwellings (of The Prophet's wives in the mosque), and some women joined us. The Messenger of Allah "Allah's blessing and peace be upon him" came back from his journey and that was at forenoon. He stood (for the eclipse prayer, with people standing behind him in which he stood) for a long period and then performed a long bowing. Then he raised (his head) and stood for a long period but shorter than that of the first standing, and then performed a prolonged bowing which was shorter than the first bowing. Then he (raised his head and) fell in prostration. He then stood and did the same in the second rak'ah except that his bowing and standing were shorter than those in the first rak'ah. Then he fell in prostration. (At that time) the sun became bright. When he (finished from the prayer and) turned away, he sat on the pulpit, and said: "I see that you would be put to trial in the graves like that (trial) of Ad-Dajjal."

### [23] The Sermon (After The Prayer) Of Eclipse

**1497-** It is narrated on the authority of A'ishah that she said: In the lifetime of Allah's Apostle "Allah's blessing and peace be upon him" the sun eclipsed, so he led the people in prayer. He stood up and performed a very long standing, then bowed and it was a very long bowing. He raised his head and performed a very long standing but shorter than the first. He bowed again for a very long time but shorter than that of the first one. Then he prostrated and prolonged the prostration. He stood up and performed a very long standing, then bowed and it was a very long bowing. He raised his head and performed a very long standing but shorter than the first. He bowed again for a very long time but shorter than that of the first one. Then he prostrated and prolonged the prostration. Then he finished the prayer. By then the sun (eclipse) cleared. He delivered a sermon in which he praised and glorified Allah and then he said: "The sun and the moon never eclipse for the death or life of anyone. So when you see the eclipse, offer prayer, celebrate (the Praises of) Allah and give in charity." The Prophet "Allah's blessing and

**1498-** It is narrated on the authority of Samurah that Allah's Apostle "Allah's blessing and peace be upon him" delivered a sermon when the sun eclipsed in which he said: "To go further..."

#### **[24] The Command To Invoke (Allah) At The Time Of Eclipse**

**1499-** It is narrated on the authority of Abu Bakrah that he said: We were with Allah's Apostle "Allah's blessing and peace be upon him" when the sun eclipsed. Allah's Apostle "Allah's blessing and peace be upon him" came out dragging his cloak till he entered the Mosque, and the people ran to him. He led us in a two-rak'ah prayer like the prayer they offer till the sun (eclipse) cleared. Then The Prophet "Allah's blessing and peace be upon him" addressed us saying: "The sun and the moon are but two of the signs of Allah Almighty, therewith Allah frightens His servants. They do not eclipse because of someone's death. So whenever you see the eclipse of any of them, pray and invoke Allah till (the eclipse is over and) you are relieved."

#### **[25] The Command To Ask For Forgiveness At The Time Of Eclipse**

**1500-** It is narrated on the authority of Abu Musa that he said: The sun eclipsed during the lifetime of The Prophet "Allah's blessing and peace be upon him". He got up, prompted by the fear that it might be the doomed Hour. He went to the Mosque and offered the prayer with the longest standing, bowing and prostration, which I had never seen him doing in any prayer else. Then he said: "These signs which Allah sends do not occur because of the death or life of somebody, but Allah sends them in order to frighten His slaves. So when you see anything thereof, take refuge to remembering Allah, invoking Him and asking for His forgiveness."

### **(Invoking Allah for rain)**

#### **[1] When Should The Imam Invoke For Rain?**

**1501-** It is narrated on the authority of Anas Ibn Malik that he said: A man came to Allah's Apostle "Allah's blessing and peace be upon him" and said: "O Allah's Apostle! The livestock are dying and the roads are cut off; so please invoke Allah for rain." Allah's Apostle "Allah's blessing and peace be upon him" invoked Allah (to bless us with rain) thereupon it rained from that very Friday to the coming Friday when a man came to Allah's Apostle "Allah's blessing and peace be upon him" and said: "O Allah's Apostle! The houses are being ruined, the roads are cut off, and livestock are dying (please invoke Allah to withhold rain)." Allah's Apostle "Allah's blessing and peace be upon him" said: "O Allah! Let it be on the mountain tops, on the hills, in the valleys and on the places where trees grow." So the rain was taken off Medina in the same way as a garment is taken off.

#### **[2] The Imam Sets Out To The Praying Place To Invoke For Rain**

**1502-** It is narrated on the authority of Abbad Ibn Tamim from his uncle Abdullah Ibn Zaid who was made to see (and hear the wording of) Adhan in his vision that he said: The Messenger of Allah "Allah's blessing and peace be upon him" went out to the praying place to offer the Istisqa prayer. He faced the Qiblah, turned (and put on) his cloak inside out and then offered a two-rak'ah prayer.

#### **[3] The State In Which The Imam Is Desirable To Be On Setting Out To Invoke For Rain**

**1503-** It is narrated on the authority of Hisham Ibn Ishaq Ibn Abdullah Ibn Kinanah from his father that he said: One of the people sent me to Ibn Abbas to ask him about the prayer of Istisqa' (invoking Allah for water) offered by the Messenger of Allah "Allah's blessing and peace be upon him", thereupon Ibn Abbas said: "The Messenger of Allah "Allah's blessing and peace be upon him" came out (to the mosque) in the state of modesty, respect, reverence, tranquility and devoutness. He offered a two-rak'ah prayer, and his sermon (he delivered) was not like yours (for it was filled with supplication, invocation, and asking for Allah's Forgiveness and seeking for His Mercy)."

**1504-** It is narrated on the authority of Abbad Ibn Tamim from his uncle Abdullah Ibn Zaid that the Messenger of Allah "Allah's blessing and peace

having faced the Qiblah, turned (and put on) his garment inside out, and raised both his hands (while supplicating).

### **[9] How Should The Imam Raise Both His Hands?**

**1510-** It is narrated on the authority of Anas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" never raised his hands in supplication except in invoking Allah for rain, and he used to raise both his hands so much that the whiteness of his armpits was visible.

**1512-** It is narrated on the authority of Anas Ibn Malik that he said: While we were in the mosque on Friday, and The Messenger of Allah "Allah's blessing and peace be upon him" was delivering the sermon, a man stood up and said: "O Messenger of Allah! the roads have been cut off, the property has been ruined, and the town has been given to drought (which led to the rise of prices in view of the scarcity of rain): so please invoke Allah to provide us with water." The Messenger of Allah "Allah's blessing and peace be upon him" raised both his hands opposite to his face and said: "O Allah! provide us with rain!" by Allah, it was not after The Messenger of Allah "Allah's blessing and peace be upon him" descended from the pulpit that we received rain in abundance, and it kept raining from that very day to the next Friday when a man, and I do not know whether he was the same who asked The Messenger of Allah "Allah's blessing and peace be upon him" to invoke Allah for rain, stood up and said: "O Messenger of Allah! the roads have been cut off, and the property has been ruined because of the inundation of water: so please invoke Allah to withhold water from us." The Messenger of Allah "Allah's blessing and peace be upon him" said: "O Allah! let it be round and not over us! Let it be on the mountains and on the places where the trees grow." By Allah! as soon as The Messenger of Allah "Allah's blessing and peace be upon him" had uttered those words the clouds dispersed to the extent that we came to see nothing of that.

### (10) - ذِكْرُ الدُّعَاءِ

1513 - أَخْبَرَنَا مُحَمَّدُ بْنُ بَشَّارٍ قَالَ: حَدَّثَنِي أَبُو هِشَامٍ الْمُغِيرَةُ بْنُ سَلَمَةَ قَالَ: حَدَّثَنِي وَهَيْبٌ قَالَ: حَدَّثَنَا يَحْيَى بْنُ سَعِيدٍ عَنْ أَنَسِ بْنِ مَالِكٍ: أَنَّ النَّبِيَّ ﷺ قَالَ: «اللَّهُمَّ اسْقِنَا».

1514 - أَخْبَرَنَا مُحَمَّدُ بْنُ عَبْدِ الْأَعْلَى قَالَ: حَدَّثَنَا الْمُعْتَمِرُ قَالَ: سَمِعْتُ عُبَيْدَ اللَّهِ بْنَ عُمَرَ وَهُوَ الْعُمَرِيُّ عَنْ ثَابِتٍ عَنْ أَنَسٍ قَالَ: كَانَ النَّبِيُّ ﷺ خُطِبَ يَوْمَ

delivering the sermon on Friday when people stood up, shouted and said: "O Allah's Apostle! There is no rain (because of drought), the trees have dried and the livestock are destroyed; please invoke Allah for rain." So The Messenger of Allah "Allah's blessing and peace be upon him" said twice: "O Allah! Bless us with rain." By Allah, there was no trace of cloud in the sky and suddenly the sky became overcast with clouds and it started raining. The Messenger of Allah "Allah's blessing and peace be upon him" came down the pulpit and offered the prayer after which the people turned away and it was raining. It rained continuously till the next Friday. When The Messenger of Allah "Allah's blessing and peace be upon him" started delivering the Friday sermon, the people started shouting and said to him: "The houses have collapsed and the roads are cut off; so please pray to Allah to withhold the rain." So The Messenger of Allah "Allah's blessing and peace be upon him" smiled and said: "O Allah! (Let it be) round us and not on us." So the sky became clear over Medina but it kept on raining over the outskirts (of Medina). No single drop of rain fell over Medina. I looked towards the sky which was as (bright and clear as) the crown.

**1515-**It is narrated on the authority of Anas Ibn Malik that he said: (On a Friday) a person entered the Mosque while Allah's Apostle "Allah's blessing and peace be upon him" was delivering the Sermon. The man stood in front of Allah's Apostle "Allah's blessing and peace be upon him" and said: "O Allah's Apostle! The livestock are dying and the roads are cut off; so please invoke Allah to relieve us (with rain)." Allah's Apostle "Allah's blessing and peace be upon him" raised both his hands and said: "O Allah! Relieve us with rain! O Allah! Relieve us with rain!" Anas added: By Allah, there was no trace of cloud in the sky seen by us, and there was no building or a house between us and (the mountain of) Sal'. A heavy cloud like a shield appeared (from behind Sal' Mountain). When it came in the middle of the sky, it spread and then rained." Anas further said: By Allah! We could not see the sun for a week. Next Friday a person entered through the same gate and at that time Allah's Apostle "Allah's blessing and peace be upon him" was delivering the Friday's speech. The man stood in front of him and said: "O Allah's Apostle ! The livestock are dying and the roads are cut off, please pray to Allah to withhold rain." Allah's Apostle "Allah's blessing and peace be upon him" raised both his hands and said: "O Allah! Let it be round us and not on us. O Allah! Let it be on the hills, on the plateaus, in the valleys and on the places where trees grow." So the rain stopped and we came out walking in the sun." Sharik said: I asked Anas: "Was he (who came later) the (same) first man (who came complaining of drought)?" Anas replied: "No."

### **[11] Offering (Istisqa') Prayer After Invocation**

**1516-** It is narrated on the authority of Abbad Ibn Tamim that he heard his paternal uncle (Abdullah Ibn Zaid), who was one of the companions of The Messenger of Allah “Allah’s blessing and peace be upon him” saying: One day, The Messenger of Allah “Allah’s blessing and peace be upon him” went out (to the praying place) to perform the prayer of invoking Allah for rain. He turned his back to the people and invoked Allah (for rain) while facing the Qiblah. He turned (and put on) his cloak inside out and prayed two rak’ahs (in which he recited Qur’an loudly).

**1517-** It is narrated on the authority of Abbad Ibn Tamim from his paternal uncle Abdullah Ibn Zaid that the Messenger of Allah “Allah’s blessing and peace be upon him” went out (to the praying place) to perform the prayer of invoking Allah for rain. He offered a two-rak’ah prayer and faced the Qiblah.

### **[13] The Way Of Offering Istisqa' Prayer**

**1518-** It is narrated on the authority of Hisham Ibn Ishaq Ibn Abdullah Ibn Kinanah that he said: One of the governors sent me to Ibn Abbas to ask him about the prayer of Istisqa’ (invoking Allah for water), thereupon Ibn Abbas said: “What prevented him to ask me (by himself)? Anyway, the Messenger of Allah “Allah’s blessing and peace be upon him” came out (to the mosque) in the state of modesty, respect, reverence, tranquility and devoutness. He offered a two-rak’ah prayer, like that he offered in both Ids (the Festivals of Al-Fitr and Al-Adha), and his sermon (he delivered) was not like yours (for it was filled with supplication, invocation, and asking for Allah’s Forgiveness and seeking for His Mercy).”

### **[14] Reciting Aloud In Istisqa' Prayer**

**1519-** It is narrated on the authority of Abbad Ibn Tamim from his paternal uncle (Abdullah Ibn Zaid) that the Messenger of Allah “Allah’s blessing and peace be upon him” set out (to the praying place) to invoke Allah for rain. He prayed two rak’ahs in which he recited Qur’an loudly.

### **[15] What Is Said On Receiving Rain**

**1520-** It is narrated on the authority of A'ishah that she said: Whenever The Messenger of Allah “Allah’s blessing and peace be upon him” received rain, he would say (by way of supplication): "O Allah! make it a rain-laden cloud of benefit (to the inhabitants of the earth)."

### [16] The Forbiddance To Ask For Rain With The Help Of The Stars

**1521-** It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: Allah Almighty has said (revealed): "I've never bestowed a blessing (of rain) upon My servants but that a party of them prove ungrateful to it, when they say: '(It is due to) a certain star, and with the help of such and such a star (that it rained).'"

**1522-** It is narrated on the authority of Zaid Ibn Khalid Al-Juhani that he said: During the lifetime of The Messenger of Allah "Allah's blessing and peace be upon him" the people received rain. He Almighty has said (revealed): 'I've never bestowed a blessing (of rain) upon My servants but that a party of them prove ungrateful to it, when they say: 'We've received rain because of such and such a star'. But as for such as has belief in me, and praises Me for my providing him with rain, it is him who has true faith in Me and he has no faith in the star; and such as says: 'We've received rain because of such and such a star': it is him who has no faith in Me, even though he has faith in the star.'"

**1523-** It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If Allah Almighty withholds rainfall from His servants for five years, after which He sends it, a party of the people will prove infidels when they say: 'We've been given water because of the Mijdah Star (famous for rain according to the ancient Arabs before Islam).'"

### [17] The Imam Asks To Withhold Rain For Fear Of Causing Harm

**1524-** It is narrated on the authority of Anas Ibn Malik that he said: There was shortage of rain one year, thereupon one of the Muslims stood up towards The Messenger of Allah "Allah's blessing and peace be upon him" on a Friday (while he was delivering the sermon) and said: "O Messenger of Allah! there is shortage of rain, the land has become arid, and the property has been ruined." The Messenger of Allah "Allah's blessing and peace be upon him" raised both his hands to the sky, and no trace of cloud was visible in the sky at that time, and he stretched his hands to the extent that I saw the whiteness of his armpits, invoking Allah Almighty for rain. We had no sooner offered Friday prayer than (the land was drenched with water of rain to the extent that) the young man whose house was close to the mosque was put to trouble while returning to his family. It rained for a week and when it

was the coming Friday, the people said: "O Messenger of Allah! The houses have been ruined, and the riders have been detained (because of the flood of water)." On that the Messenger of Allah "Allah's blessing and peace be upon him" smiled (and wondered) at the fact that mankind is swift to become exhausted, and said (while beckoning) with his hands: "O Allah! let it be round and not over us!" then it (the sky) became clear over Medina.

### **[18] The Imam Raises Both His Hands While Invoking Allah To Withhold Rain**

**1525-** It is narrated on the authority of Anas Ibn Malik that he said: Once in the lifetime of The Messenger of Allah "Allah's blessing and peace be upon him", people were afflicted with drought. While The Prophet "Allah's blessing and peace be upon him" was on the pulpit, delivering the sermon on a Friday, a Bedouin stood up and said: "O Allah's Apostle! Our possessions are being destroyed and the children are hungry; Please invoke Allah (for rain)." So The Messenger of Allah "Allah's blessing and peace be upon him" raised his hands. At that time there was no trace of cloud visible in the sky. By Him in Whose Hand my soul is! As soon as he had lowered his hands, clouds gathered like mountains, and before he got down from the pulpit, I saw the rain falling on the beard of The Messenger of Allah "Allah's blessing and peace be upon him". It rained that day, the next day, the third day, the fourth day till the next Friday. The same Bedouin or another man stood up and said: "O Allah's Apostle! The houses have collapsed, our possessions and livestock have been drowned; Please invoke Allah (to save us)." So The Prophet "Allah's blessing and peace be upon him" raised both his hands and said: "O Allah! Let it be round us and not on us." So, in whatever direction he pointed with his hands, the clouds dispersed and cleared away, and Medina's (sky) became clear as a hole in between the clouds, and the valley (of Qanat) flooded with water. None came from outside (Medina) but that he talked about the abundant rain.

## (18) THE BOOK OF FEAR PRAYER

**1526-** It is narrated on the authority of Tha'labah Ibn Zahdam that he said: We were with Sa'id Ibn Al-As in Tabristan, and Hudhaifah Ibn Al-Yaman was with us, when he (Sa'id) asked: "Who among you has offered the Fear prayer with the Messenger of Allah "Allah's blessing and peace be upon him"?" Hudhaifah said: "I've done." He described: the Messenger of Allah "Allah's blessing and peace be upon him" led one of both groups in one rak'ah, and they were standing behind him, with the other group standing between him and the enemy. He led the group next to him in one rak'ah, and then those retreated and the others moved forward to take their places whom he led in the other rak'ah.

**1527-** It is narrated on the authority of Tha'labah Ibn Zahdam that he said: We were with Sa'id Ibn Al-As in Tabristan when he asked: "Who among you has offered the Fear prayer with the Messenger of Allah "Allah's blessing and peace be upon him"?" Hudhaifah said: "I've done." Hudhaifah then stood and the people aligned behind him in two rows: one behind him and the other facing the enemy, and he led the row behind him in one rak'ah, and then those retreated and the others moved forward to take their places whom he led in the other rak'ah; but they did not offer the missing rak'ah.

**1528-** It is narrated on the authority of Zaid Ibn Thabit from the Messenger of Allah "Allah's blessing and peace be upon him" that he offered the fear prayer the like of that described by Hudhaifah.

**1529-** It is narrated on the authority of Ibn Abbas that he said: The prayer was enjoined upon you by Allah Almighty on the tongue of your Prophet "Allah's blessing and peace be upon him" as four rak'ahs for the prayer on residence, two rak'ahs for the prayer on journey, and one rak'ah for the fear prayer.

**1530-** It is narrated on the authority of Ibn Abbas that he said: the Messenger of Allah "Allah's blessing and peace be upon him" offered the fear prayer in (the holy battle of) Dhu-Qarad: the people aligned behind him in two rows: one behind him and the other facing the enemy, and he led the row behind him in one rak'ah, and then those retreated and took the places of these (who did not pray) and the others moved forward (to take their places) whom he led in the other rak'ah; but they did not offer the missing rak'ah.

**1531-** It is narrated on the authority of Ibn Abbas that he said: the Messenger of Allah "Allah's blessing and peace be upon him" stood (to offer prayer) and the people stood with him, and he said Takbir and they said

1531 - أَخْبَرَنَا عَمْرُو بْنُ عُثْمَانَ بْنِ سَعِيدٍ عَنْ كَثِيرٍ عَنْ مُحَمَّدٍ عَنِ الزُّبَيْدِيِّ عَنْ الْبُزْهَرِيِّ عَنْ عُبَيْدِ اللَّهِ بْنِ عَبْدِ اللَّهِ بْنِ عُثْبَةَ أَنَّ عَبْدَ اللَّهِ بْنَ عَبَّاسٍ قَالَ: «قَامَ رَسُولُ اللَّهِ ﷺ وَقَامَ النَّاسُ مَعَهُ فَكَبَّرَ وَكَبَّرُوا ثُمَّ رَكَعَ وَرَكَعَ أَنَا مِنْهُمْ ثُمَّ سَجَدَ

Takbir with him (to assume the prayer), and he bowed, and a party of them bowed with him, and he prostrated, and they prostrated (with him). Then he stood to offer the other rak'ah, and those who (offered first rak'ah with him in which they) prostrated retreated to guard their brothers (who did not bow and prostrate), and the other party moved forward and offered bowing and prostration with the Messenger of Allah "Allah's blessing and peace be upon him". In this way, all the people were in prayer, magnifying Allah, but at the same time, they were guarding each other.

**1532-** It is narrated on the authority of Ibn Abbas that he said: The fear prayer was but two rak'ahs, like the prayer of your guards behind your imams, except that they offered it in succession (one group prostrated with him after the other): they were all with the Messenger of Allah "Allah's blessing and peace be upon him", and a party of them stood (facing the enemy) and the other party prostrated with him, and when the Messenger of Allah "Allah's blessing and peace be upon him" stood they all stood with him, and when he bowed, they all bowed with him, and when he prostrated, those who were standing (who did not prostrate) at the first time prostrated with him, and when the Messenger of Allah "Allah's blessing and peace be upon him" and those who were with him sat at the conclusion of their prayer, those who were standing prostrated with themselves, and then the Messenger of Allah "Allah's blessing and peace be upon him" gathered them all when he uttered the end salutation.

**1533-** It is narrated on the authority of Salih Ibn Khawat from Sahl Ibn Abu Hathmah that the Messenger of Allah "Allah's blessing and peace be upon him" led them in the fear prayer: He made a row align behind him and the other facing the enemy, and he led those (behind him) in one rak'ah, and then they went and the others came (and took their places) whom he led in another rak'ah, and each stood and offered the other rak'ah (with themselves), one after the other.

**1534-** It is narrated on the authority of Salih Ibn Khawat who transmitted from those, who offered the fear prayer with The Messenger of Allah "Allah's blessing and peace be upon him" on the day of the (holy battle of) Patches, that one of the two groups (into which the army was divided in order to offer the prayer) aligned behind him, and the other stood facing the enemy. He prayed one Rak'ah with those who were with him. Then, he kept standing, and they completed their prayer (by performing another Rak'ah). then, they turned away and aligned facing the enemy, and (those of) the other group came, with whom he prayed the remaining Rak'ah. he kept

sitting, and they completed their prayer (by offering another Rak'ah). then, he uttered the end salutation.

**1535-** It is narrated on the authority of Salim from his father (Ibn Umar) that he said: The Messenger of Allah "Allah's blessing and peace be upon him" led the fear prayer (and he offered) one rak'ah with one of the two groups (of the army), while the other was (standing) facing the enemy. Then, they (of the first group) turned and replaced their companions (of the other group), facing the enemy. Then those (of the other group) came, with whom The Prophet "Allah's blessing and peace be upon him" offered one rak'ah. then, The Prophet "Allah's blessing and peace be upon him" uttered the end salutation, and those (of the first group) prayed (another) rak'ah, and those (of the other group) prayed (another) rak'ah (in order that the fear prayer offered by both groups should become two rak'ahs).

**1536-** It is narrated on the authority of Abdullah Ibn Umar that he said: I took part in a holy battle with Allah's Apostle "Allah's blessing and peace be upon him" in Najd. We faced the enemy and arranged ourselves in rows. Then Allah's Apostle "Allah's blessing and peace be upon him" stood up to lead the prayer and one party stood to pray with him while the other faced the enemy. Allah's Apostle "Allah's blessing and peace be upon him" and the former party bowed and performed two prostrations. Then that party left and took the place of those who had not prayed, and those who had not prayed came (and took their places), with whom Allah's Apostle "Allah's blessing and peace be upon him" bowed and performed two prostrations and finished his prayer with the end salutation. Then every one of the Muslims bowed once and performed two prostrations individually.

**1537-** It is narrated on the authority of Az-Zuhri that he said: Abdullah Ibn Umar reported that he offered the fear prayer with Allah's Apostle "Allah's blessing and peace be upon him". He said: Allah's Apostle "Allah's blessing and peace be upon him" said Takbir (to assume the prayer) and one party of us aligned behind him and the other party of us came to face the enemy. Allah's Apostle "Allah's blessing and peace be upon him" bowed and performed two prostrations with them. Then that party left and stood facing the enemy, and the other party (who had not prayed) came and prayed with Allah's Apostle "Allah's blessing and peace be upon him", with whom he did the same (as he had done with the first party i.e. he bowed and performed two prostrations ) and then he finished his prayer with the end salutation. Then every one of the two parties stood and offered one bowing and two prostrations individually.

**1538-** It is narrated on the authority of Abdullah Ibn Umar that he said: Allah's Apostle "Allah's blessing and peace be upon him" led the fear prayer. Allah's Apostle "Allah's blessing and peace be upon him" said Takbir (to assume the prayer) and one party of us prayed behind him and the other party of us came to face the enemy. Allah's Apostle "Allah's blessing and peace be upon him" bowed and performed two prostrations with them. Then that party left without concluding the prayer with the end salutation, and stood and took their positions facing the enemy, and the other party (who had not prayed) came and aligned behind Allah's Apostle "Allah's blessing and peace be upon him", with whom he bowed and performed two prostrations and then Allah's Apostle "Allah's blessing and peace be upon him" finished his prayer with the end salutation. In this way he completed (a two rak'ah prayer of) two bowings and four prostrations. Then every one of the two parties stood and offered one bowing and two prostrations individually.

**1539-** It is narrated on the authority of Ibn Umar that he said: the Messenger of Allah "Allah's blessing and peace be upon him" led the fear prayer on one of his days (of fighting the enemy): a group of them stood behind him and the other stood facing the enemy, and he led those behind him in one rak'ah, and then they went and the others came (and took their places) whom he led in another rak'ah, and then each offered the other rak'ah, one after the other.

**1540-** It is narrated on the authority of Urwah Ibn Az-Zubair that Marwan Ibn Al-Hakam asked Abu Hurairah: "Have you ever offered the Fear prayer with the Messenger of Allah "Allah's blessing and peace be upon him"?" he answered in the affirmative. Marwan asked him: "When has it been?" Abu Hurairah said: "During the holy battle of Najd: The Messenger of Allah "Allah's blessing and peace be upon him" stood for the Asr prayer, and a group stood behind him, and the other group stood in the face of the enemy, with their backs towards the Qiblah. The Messenger of Allah "Allah's blessing and peace be upon him" said Takbir (of assuming the prayer) and all did so with him, i.e. those next to him, and those standing in the face of the enemy. The Messenger of Allah "Allah's blessing and peace be upon him" offered one rak'ah, (in which he bowed) and prostrated, and those next to him bowed and prostrated with him, while the others kept standing in the face of the enemy. Then, the Messenger of Allah "Allah's blessing and peace be upon him" stood, and so did the group next to him, who turned and went to be in the face of the enemy, while those who had been in the face of the enemy came forward and (offered a rak'ah in which they) bowed and

prostrated, and the Messenger of Allah "Allah's blessing and peace be upon him" kept standing. When they stood, the Messenger of Allah "Allah's blessing and peace be upon him" offered another rak'ah (in which he bowed) and prostrated, and these next to him bowed and prostrated with him. The group which had been in the face of the enemy came forward and offered another rak'ah (in which they bowed and) prostrated, while the Messenger of Allah "Allah's blessing and peace be upon him" and those next to him kept sitting. Then, the Messenger of Allah "Allah's blessing and peace be upon him" uttered the end salutation, and they all uttered the end salutation after him. In this way, the Messenger of Allah "Allah's blessing and peace be upon him" offered two rak'ahs, and every one of the people offered two rak'ahs (one with the Messenger of Allah "Allah's blessing and peace be upon him", and another by himself).

**1541-** It is narrated on the authority of Abu Hurairah that he said: the Messenger of Allah "Allah's blessing and peace be upon him" was encamping (in the area) between Dajnan and Usfan, besieging the pagans, when the pagans said: "There is a prayer (i.e. Asr) waiting those (Muslims), and it is much dearer to them than their offspring, male and female. So, make your decision, and overtake them by a sudden attack." Gabriel "Peace be upon him" came to the Messenger of Allah "Allah's blessing and peace be upon him" and ordered him to divide his companions into two halves, and to lead in prayer a party of them, and make the other in the face of the enemy, taking their precautions and arms: i.e. to pray a rak'ah with them, after which they should retreat, and the others (who have not yet prayed) should come forward, with whom the Messenger of Allah "Allah's blessing and peace be upon him" should pray one rak'ah. In this way, they will have prayed one rak'ah each with the Messenger of Allah "Allah's blessing and peace be upon him", and the Messenger of Allah "Allah's blessing and peace be upon him" will have prayed two rak'ahs.

**1542-** It is narrated on the authority of Yazid Al-Faqir that Jabir told him that once, the Messenger of Allah "Allah's blessing and peace be upon him" led the Fear prayer. He divided them into two rows, one in front of him and another behind him. He offered with those who were behind him a single rak'ah of one bowing and two prostrations. Then, they came forward until they took the position of their companions (of the other group), who, in turn, returned back to replace them (behind the Messenger of Allah "Allah's blessing and peace be upon him"). The Messenger of Allah "Allah's blessing and peace be upon him" prayed with them a single rak'ah of one bowing and

**1543-** It is narrated on the authority of Jabir Ibn Abdullah that he said: While we were taking part with the Messenger of Allah "Allah's blessing and peace be upon him" in a certain fight, the prayer was established. The Messenger of Allah "Allah's blessing and peace be upon him" got up and aligned a group of people behind him, and another in the face of the enemy. He offered with those (behind him) a single rak'ah of one bowing and two prostrations. Then, they went to take the position of the other group of people, who, in turn, came back (to replace them behind the Messenger of Allah "Allah's blessing and peace be upon him"), and the Messenger of Allah "Allah's blessing and peace be upon him" offered with them a single rak'ah of one bowing and two prostrations. Then, the Messenger of Allah "Allah's blessing and peace be upon him" (rose and) sat, and concluded the prayer with the End Salutation, followed by those behind him, and then those of the other group. (In this way, it was a two-rak'ah prayer for the Messenger of Allah "Allah's blessing and peace be upon him", and a one-rak'ah prayer for the people of each group, one after another).

**1544-** It is narrated on the authority of Jabir Ibn Abdullah that he said: We offered prayer of fear with The Messenger of Allah "Allah's blessing and peace be upon him". We drew ourselves up in two rows, one row behind him with the enemy between us and the Qiblah. The Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah is Greater", and we all said it. He then bowed and we all bowed. He then raised his head from bowing, and we all raised (our heads). When The Messenger of Allah "Allah's blessing and peace be upon him" intended to fall down in prostration he prostrated along with the row next to him, and the rear row kept standing (in the face of the enemy) when the Messenger of Allah "Allah's blessing and peace be upon him" and the row next to him rose (from bowing). When The Messenger of Allah "Allah's blessing and peace be upon him" and the row next to him (completed the prostration and) rose, then the rear row fell down in prostration while being in their positions. Then the front row which was close to The Messenger of Allah "Allah's blessing and peace be upon him" went to the rear and the rear row went to the front, and each exchanged the positions. Then The Messenger of Allah "Allah's blessing and peace be upon him" bowed down and we all bowed. He then raised his head from bowing and we also raised (our heads). When The Messenger of Allah "Allah's blessing and peace be upon him" intended to fall down in prostration he

prostrated along with the row next to him, and the others of (the rear row) kept standing (in the face of the enemy). When The Messenger of Allah "Allah's blessing and peace be upon him" and the row next to him (completed the prostration and) rose, then the others (of the rear row) fell down in prostration (while being in their positions). Then The Messenger of Allah "Allah's blessing and peace be upon him" uttered the end salutation (and we also uttered the end salutation).

**1545-** It is narrated on the authority of Jabir that he said: We were with The Messenger of Allah "Allah's blessing and peace be upon him" in (an area known as) Nakhil, and the enemies were between us and the Qiblah. The Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah is Greater", and they all said so. He bowed and they all bowed. The Messenger of Allah "Allah's blessing and peace be upon him" fell down in prostration and the row next to him prostrated with him, and the others kept standing to guard them. When they stood up, the others (of the second row) fell down in prostration while being in their very place. Then (the first row went to the rear, and) the second row came to the front and occupied the place of the first row. The Messenger of Allah "Allah's blessing and peace be upon him" then said: "Allah is Greater", and they all said so. He then bowed, and they all bowed. He then raised (his head from bowing) and they all raised (their heads from bowing). then The Messenger of Allah "Allah's blessing and peace be upon him" fell down in prostration followed by the row next to him, and the second row remained standing to guard them. When they completed the prostration and sat, the others also prostrated while being in their positions. The Messenger of Allah "Allah's blessing and peace be upon him" uttered the end salutation. Jabir said: just as your rulers offer prayer.

**1546-** It is narrated on the authority of Abu Ayyash Az-Zuraqi: We were with the Messenger of Allah "Allah's blessing and peace be upon him" in Ufsan when we faced the infidels under the leadership of Khalid Ibn Al-Walid, and they were standing between us and the Qiblah. When the Messenger of Allah "Allah's blessing and peace be upon him" led them in the Zhuhr prayer, they (the infidels) said to one another: "Now, a prayer (i.e. Asr) will come upon them, which is much dearer to them than their offspring and themselves." The Messenger of Allah "Allah's blessing and peace be upon him" led them in Asr prayer: he made them align in two rows behind him. When he bowed, they all bowed after him. When he raised (his head) they raised (theirs). Then, the Messenger of Allah "Allah's blessing and peace be upon him" fell in prostration with the row next to him, while the people of the other were standing (to safeguard those who prostrated). they rose from prostration, these of the rear row prostrated, building upon their bowing they offered with the Messenger of Allah "Allah's blessing and peace be upon him". Then, those of the front row retreated, and the rear row came forward and both exchanged positions. When the Messenger of Allah "Allah's blessing and peace be upon him" bowed, they all bowed. When he raised (his head) they all raised (theirs). **1547-** It is narrated on the authority of Abu Ayyash Az-Zuraqi: We were with the Messenger of Allah "Allah's blessing and peace be upon him" in Usfan when we faced the infidels under the leadership of Khalid Ibn Al-Walid. When the Messenger of Allah "Allah's blessing and peace be upon him" led us in the Zhuhr prayer, they (the infidels) said to one another: "They were in such a state as if we took them by surprise (we would have overpowered them)." Then, during the period between Zhuhr and Asr, this Holy Verse: "When you (O Messenger) are with them, and stand to lead them in prayer..." was revealed. The Messenger of Allah "Allah's blessing and peace be upon him" led us in Asr prayer: he aligned us in two rows, one to pray with the Messenger of Allah "Allah's blessing and peace be upon him" and the other to safeguard them. he said Takbir (to assume the prayer) with those next to him and those who were guarding them. When he bowed, they all bowed. Then those next to him prostrated (with him) first, and then those next to him retreated, and the others came forward and prostrated. Then, the Messenger of Allah "Allah's blessing and peace be upon him" stood and offered the second rak'ah (in which he bowed) with all, i.e. those next to him and those who were guarding them. then, he prostrated with those next to him, who retreated and occupied the place of their companions, who in turn, came forward and prostrated. Then the Messenger of Allah "Allah's blessing and peace be upon him" concluded with the end salutation. In this way, everyone of each party offered two rak'ahs with the imam. The Messenger of Allah "Allah's blessing and peace be upon him" offered this prayer once again near (the dwelling places of) Banu Sulaim.

**1548-** It is narrated on the authority of Abu Bakrah that the Messenger of Allah "Allah's blessing and peace be upon him" led the fear prayer: he offered a two-rak'ah prayer with a party of the people, which he concluded with the end salutation. Then, the Messenger of Allah "Allah's blessing and
